0037-4
XIAO (CONT'D)
125 the remainder of the day.

0038-4
XIAO (CONT'D)
125 You can never be too careful!

0039-5
XIAO (CONT'D)

0042-3
XIAO (CONT'D)
125 healthy as a mountain goat

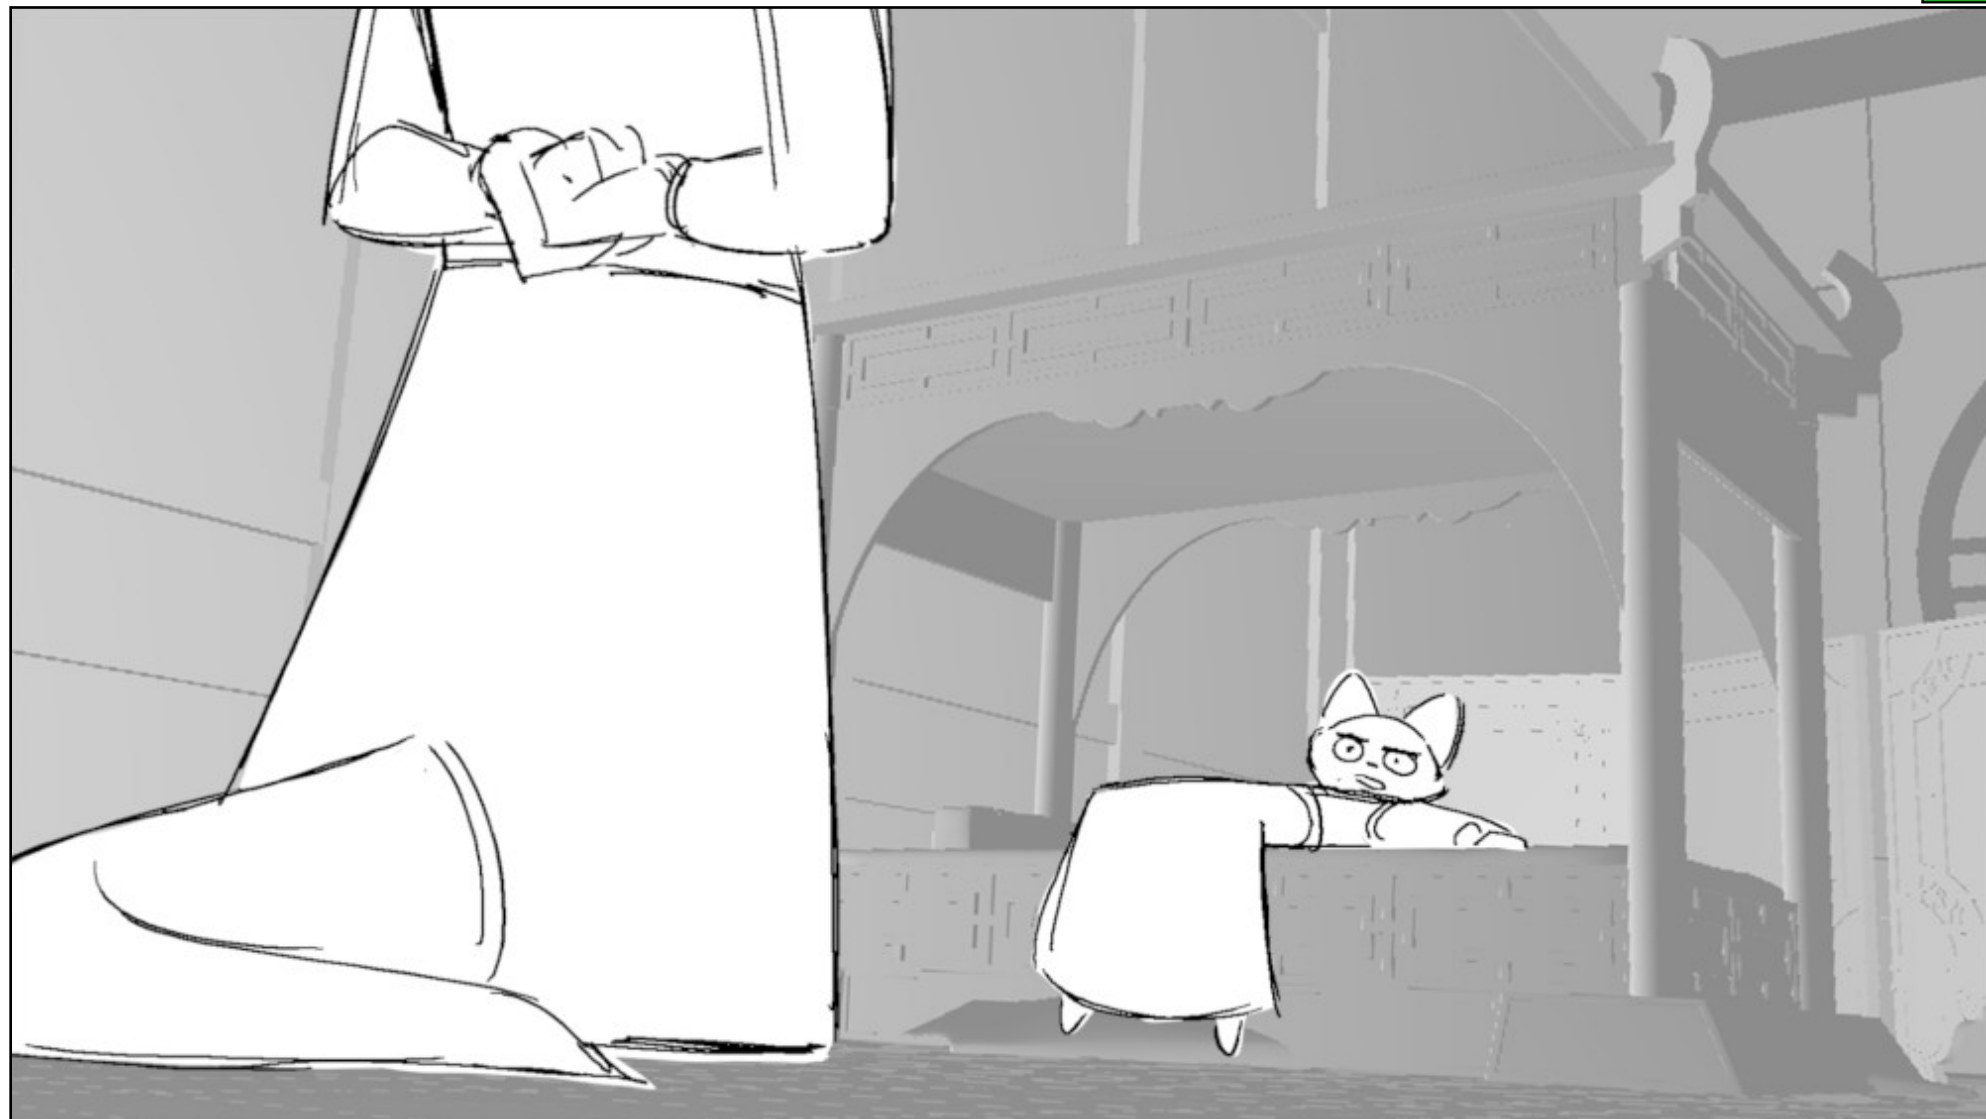

0043-3
XIAO (CONT'D)

SHI LONG
126 I want to show you.

0053-3
XIAO
127 Oh Shi Long,

0054-3
XIAO
127 can't it wait

0052-3
XIAO
127 until tomorrow?

0005-4
SHI LONG
128 No, it cannot.

0062-2
SHI LONG
128 It's a bit of a surprise,

0063-2
SHI LONG
128 not to be a spoiler.

0065-2
SHI LONG
128 Related to the enthronement.

0006-4
SHI LONG (CONT'D)
129 I promise it will be worth it.

0068

SHI LONG (CONT'D)

129 I promise it will be worth it.

0069

SHI LONG (CONT'D)

129 I promise it will be worth it.

0070

SHI LONG (CONT'D)

129 I promise it will be worth it.

0012-2

0001-4
SHI LONG
131 Xiao,

0002-6
SHI LONG

131 know that your actions have consequences.

0042-5
XIAO
132 Shi Long,

0068-4
XIAO
132 I have no idea

0069-5
XIAO
132 what you are...

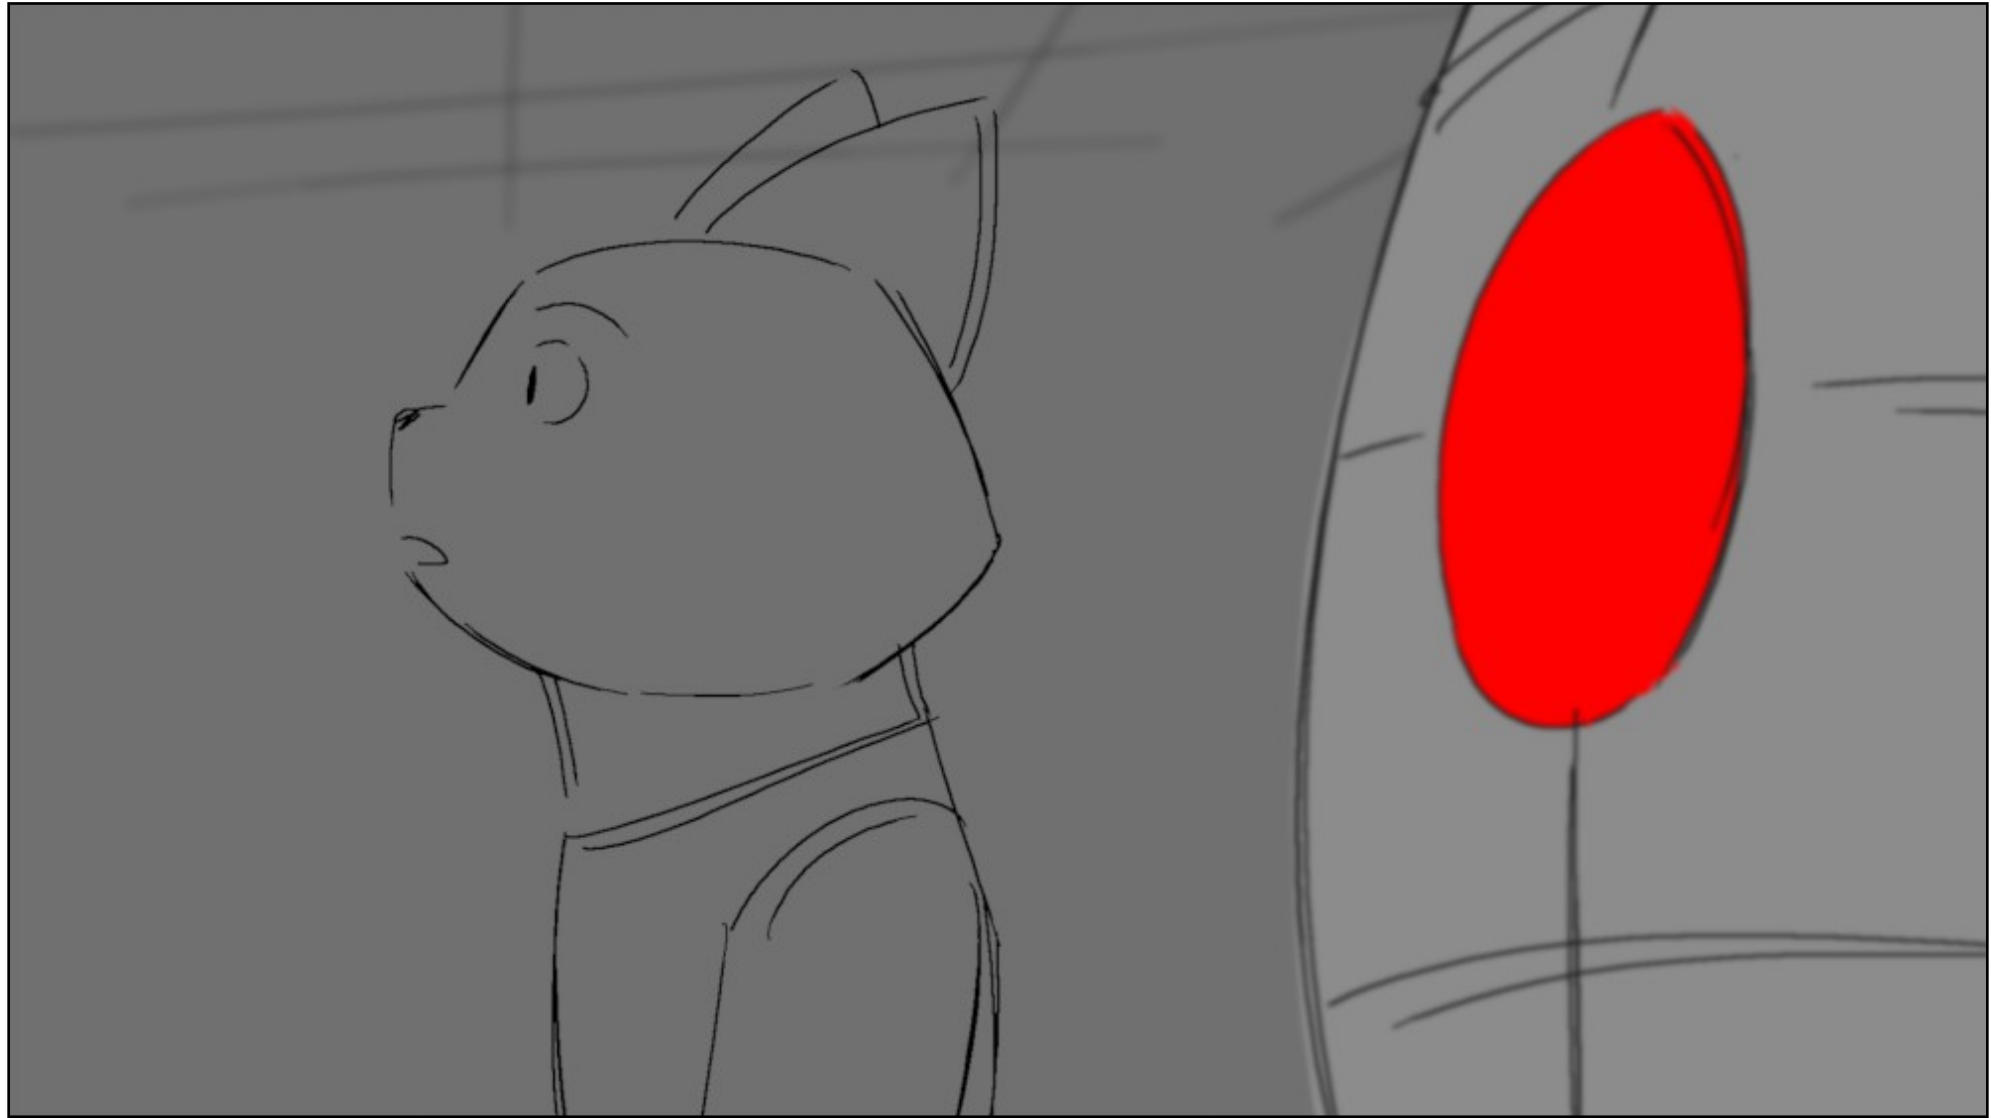

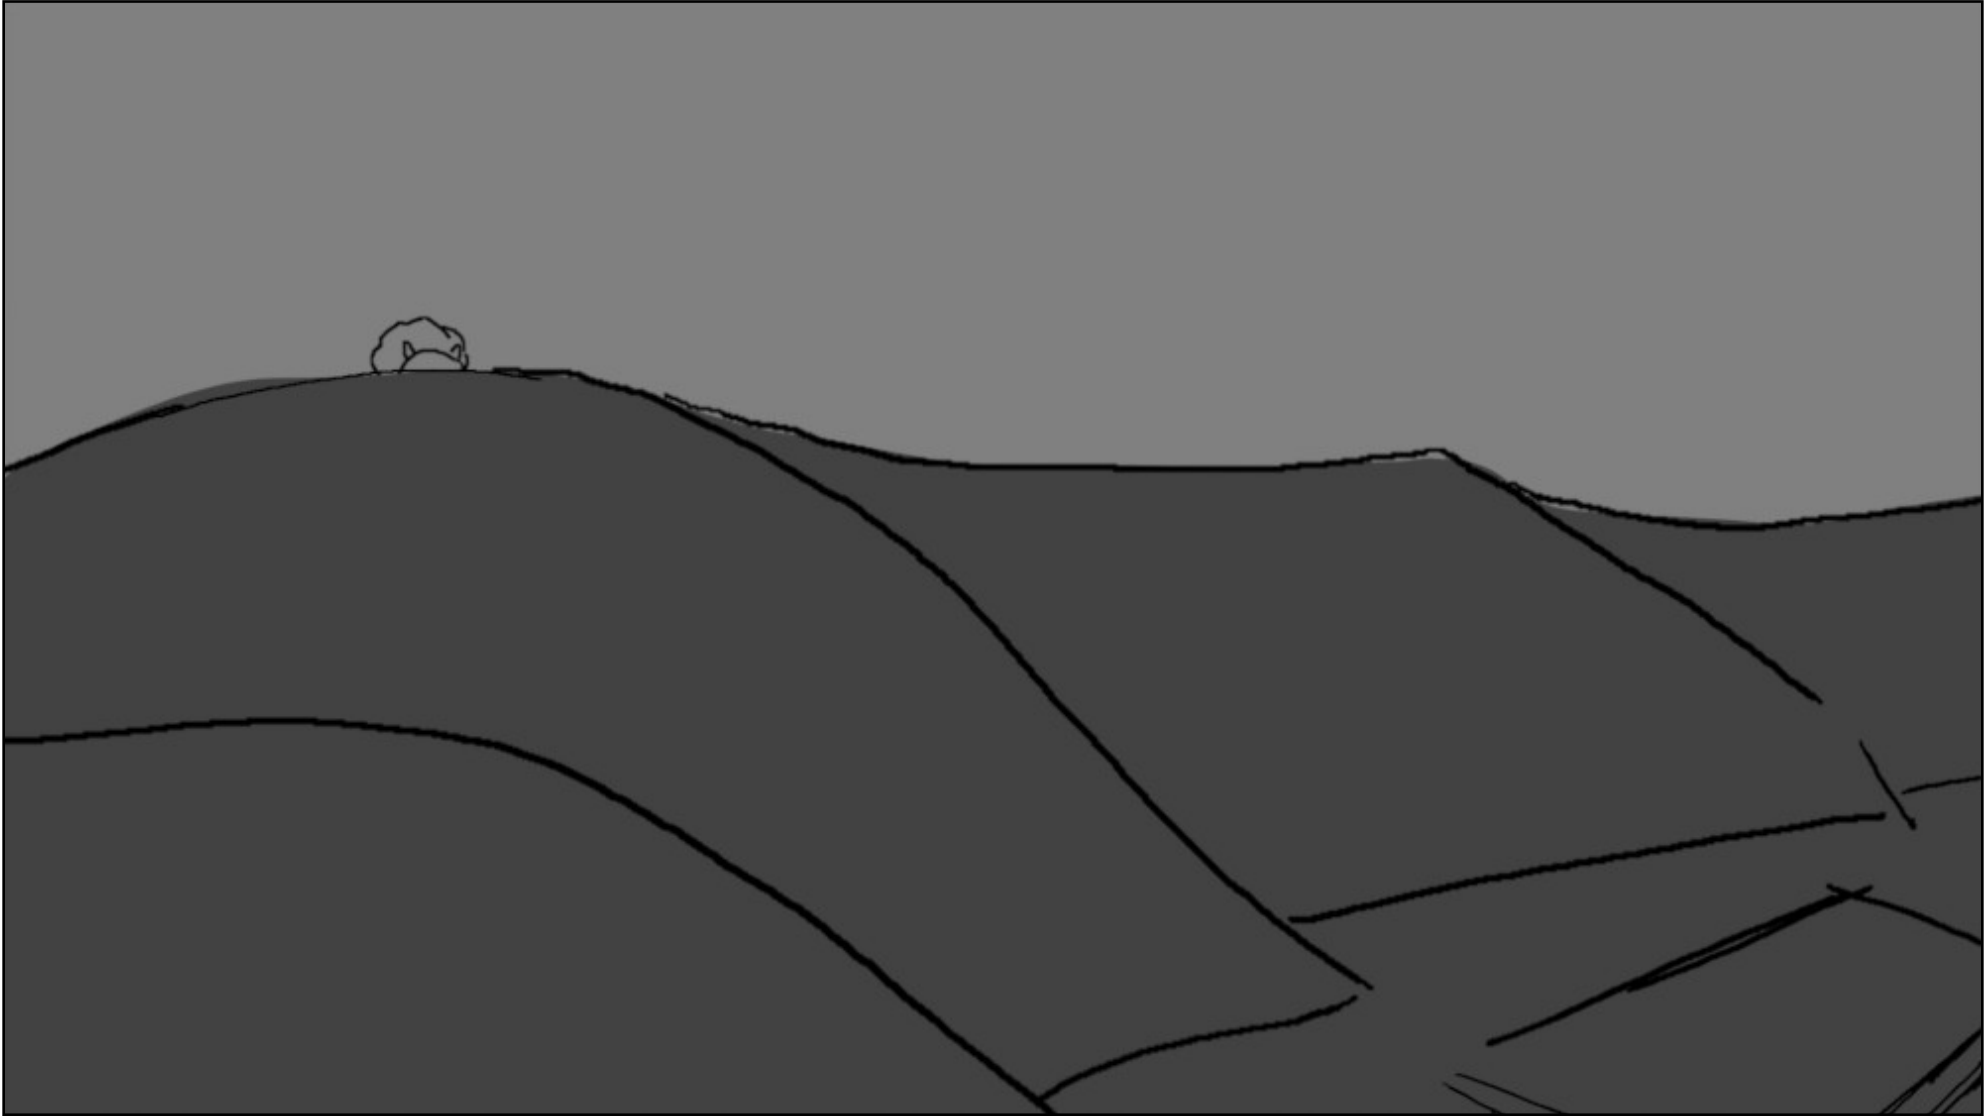

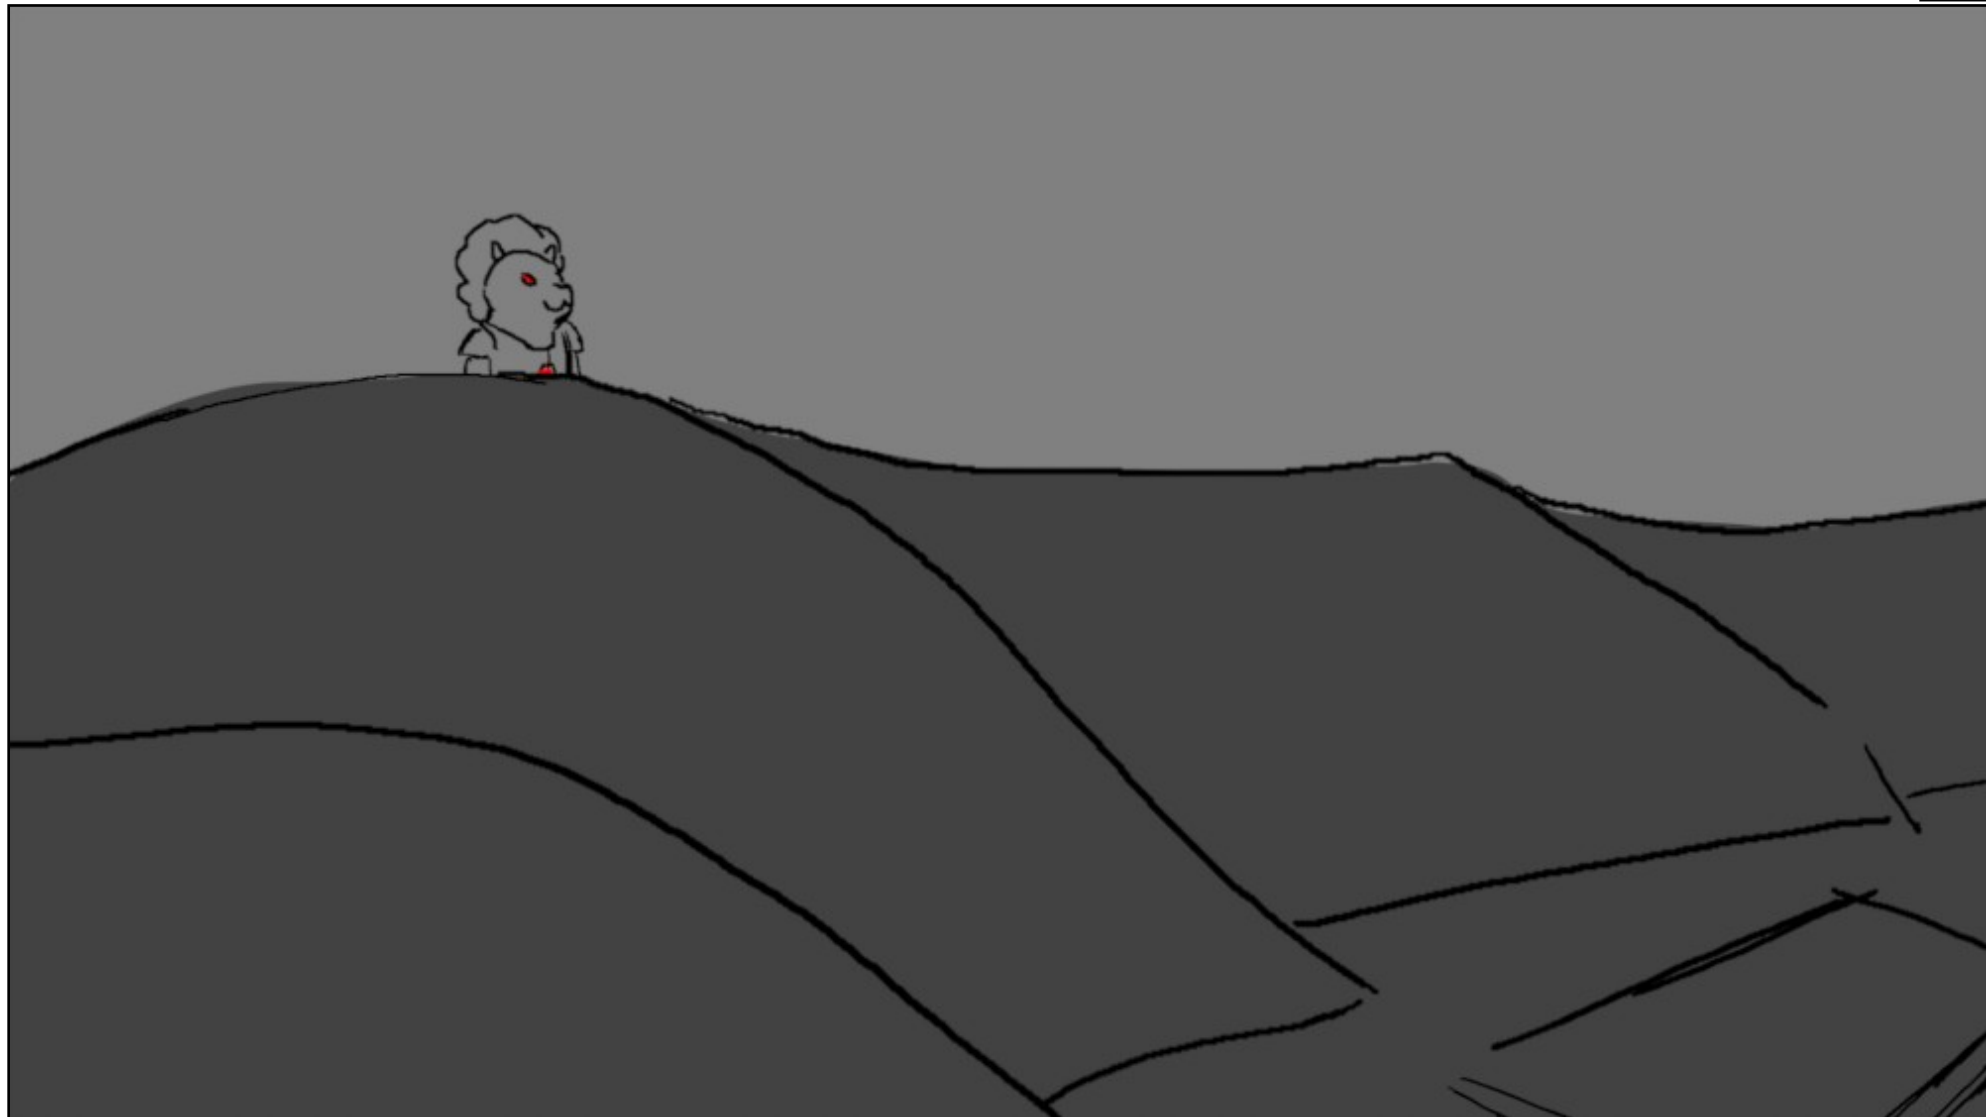

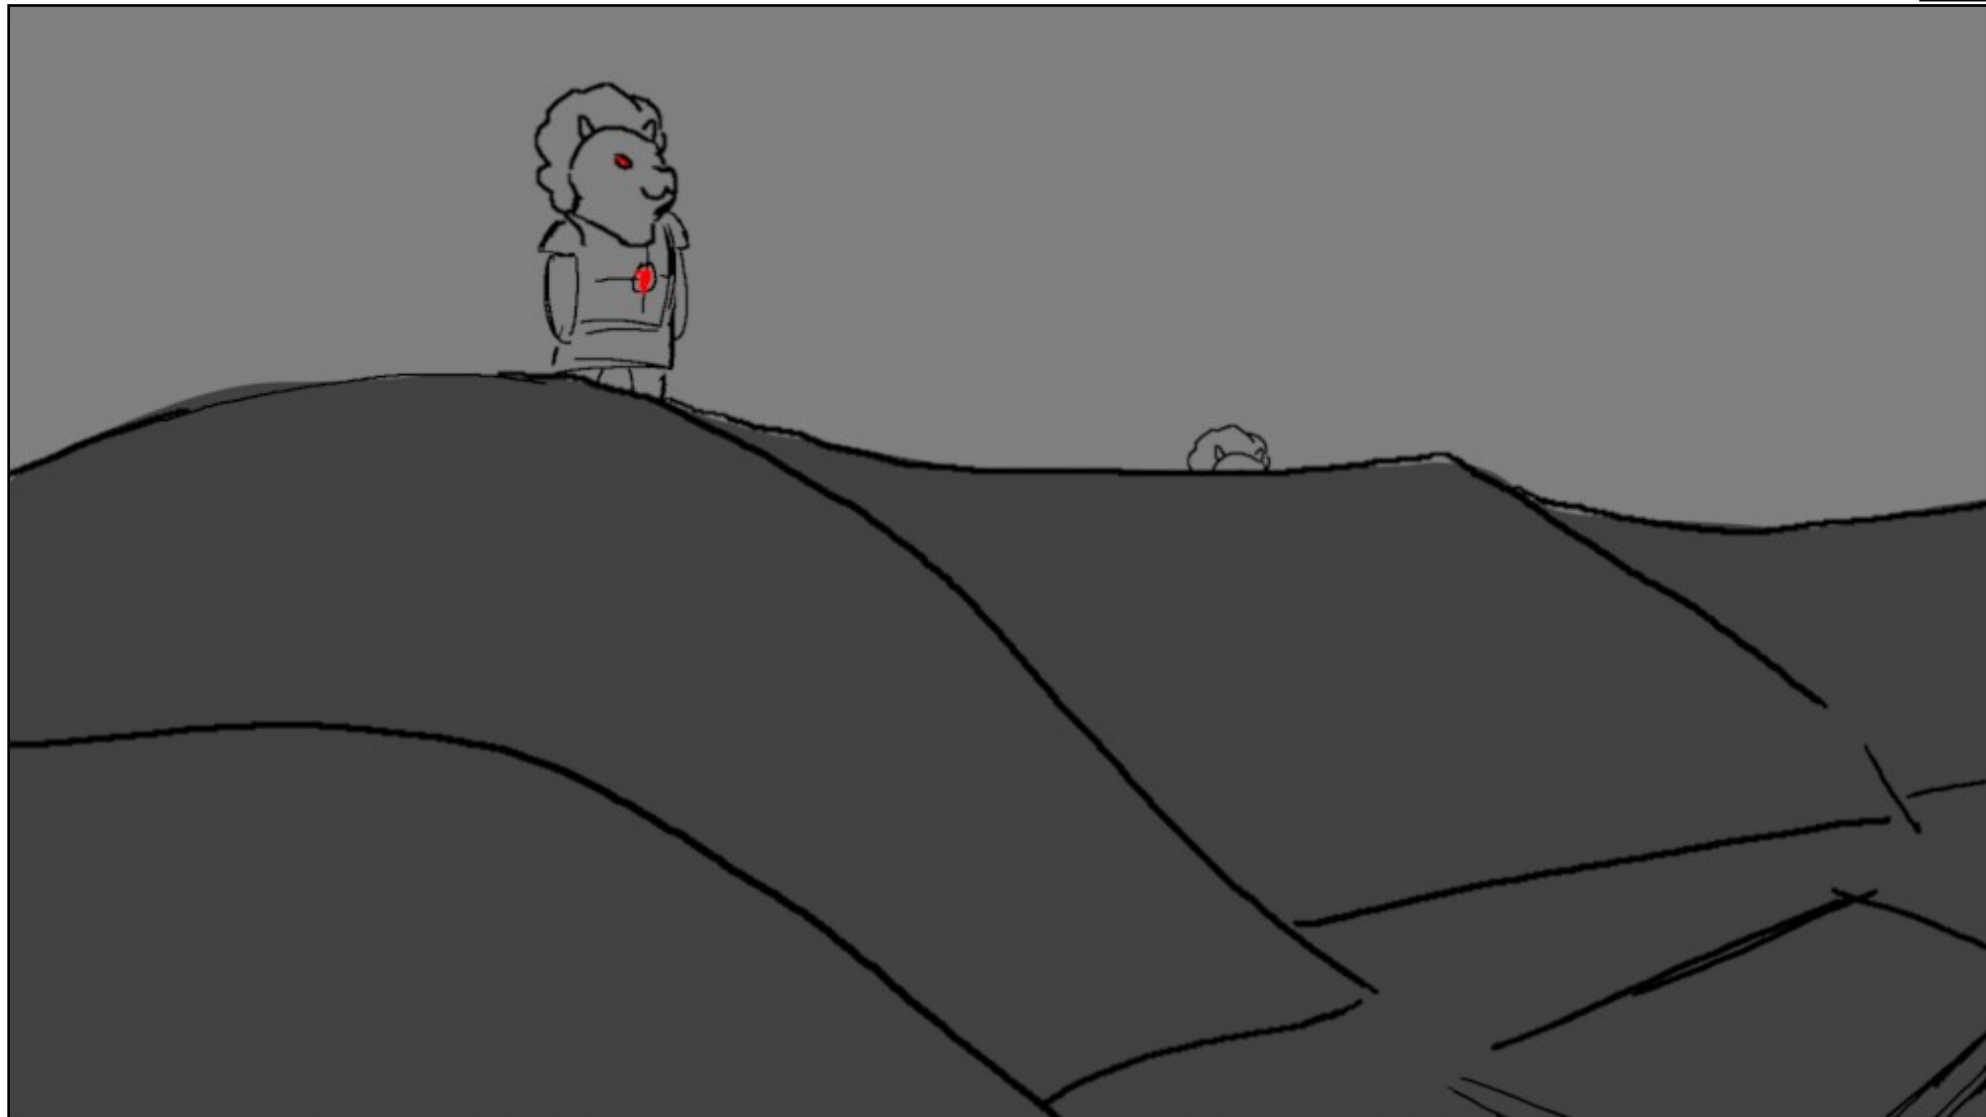

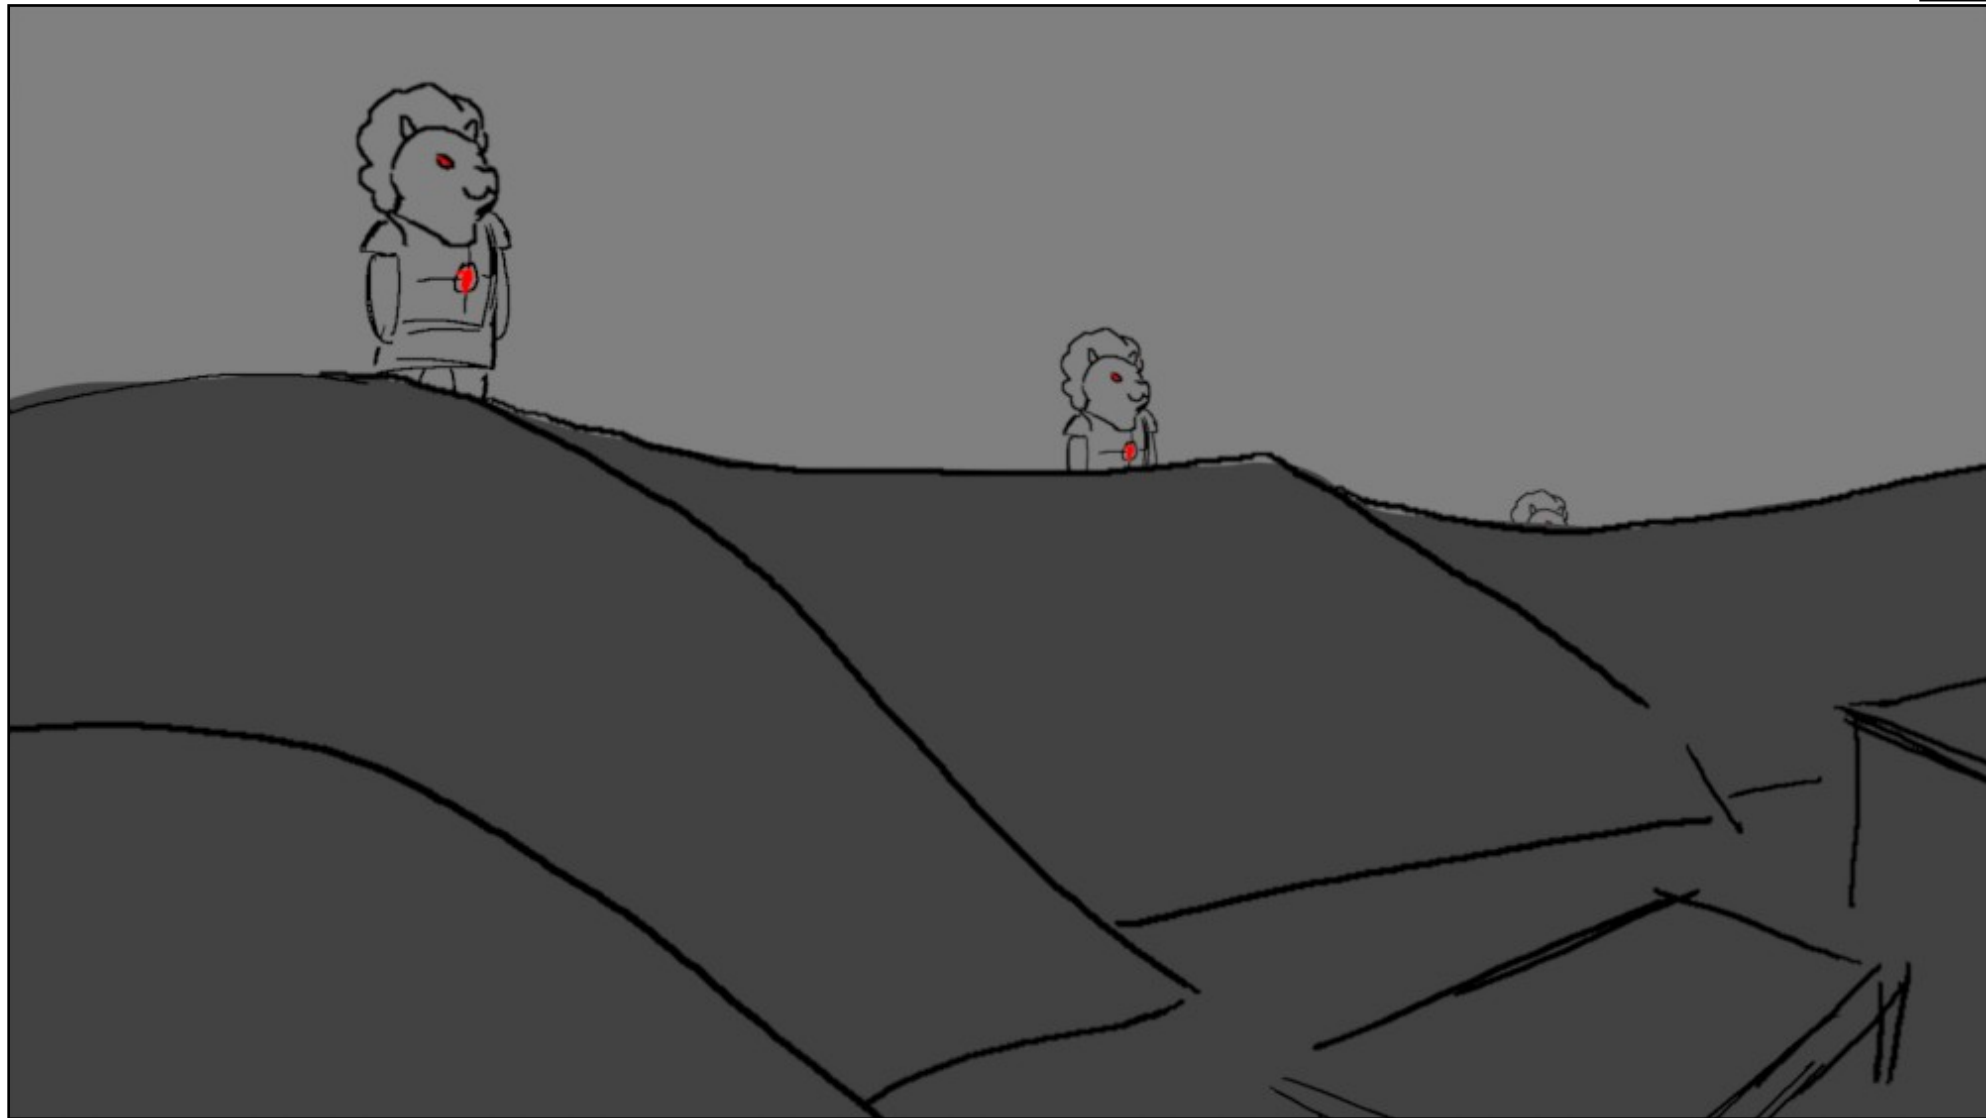

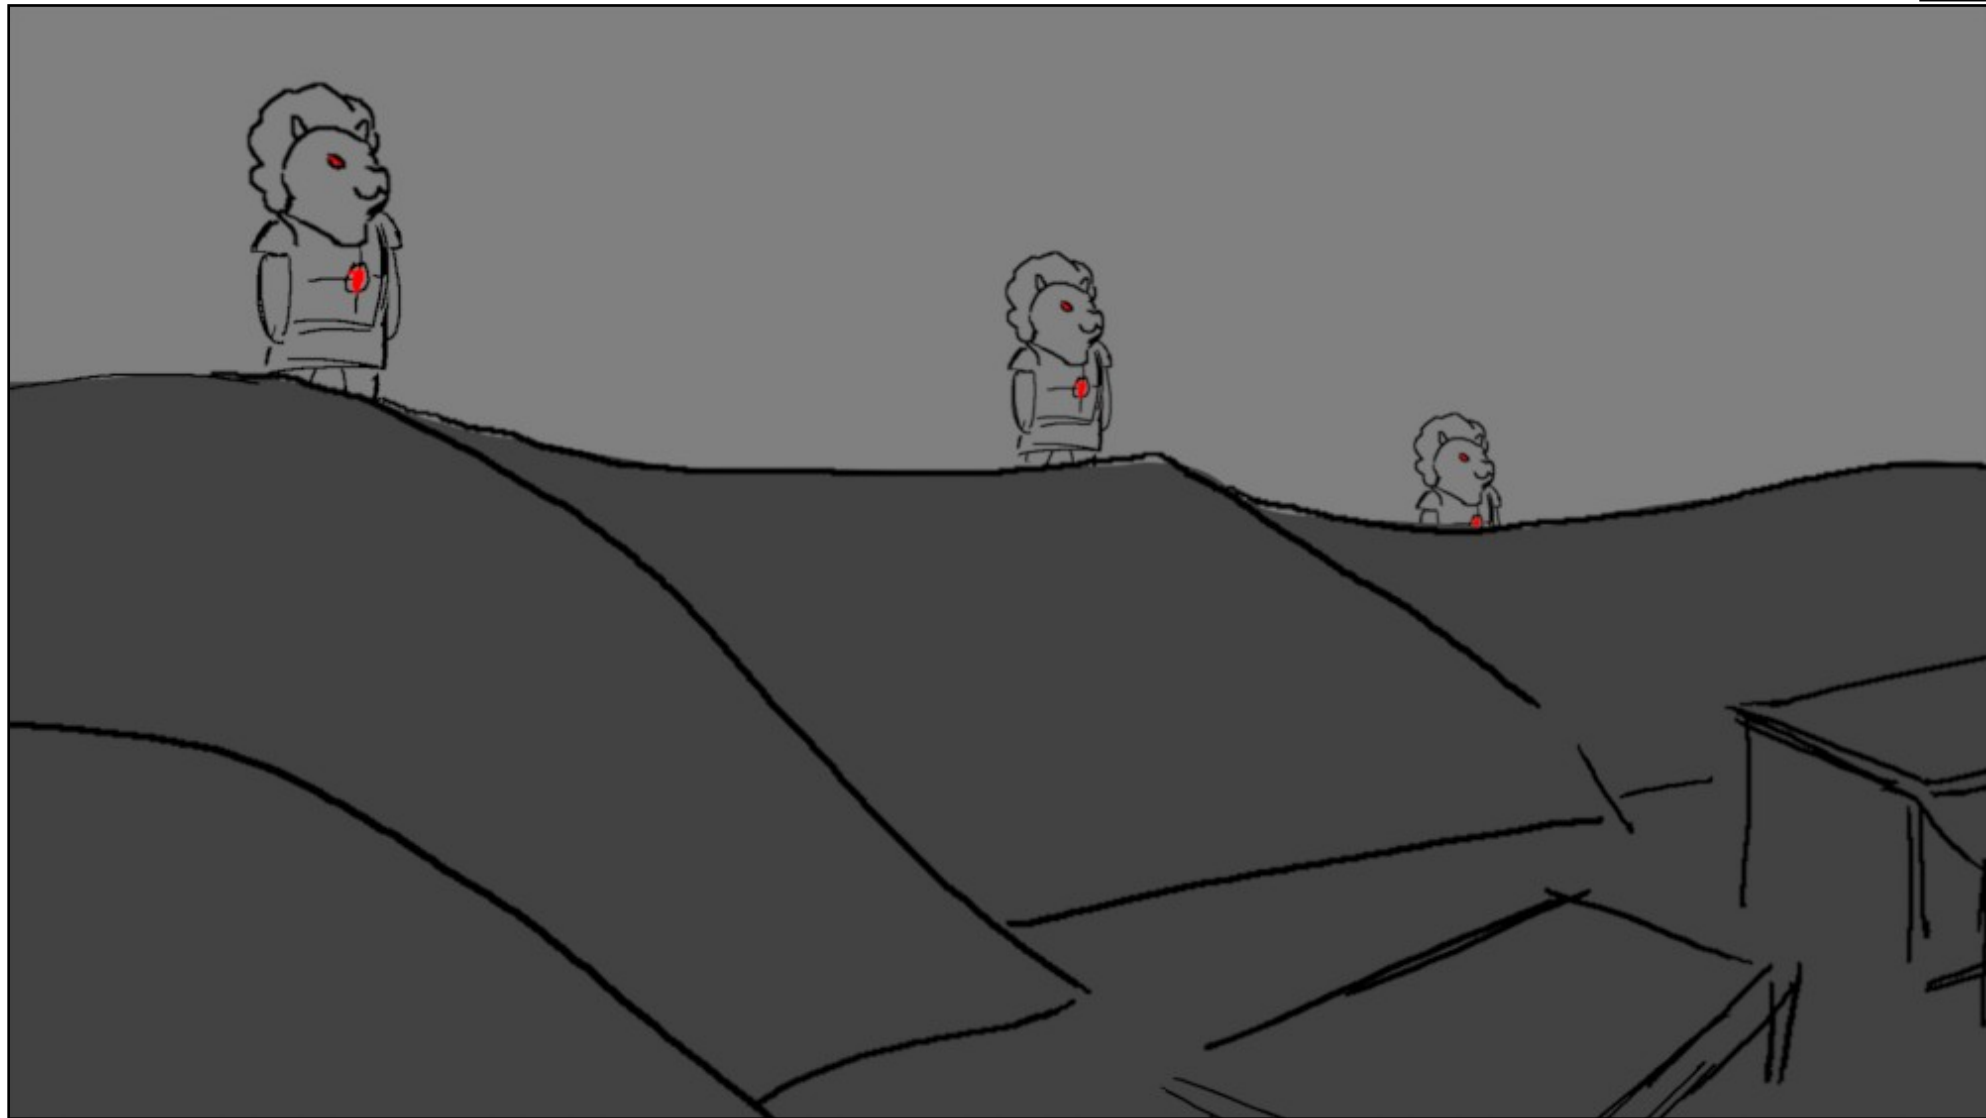

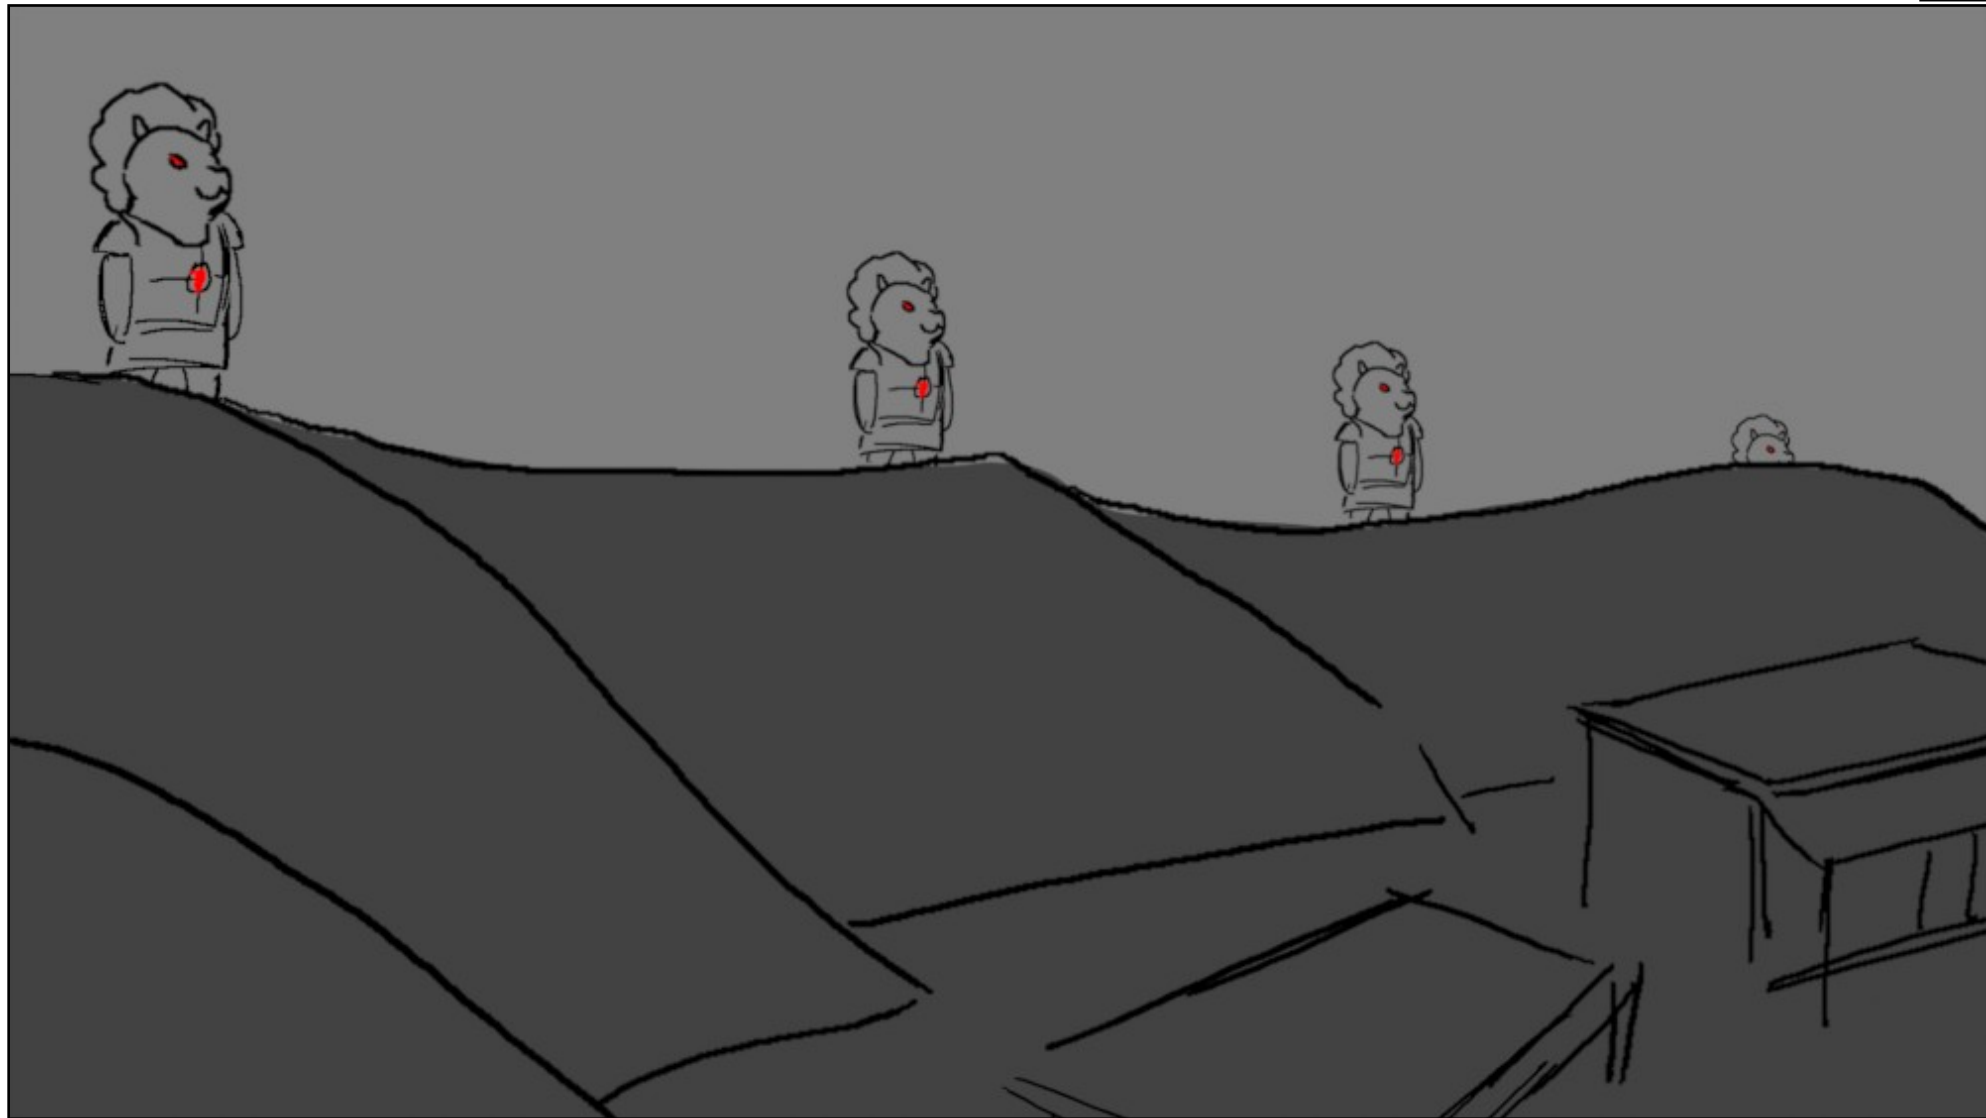

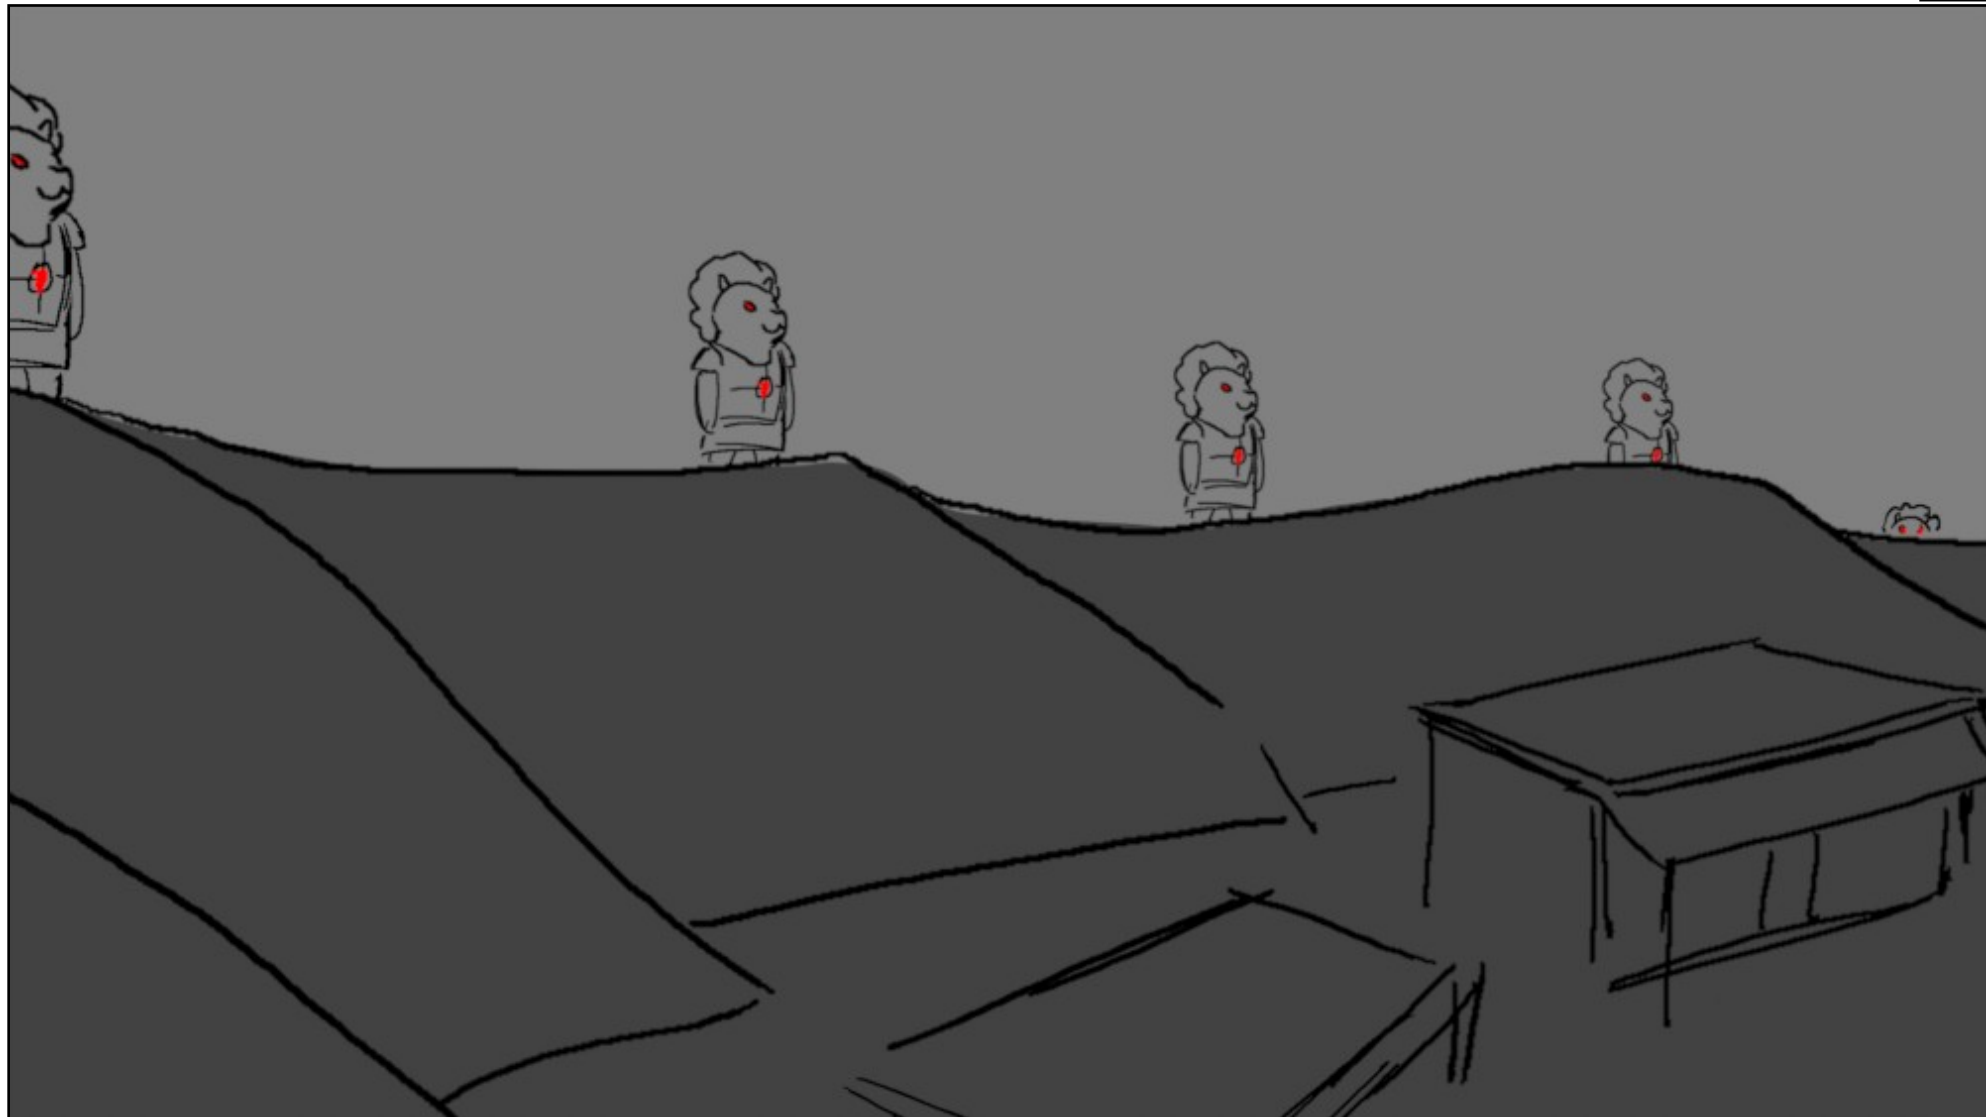

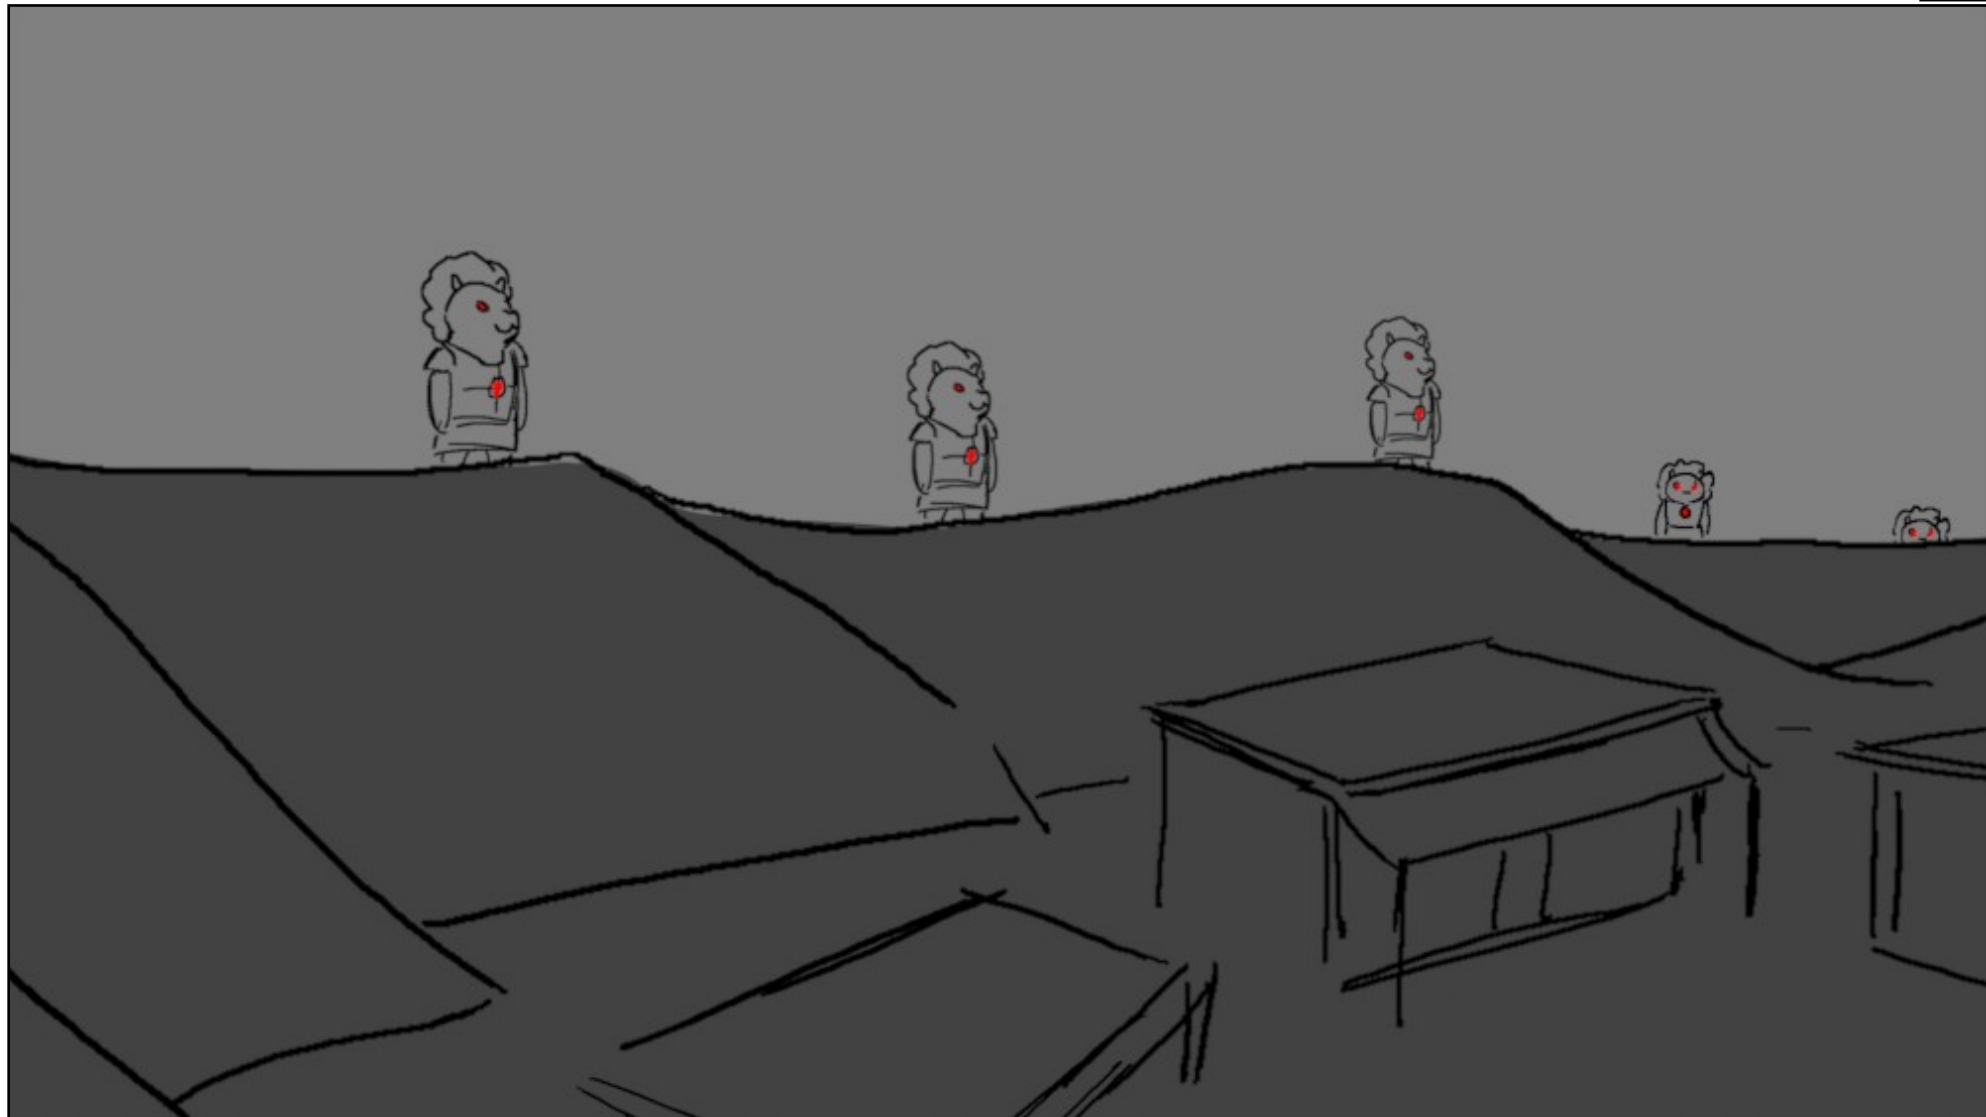

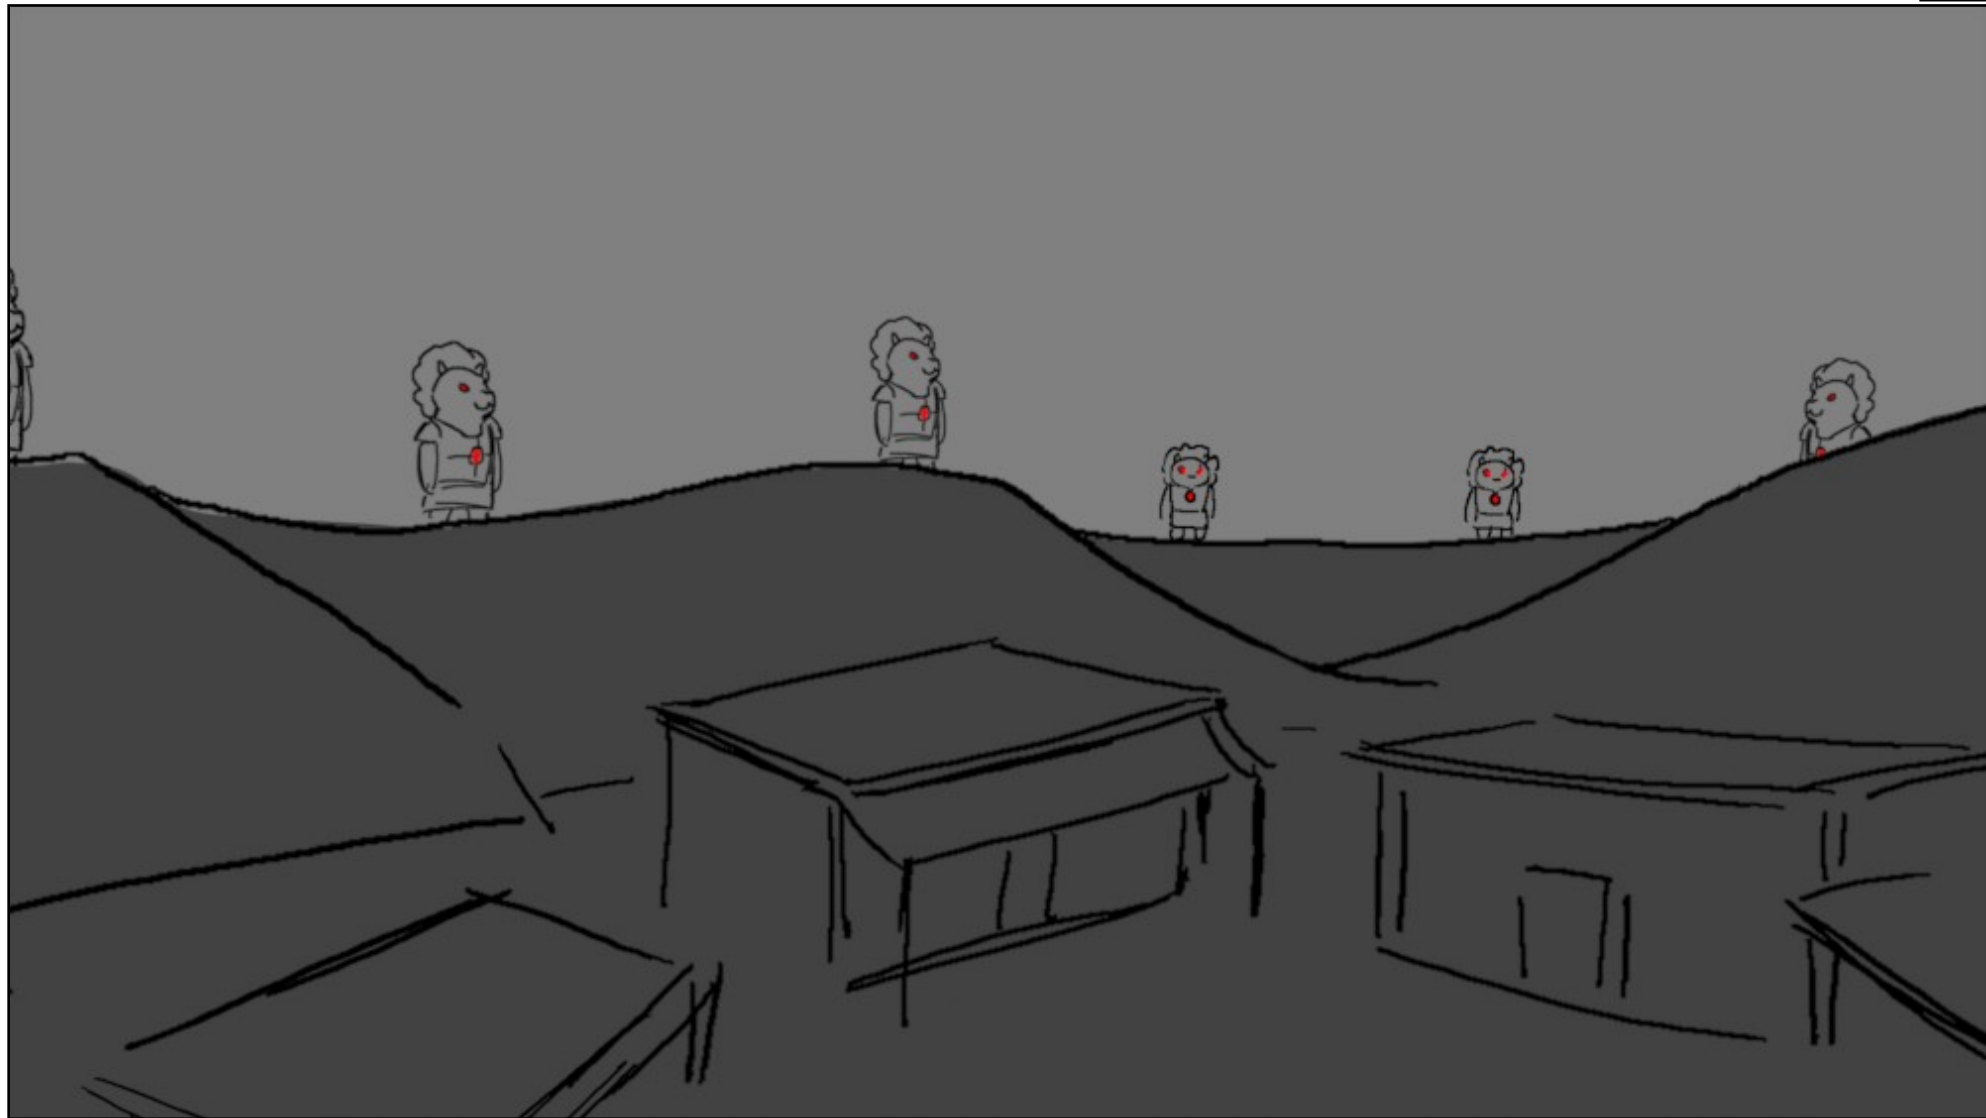

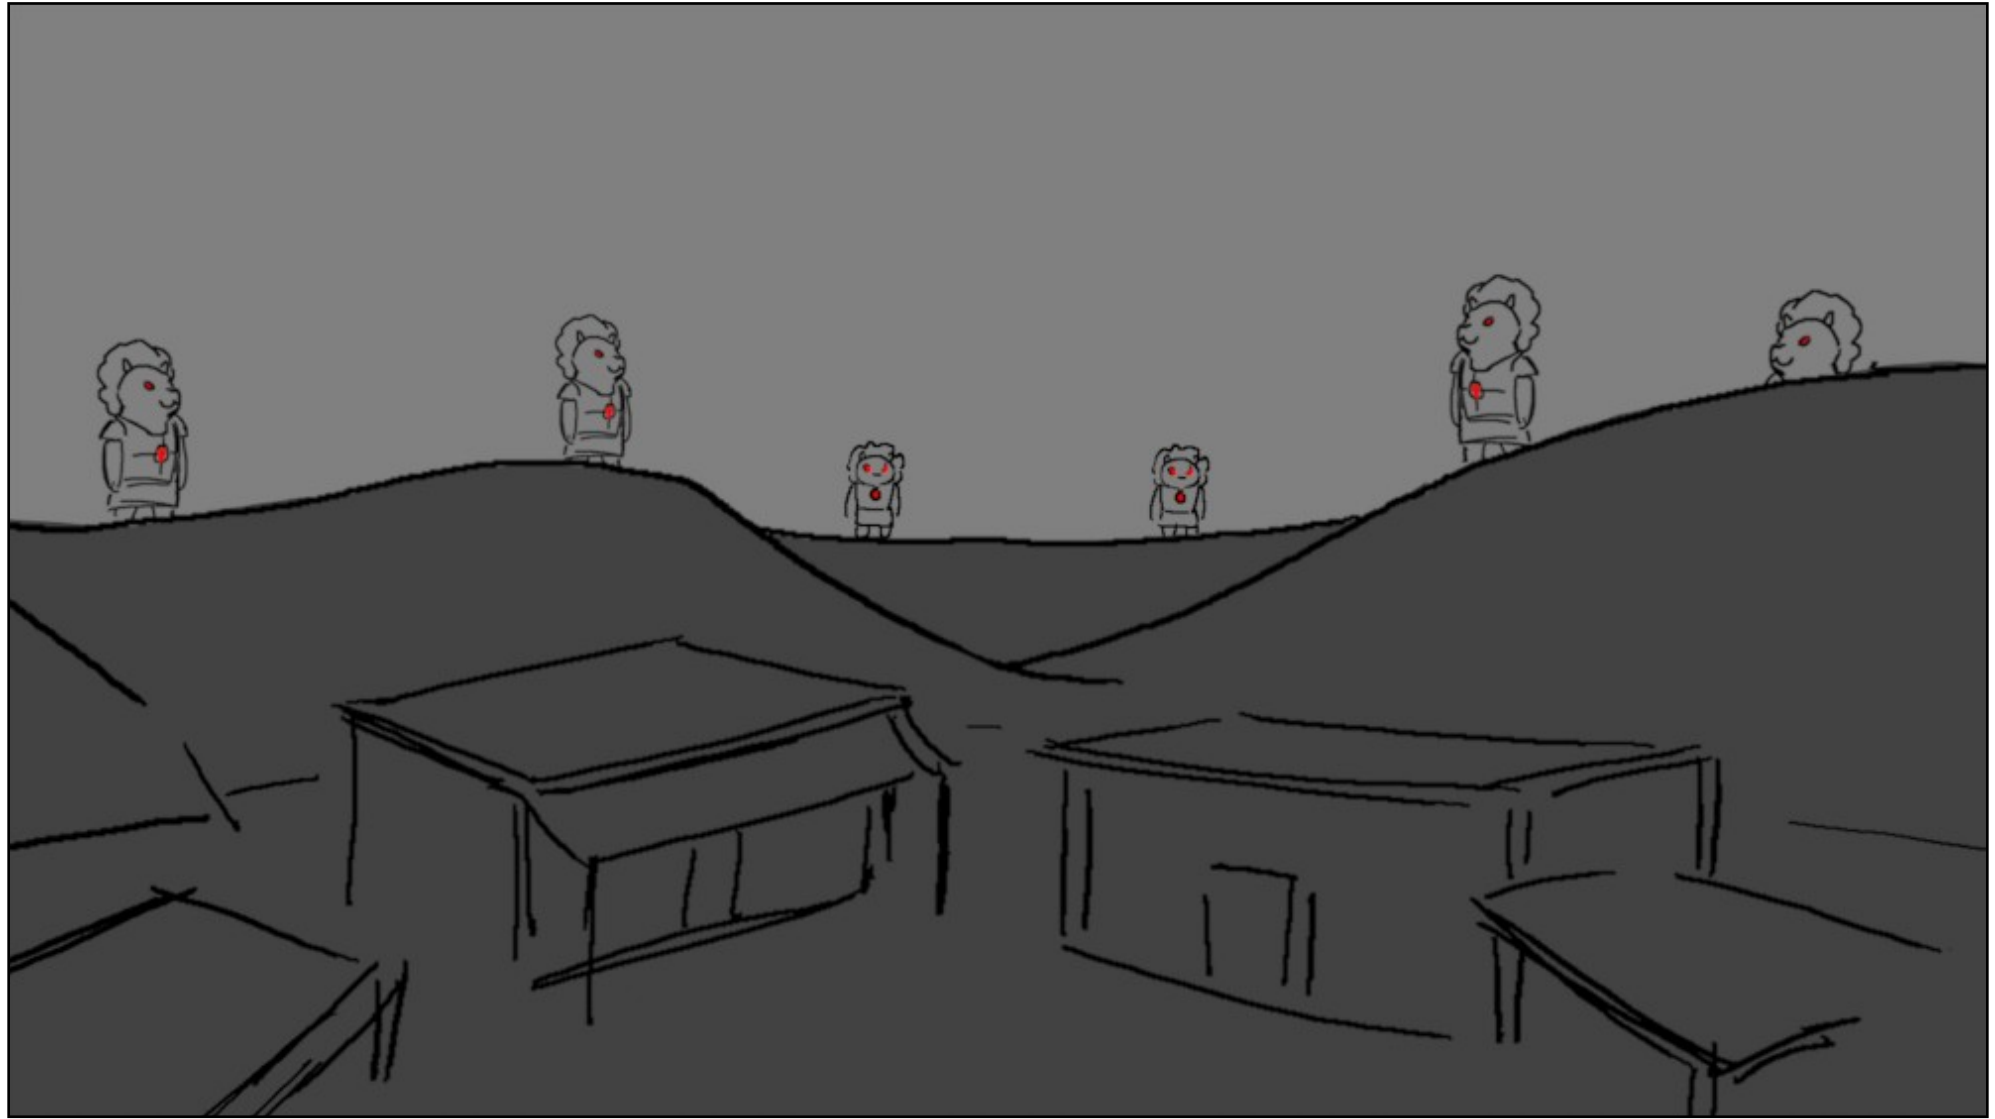

0078-5
XIAO (CONT'D)
133 Are those the--

0081-5
XIAO (CONT'D)
133 Are those the--

0266-3
XIAO (CONT'D)
133 Are those the--

0082-5

XIAO (CONT'D)

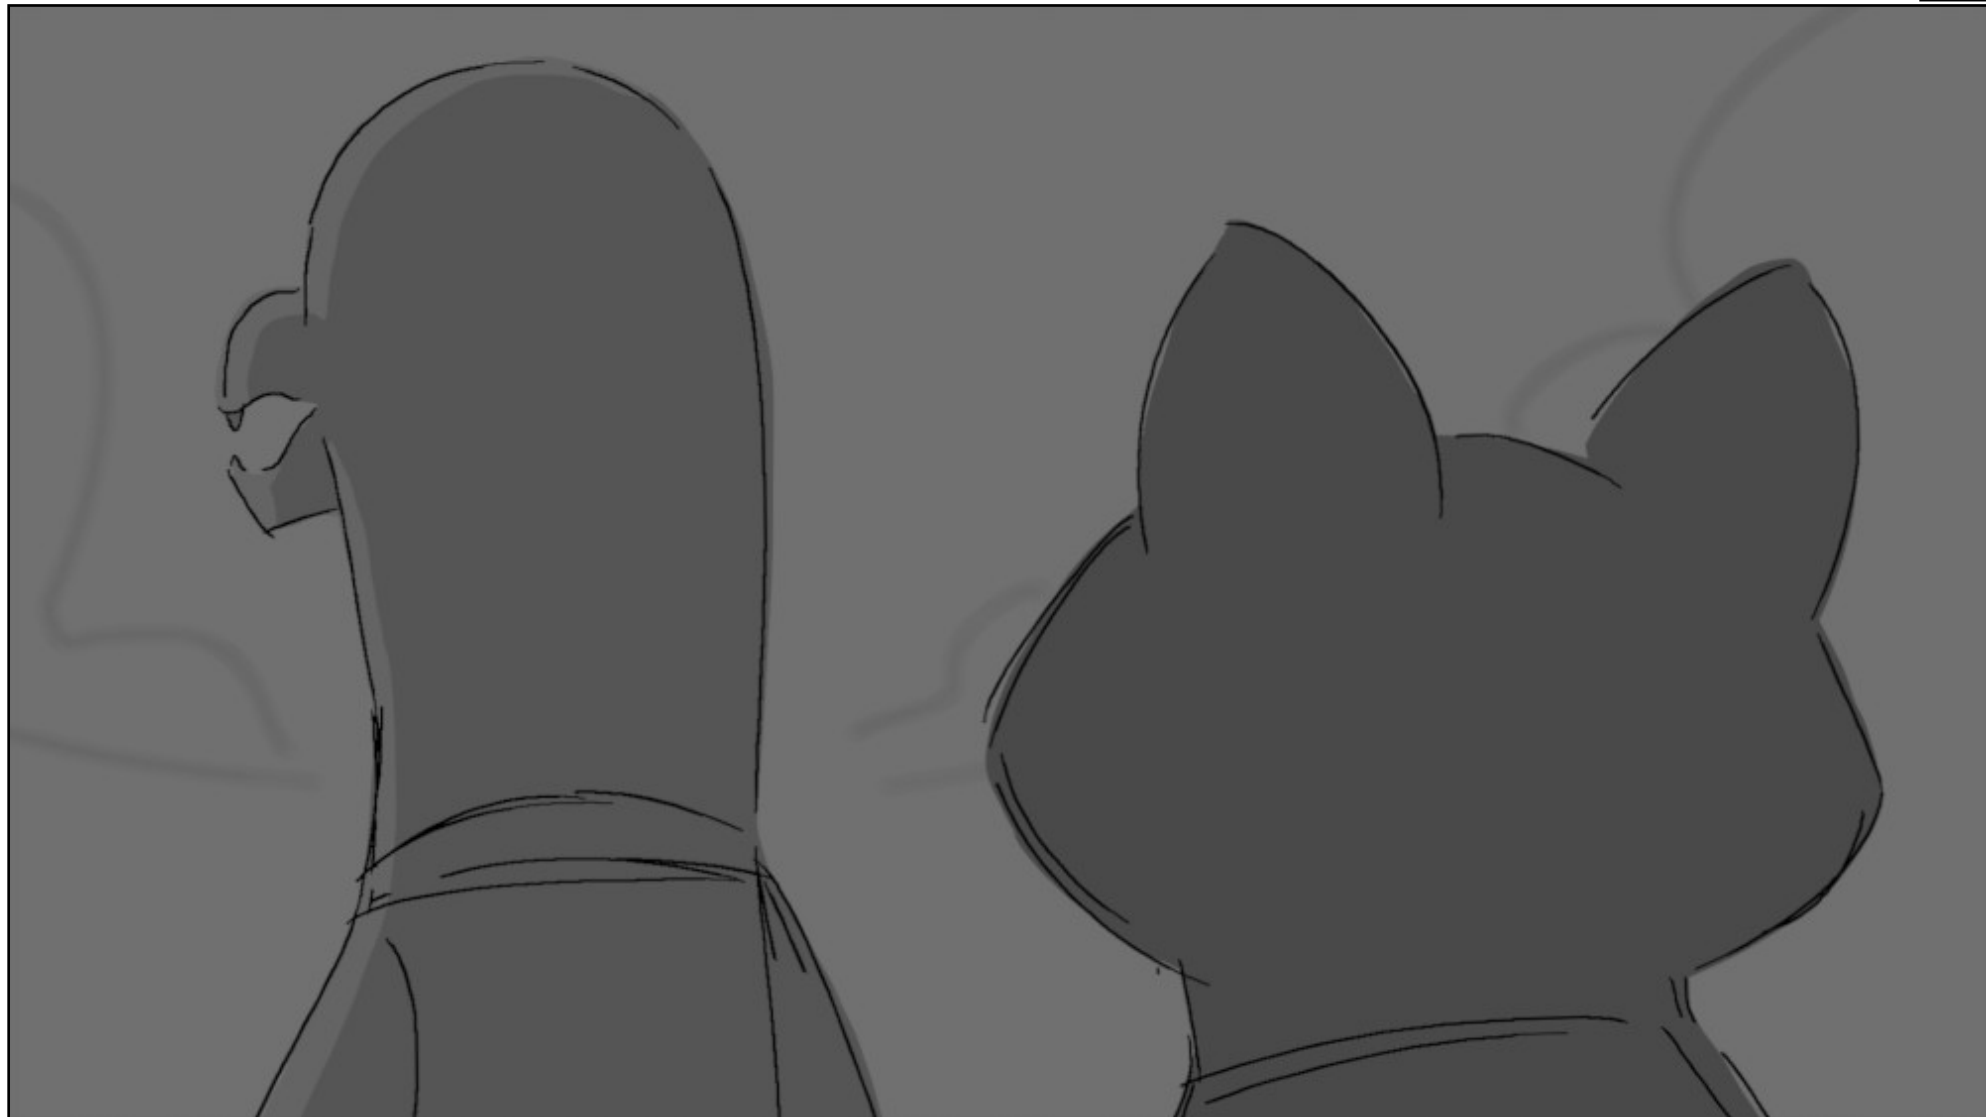

133 You said the soldiers were to protect father in the afterlife!

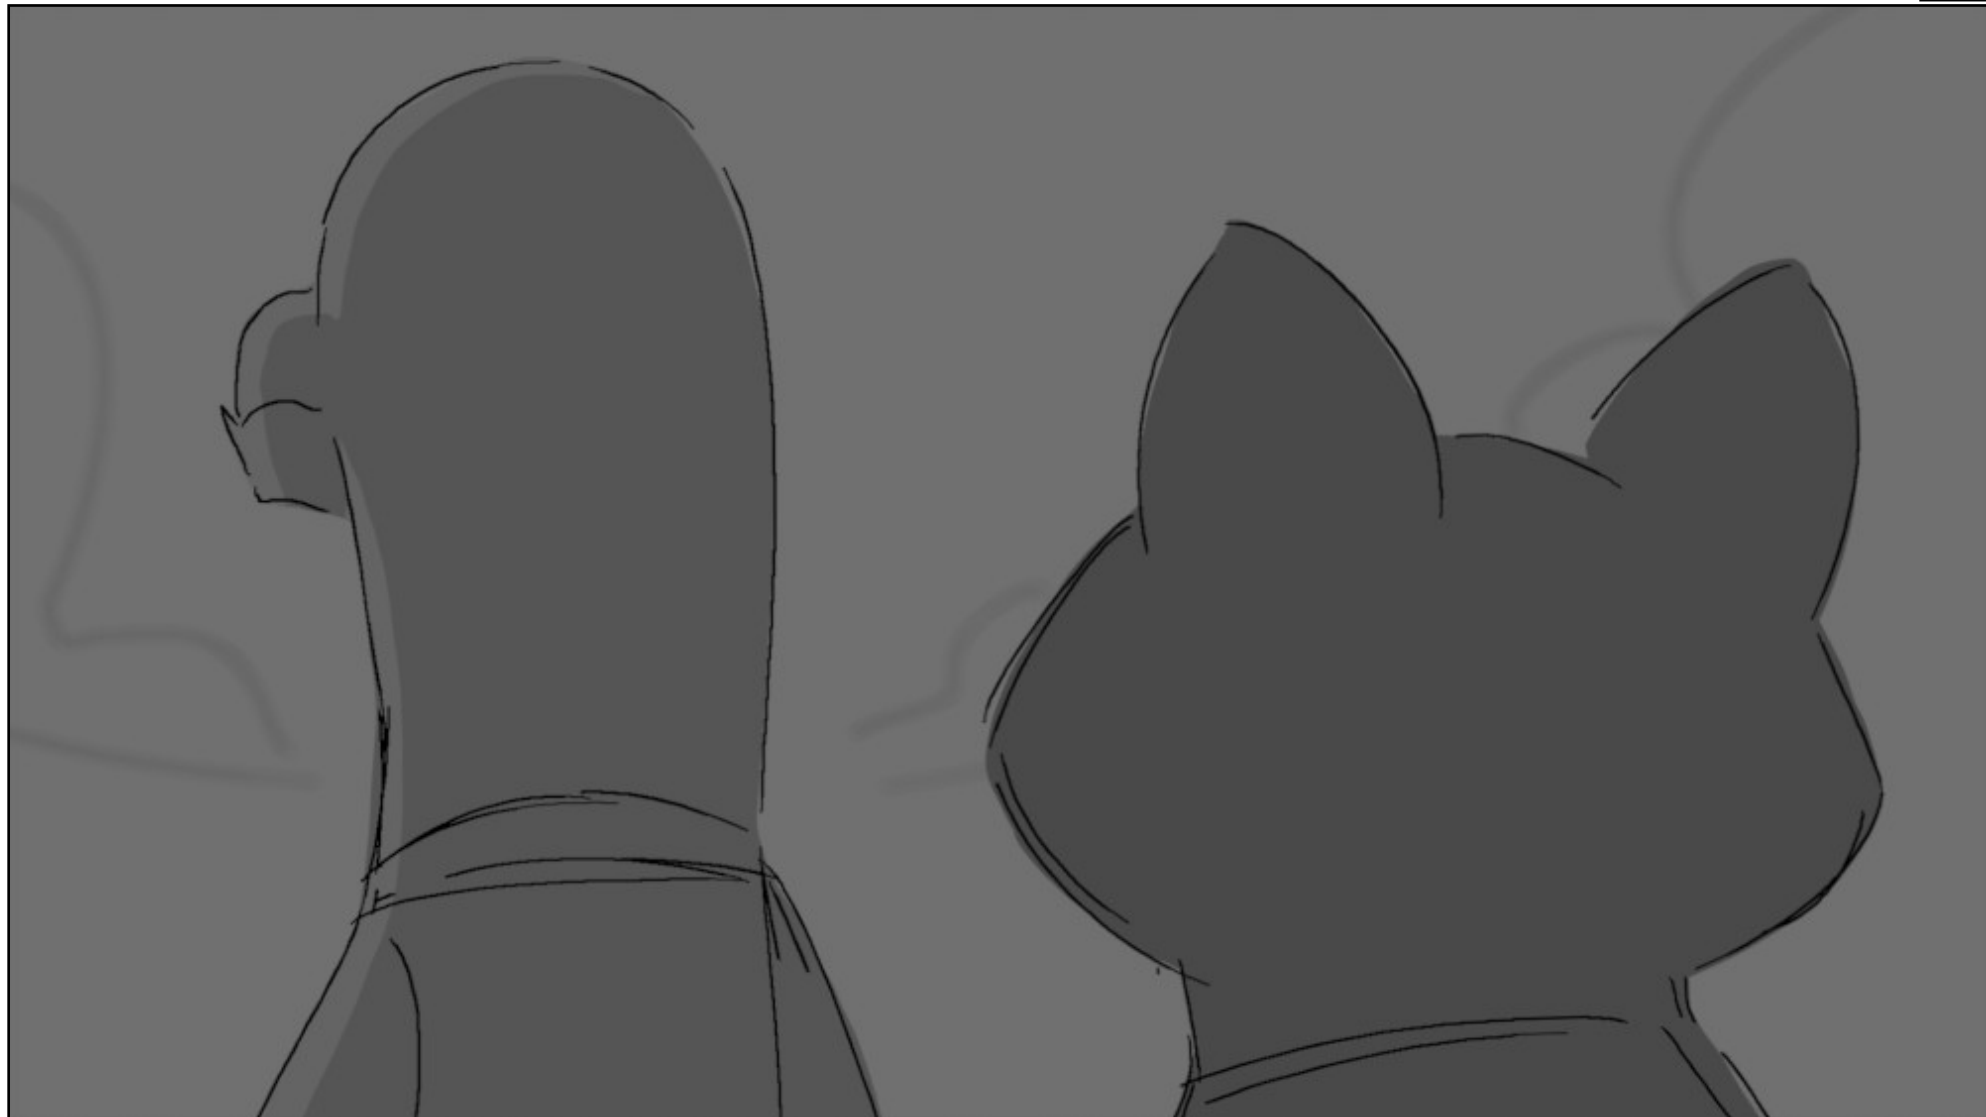

0083-6

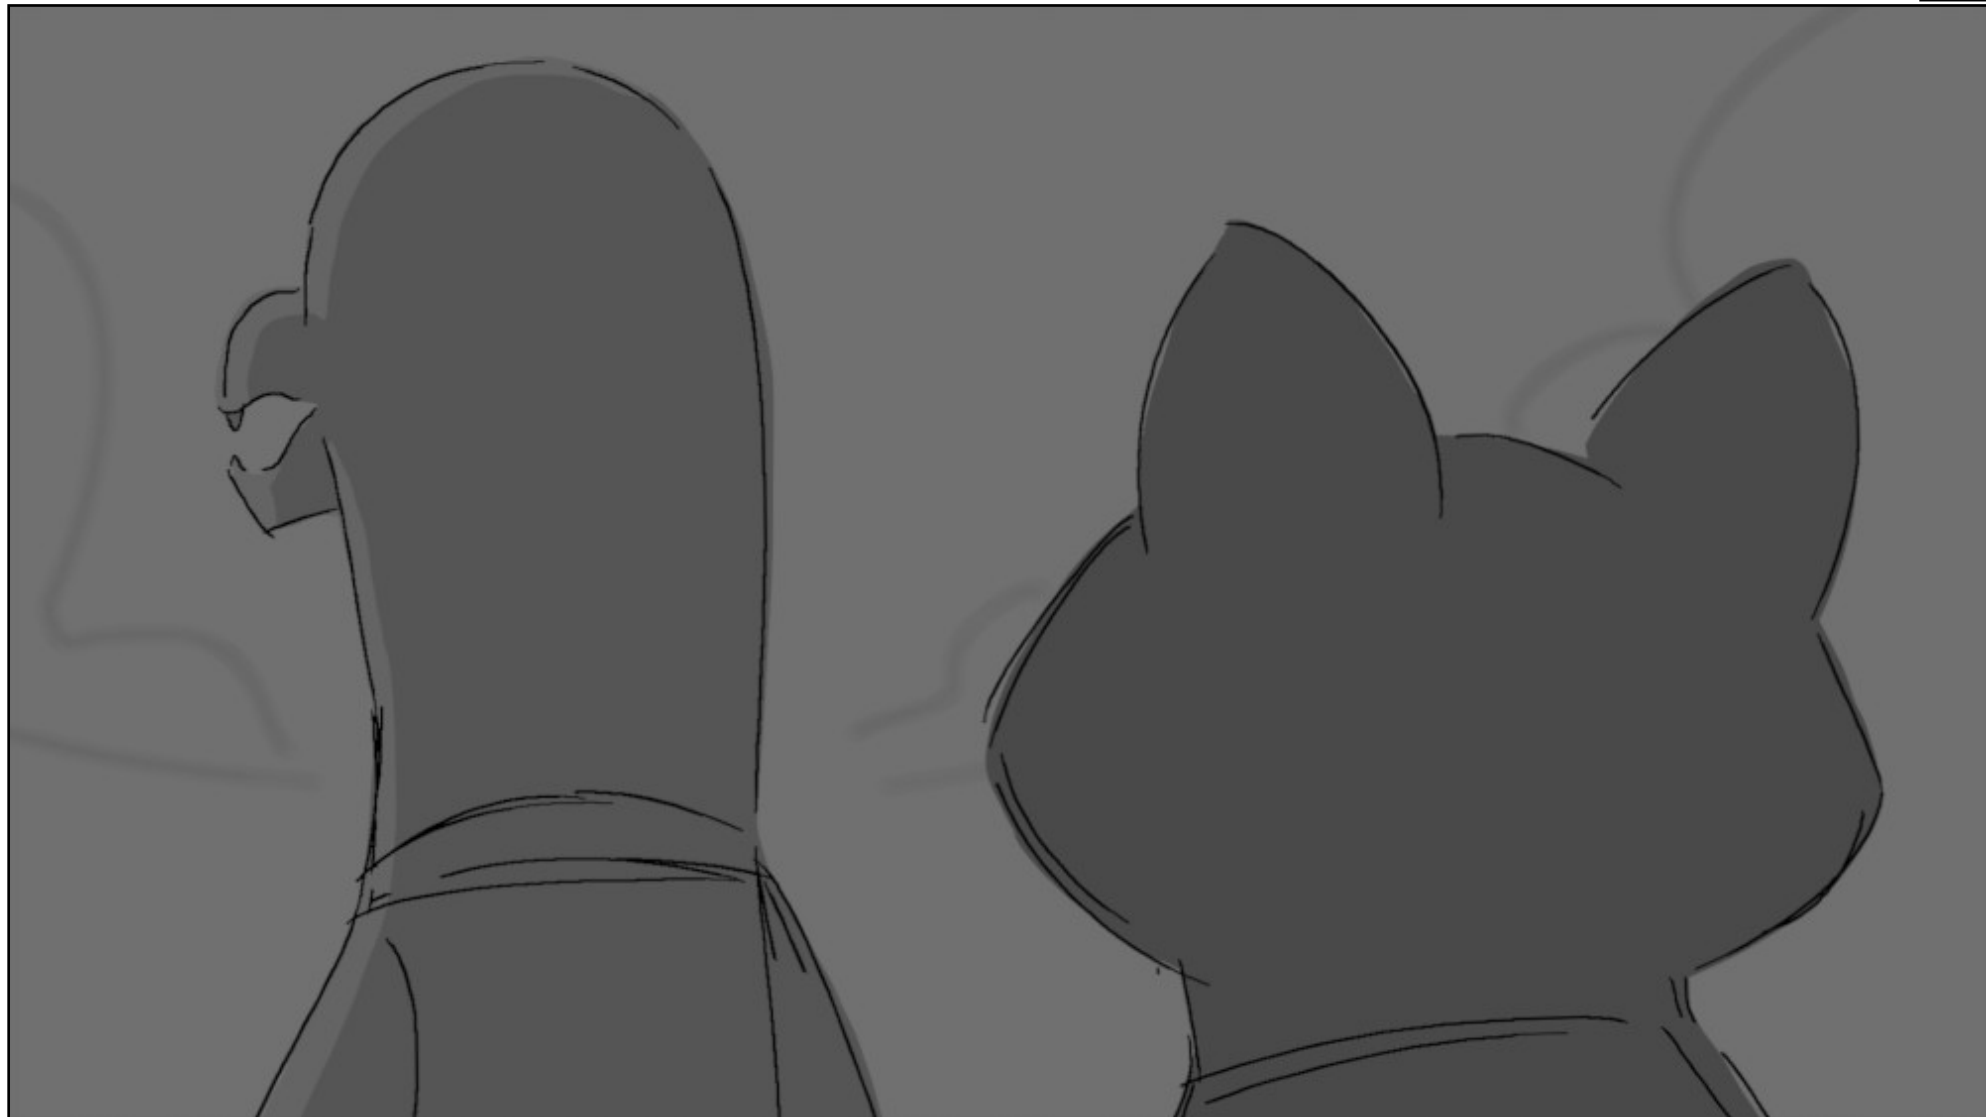

XIAO (CONT'D)

133 You said the soldiers were to protect father in the afterlife!

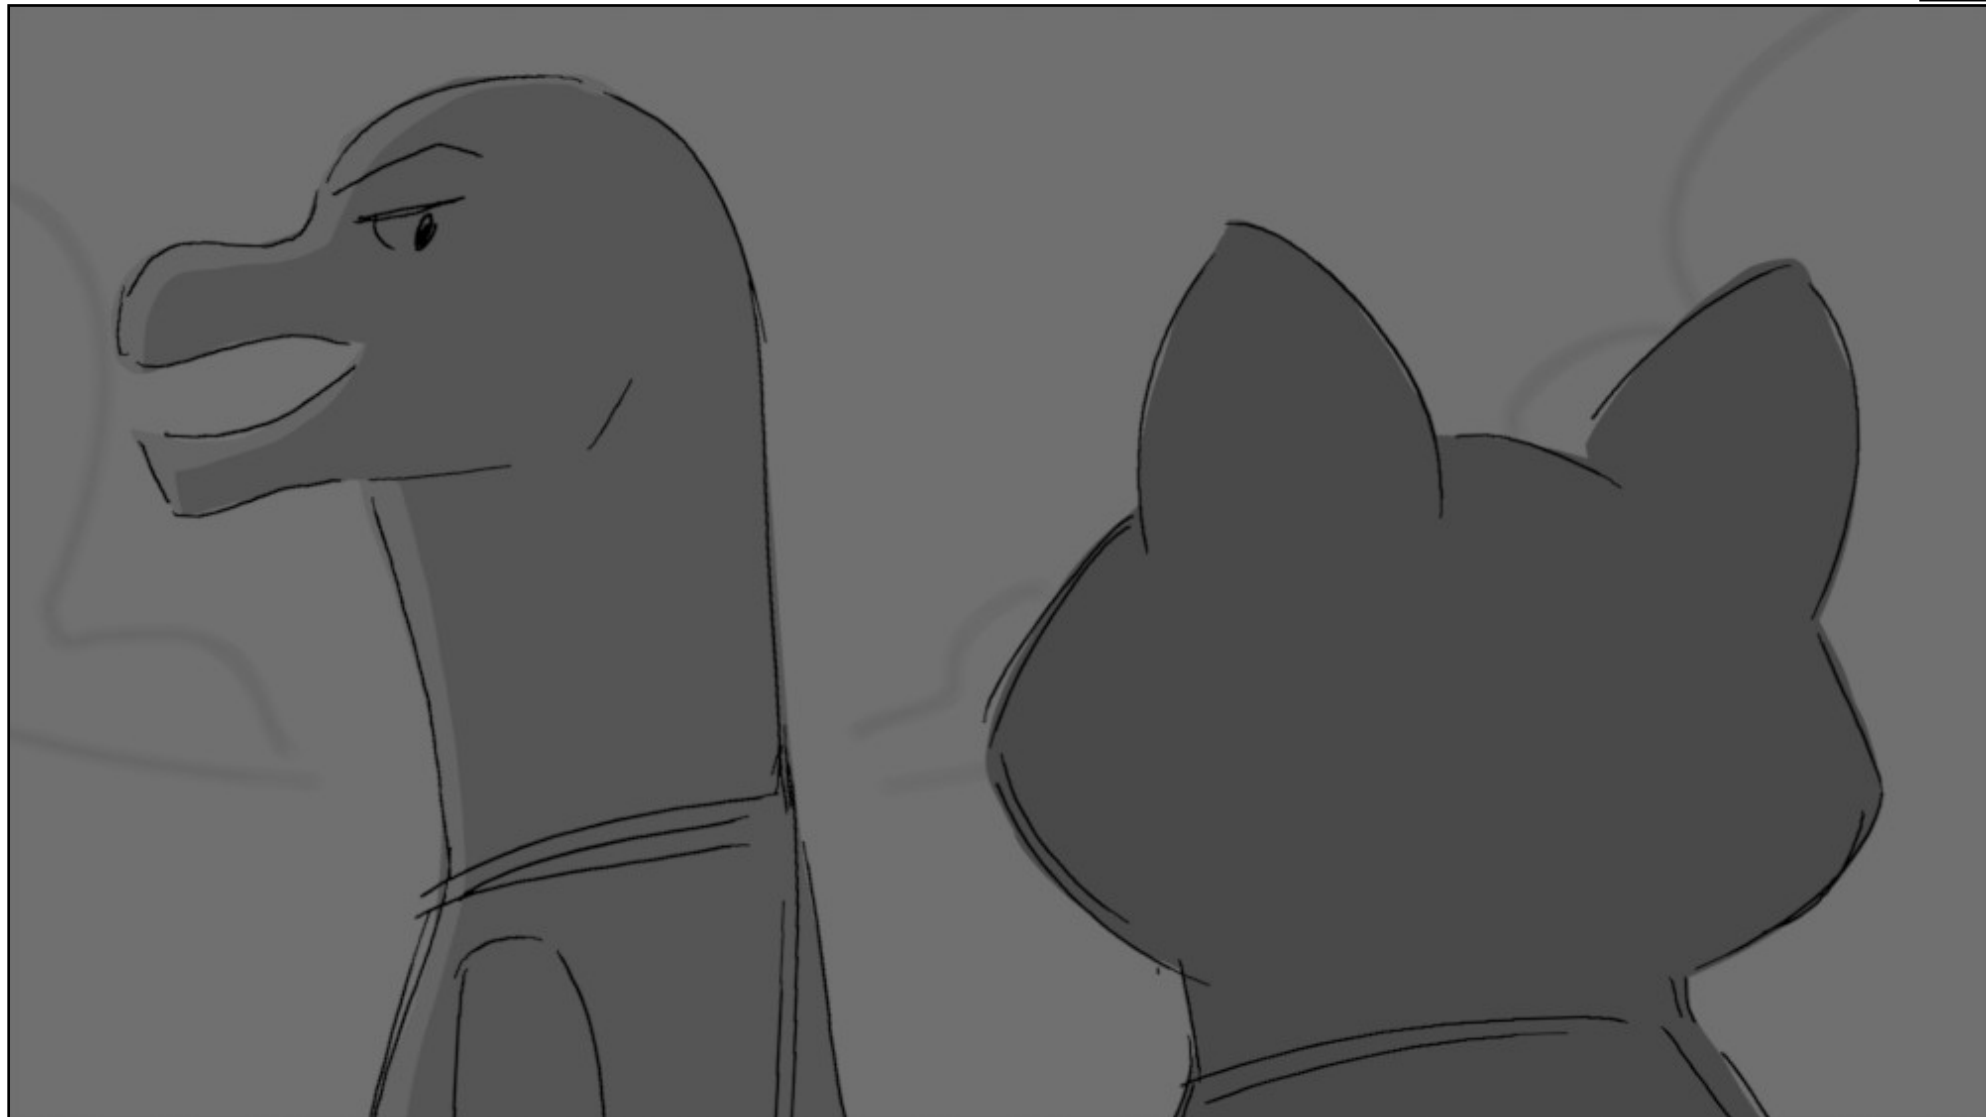

0248
SHI LONG
134 I did, didn't I?

0092-2
SHI LONG

135 I want you to abdicate the throne.

0009-4
SHI LONG
135 To me.

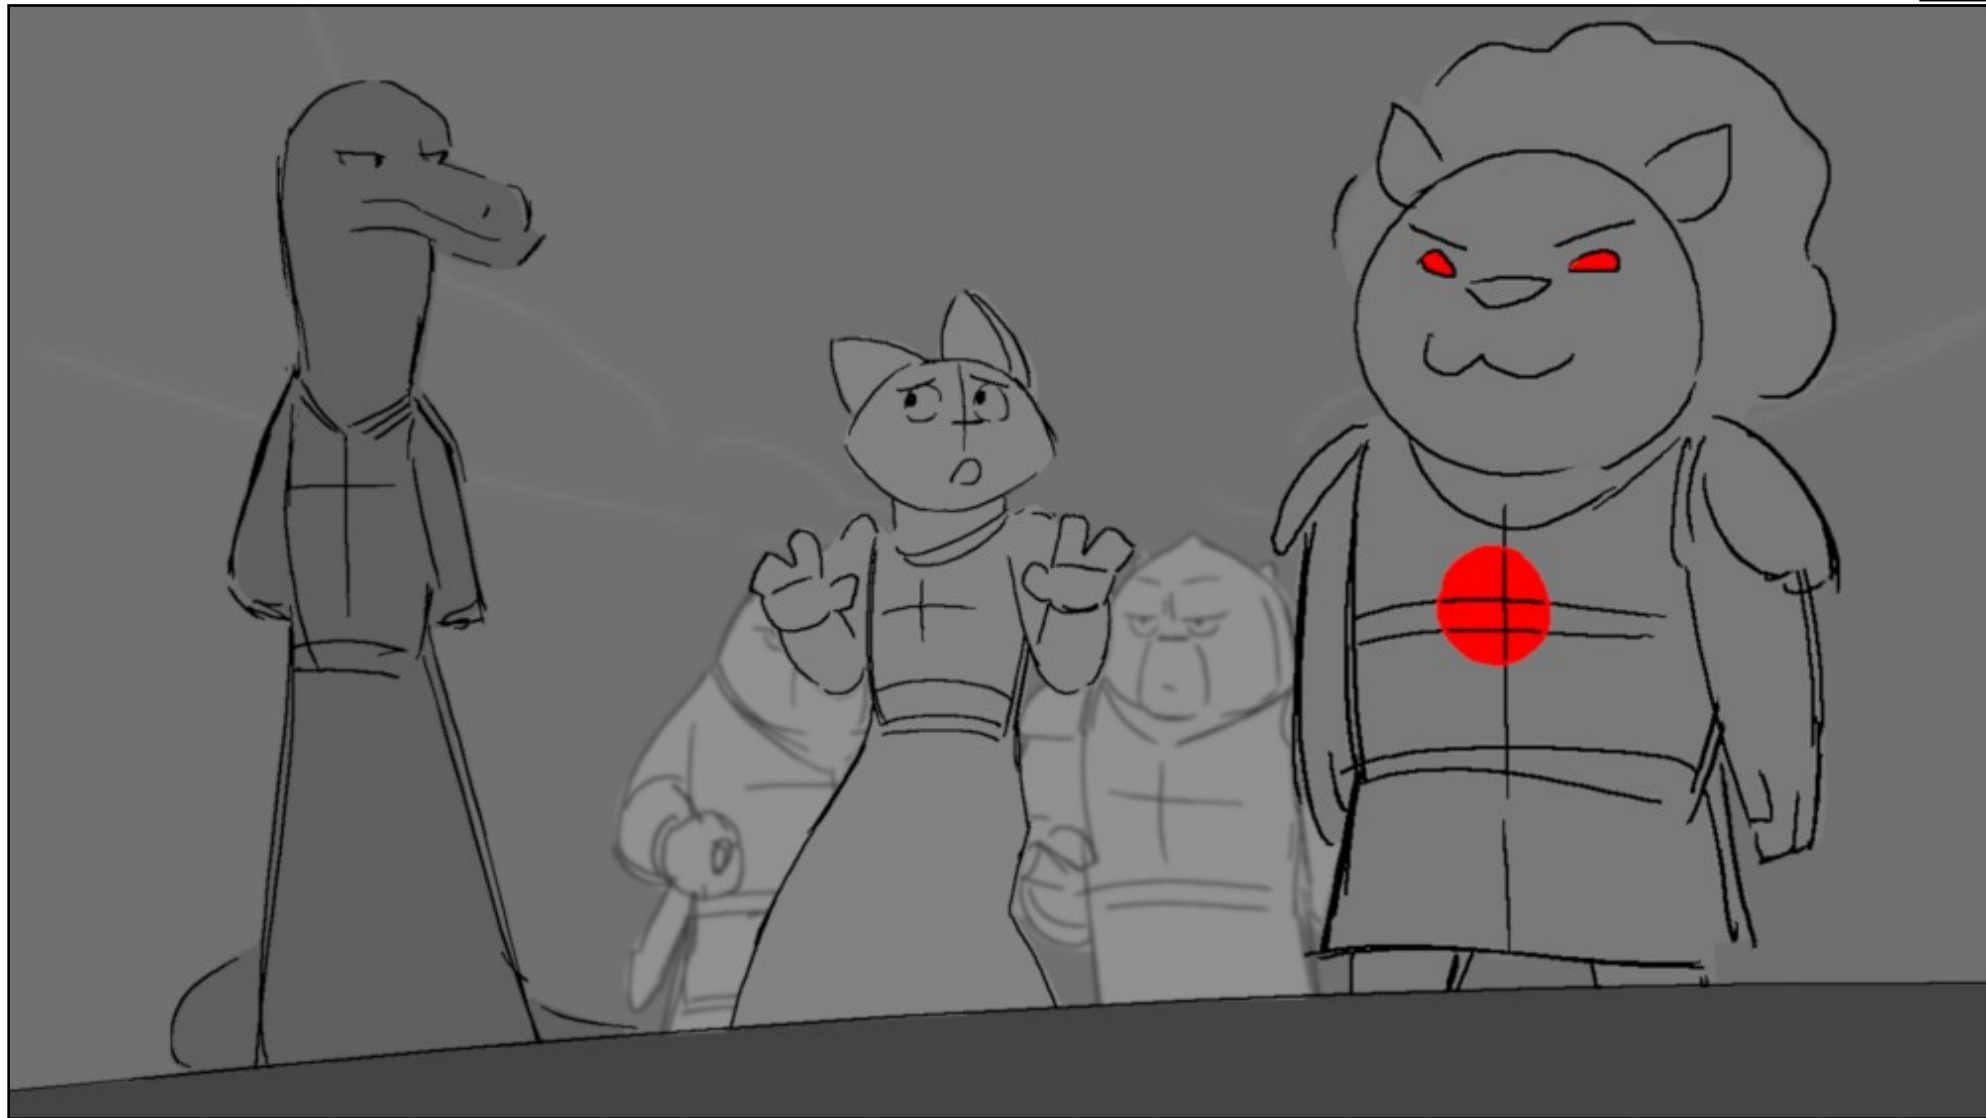

0093-8
XIAO
136 What? You...? No!

0096-8
XIAO
136 What? You...? No!

0097-8
XIAO
136 What? You...? No!

0098-8
XIAO
136 What? You...? No!

0099-6
SHI LONG
137 You should say "yes."

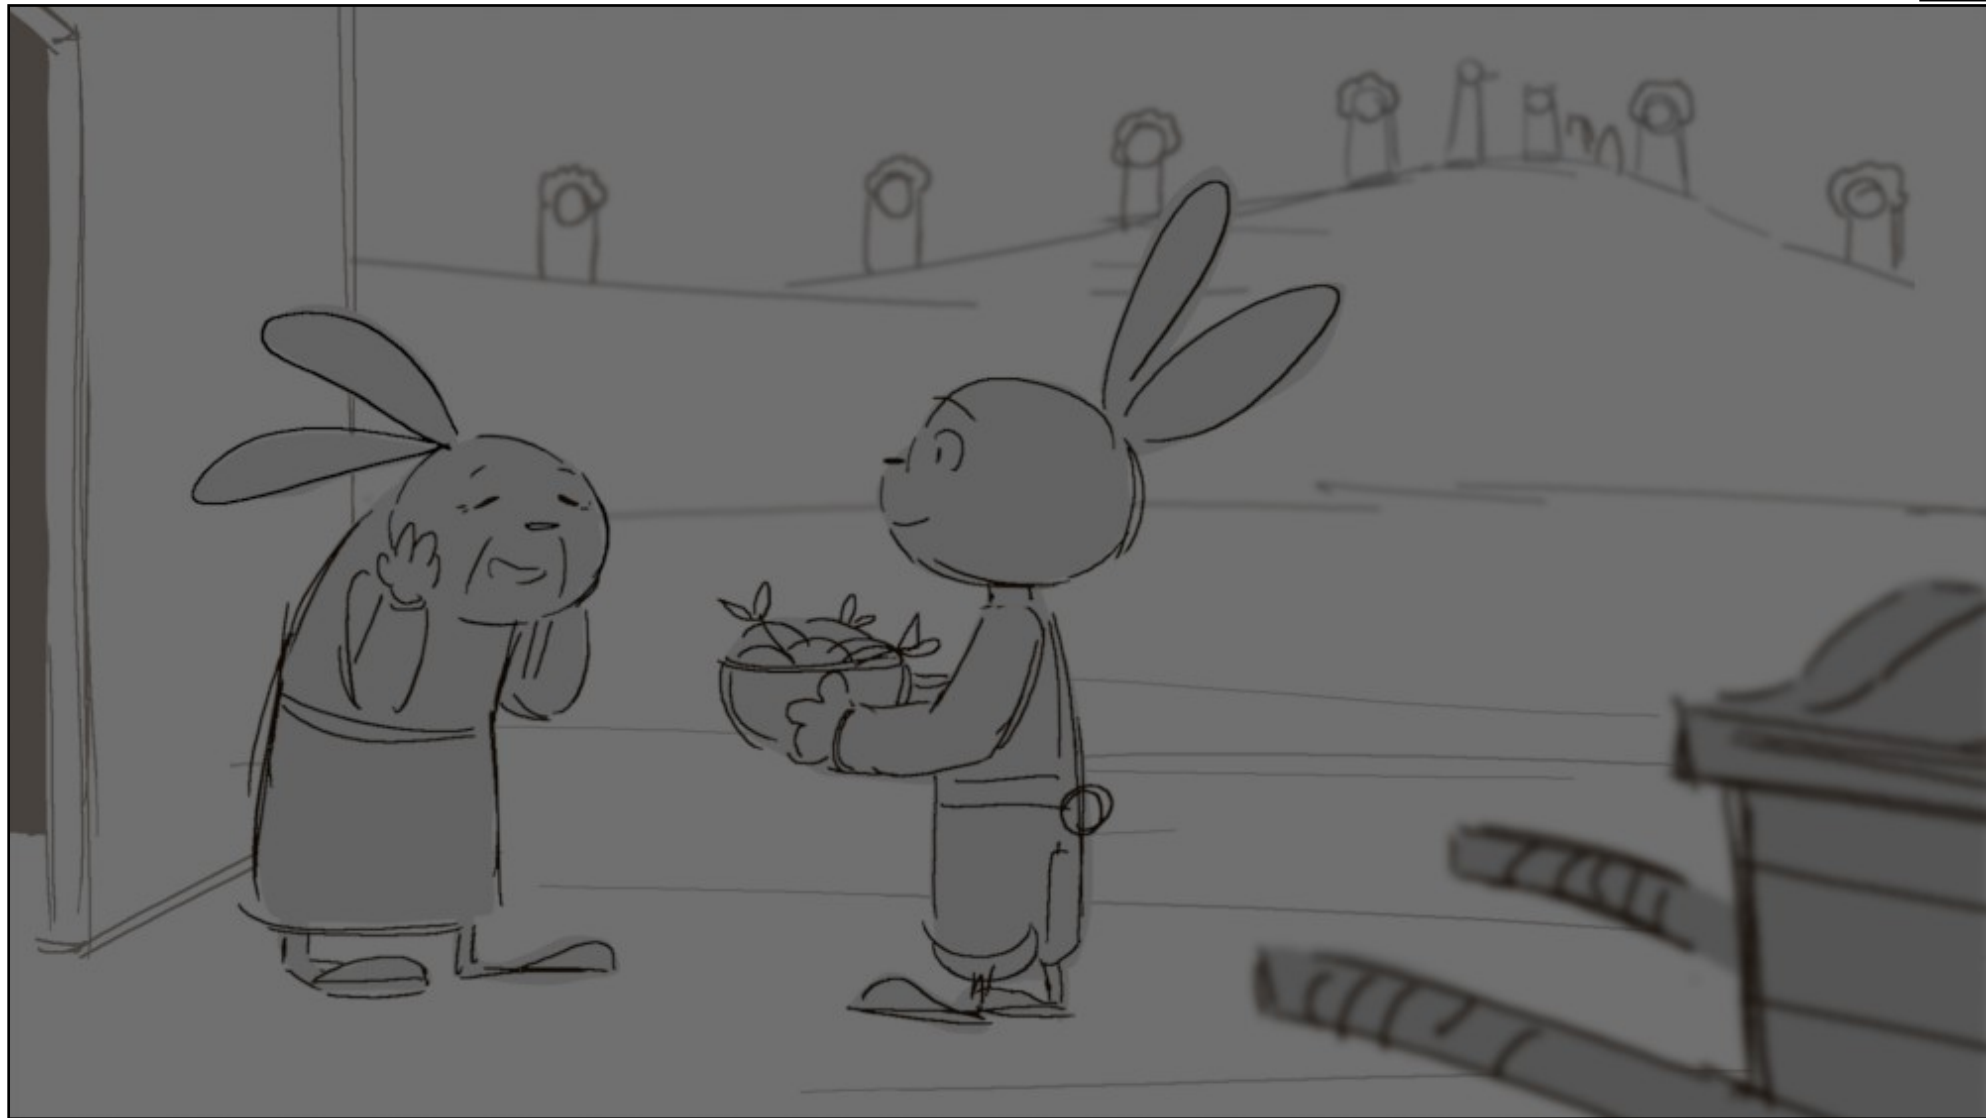

0100-6

XIAO

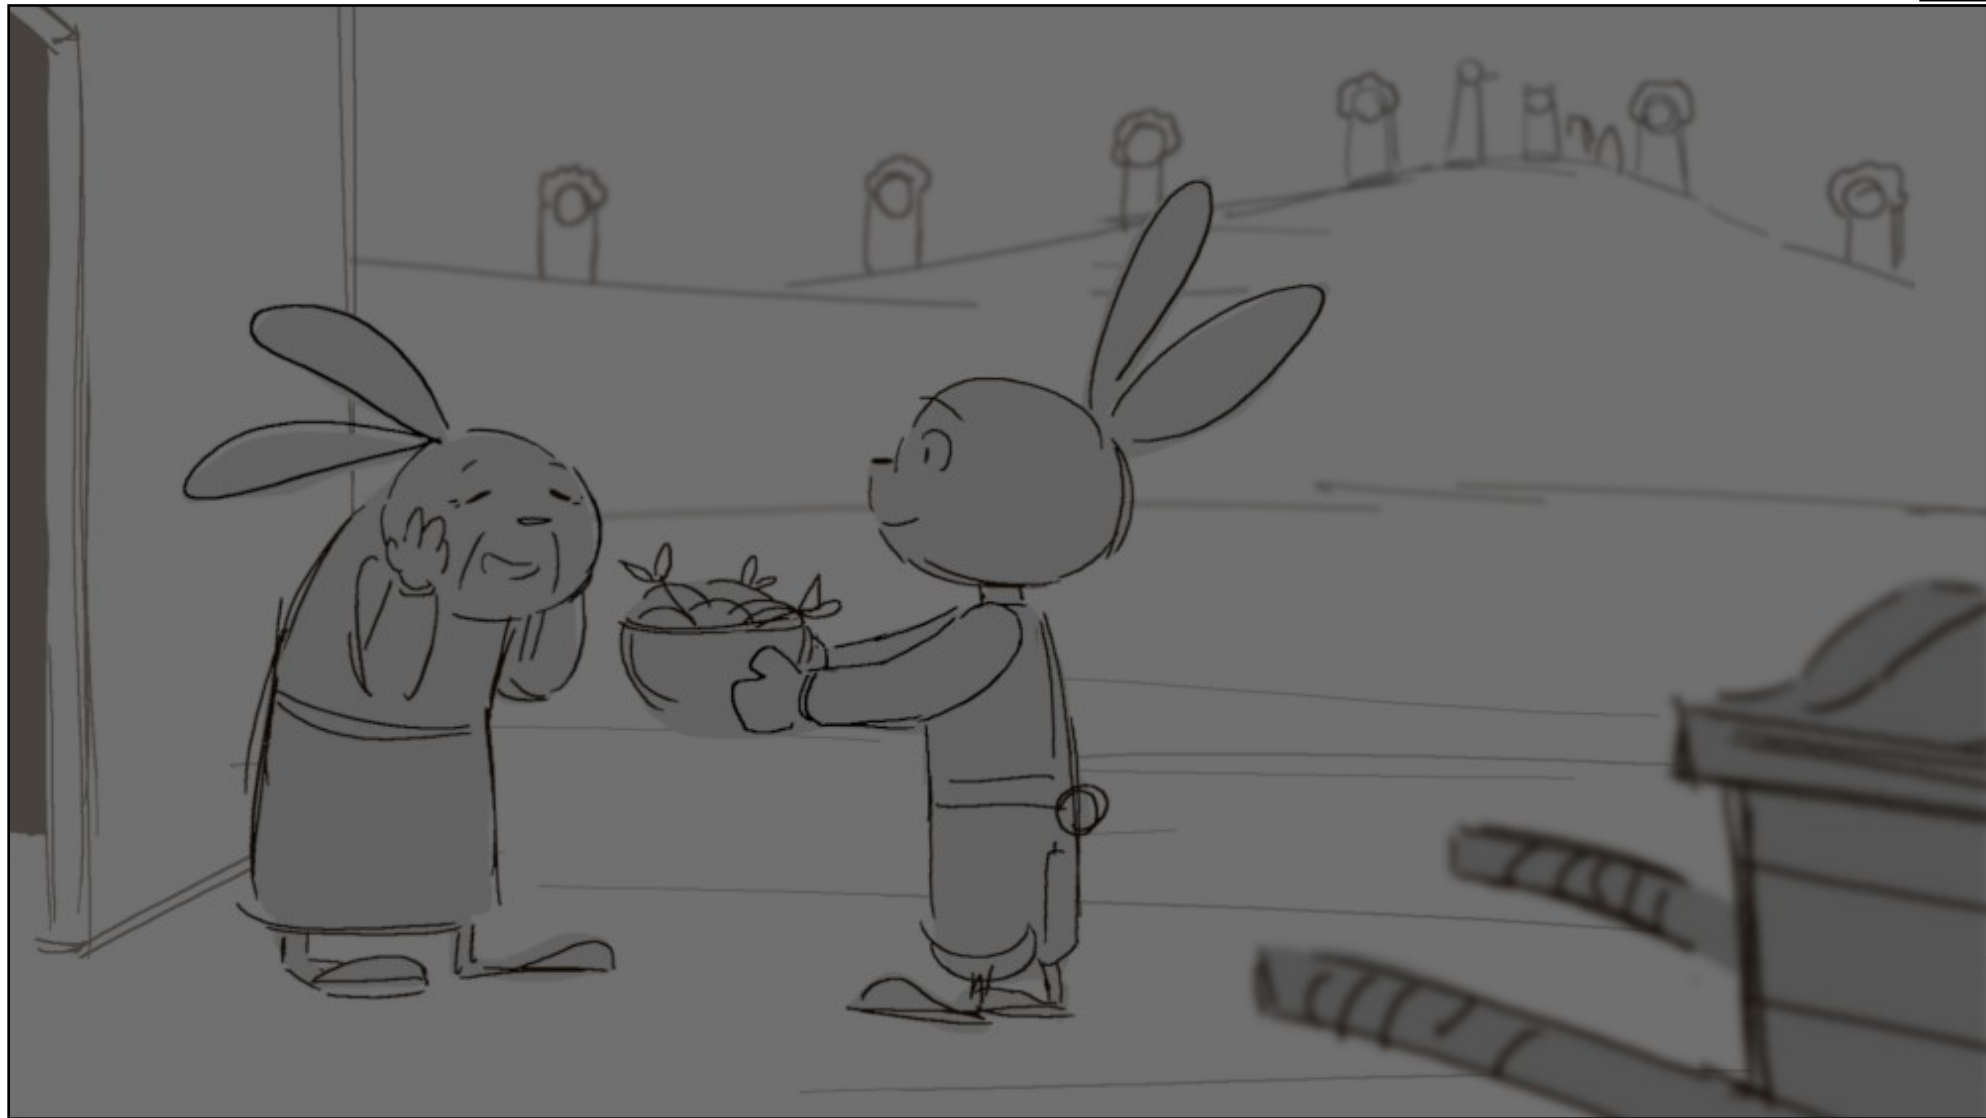

138 And why would I do that?

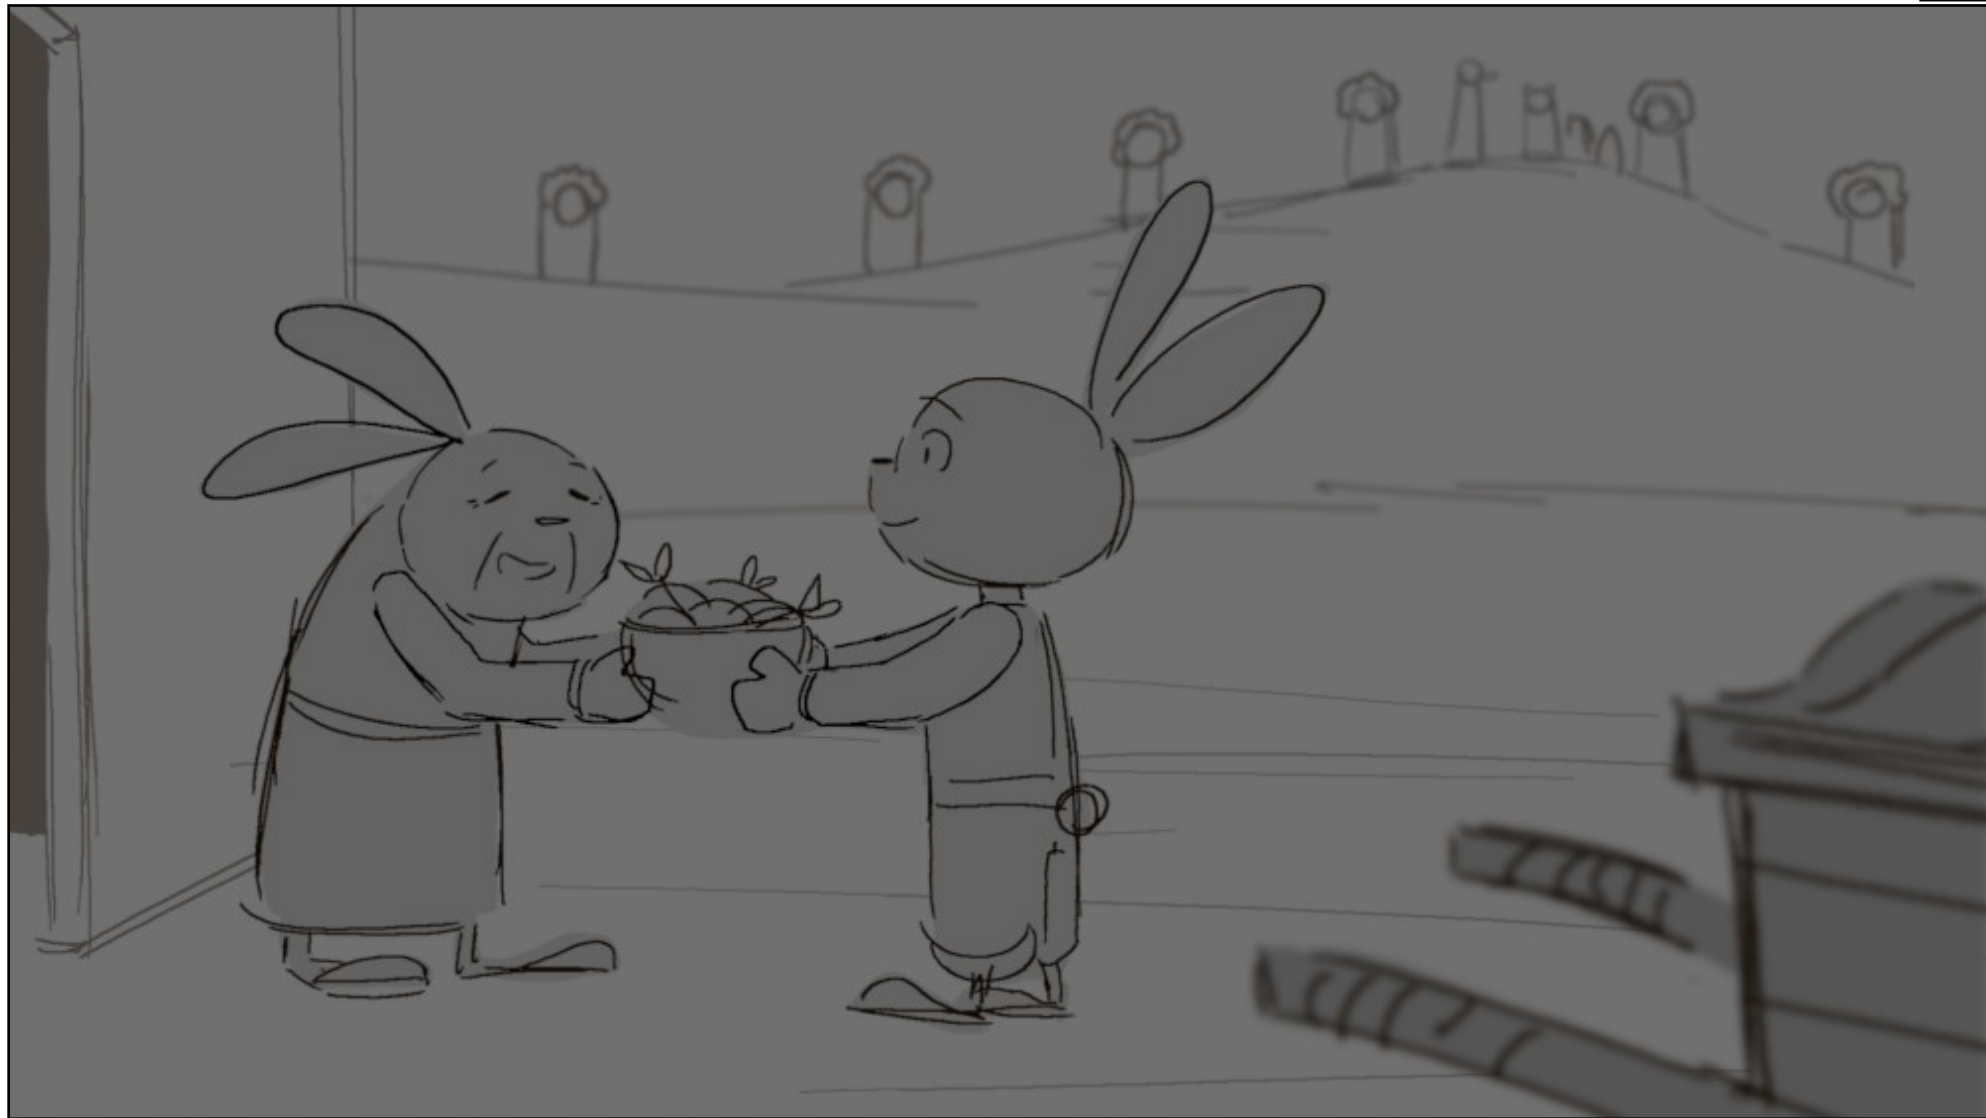

0101-7
SHI LONG
139 To save this village, of course.

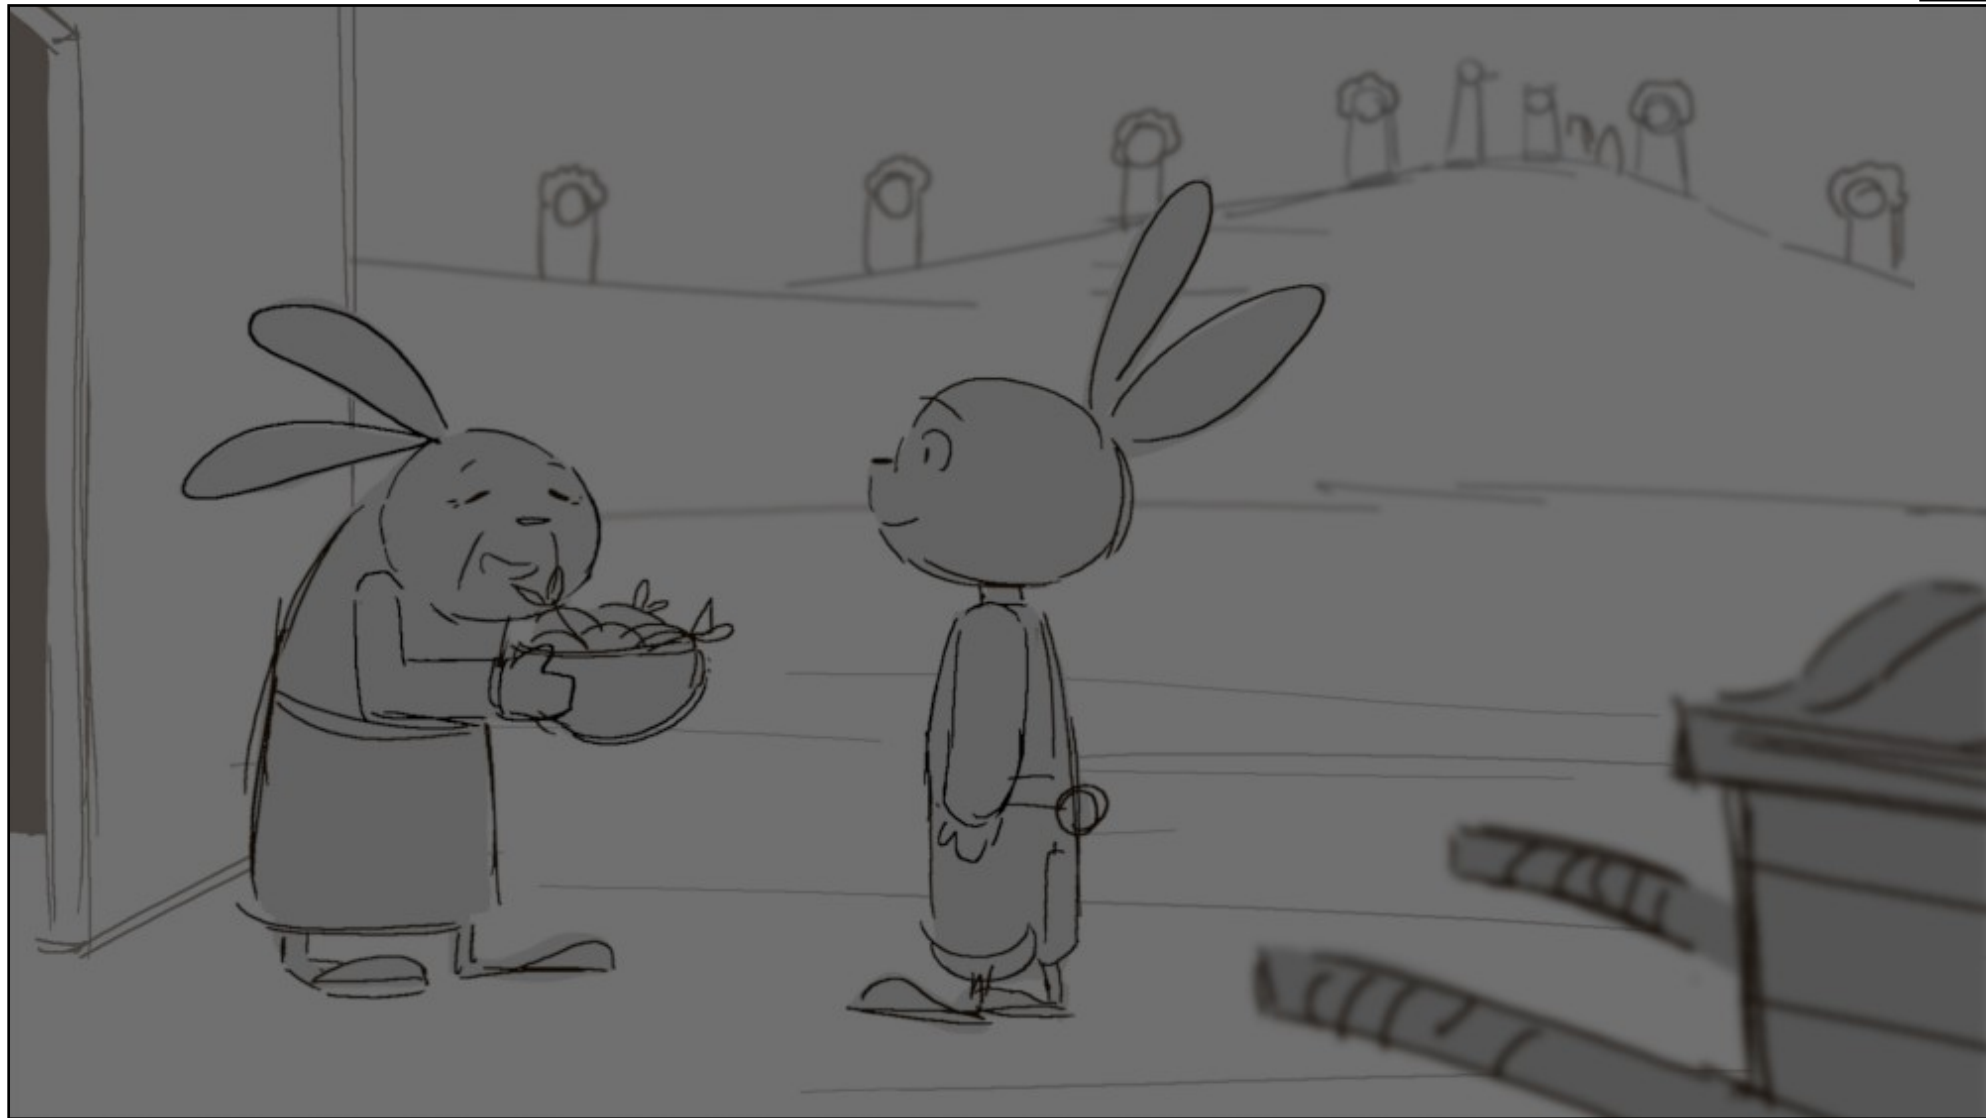

0011-5
XIAO
140 You can't--
SHI LONG
141 Who will stop me?

0102-3
XIAO
140 You can't--
SHI LONG
141 Who will stop me?

0103-3
XIAO
140 You can't--
SHI LONG
141 Who will stop me?

0227
XIAO
140 You can't--
SHI LONG
141 Who will stop me?

0226
SHI LONG
143 Yes, they are,

0012-3
SHI LONG
143 aren't they?

0104-2
SHI LONG
143 And you can save them.

0105-3
SHI LONG
143 And you can save them.

0107
SHI LONG
143 And you can save them.

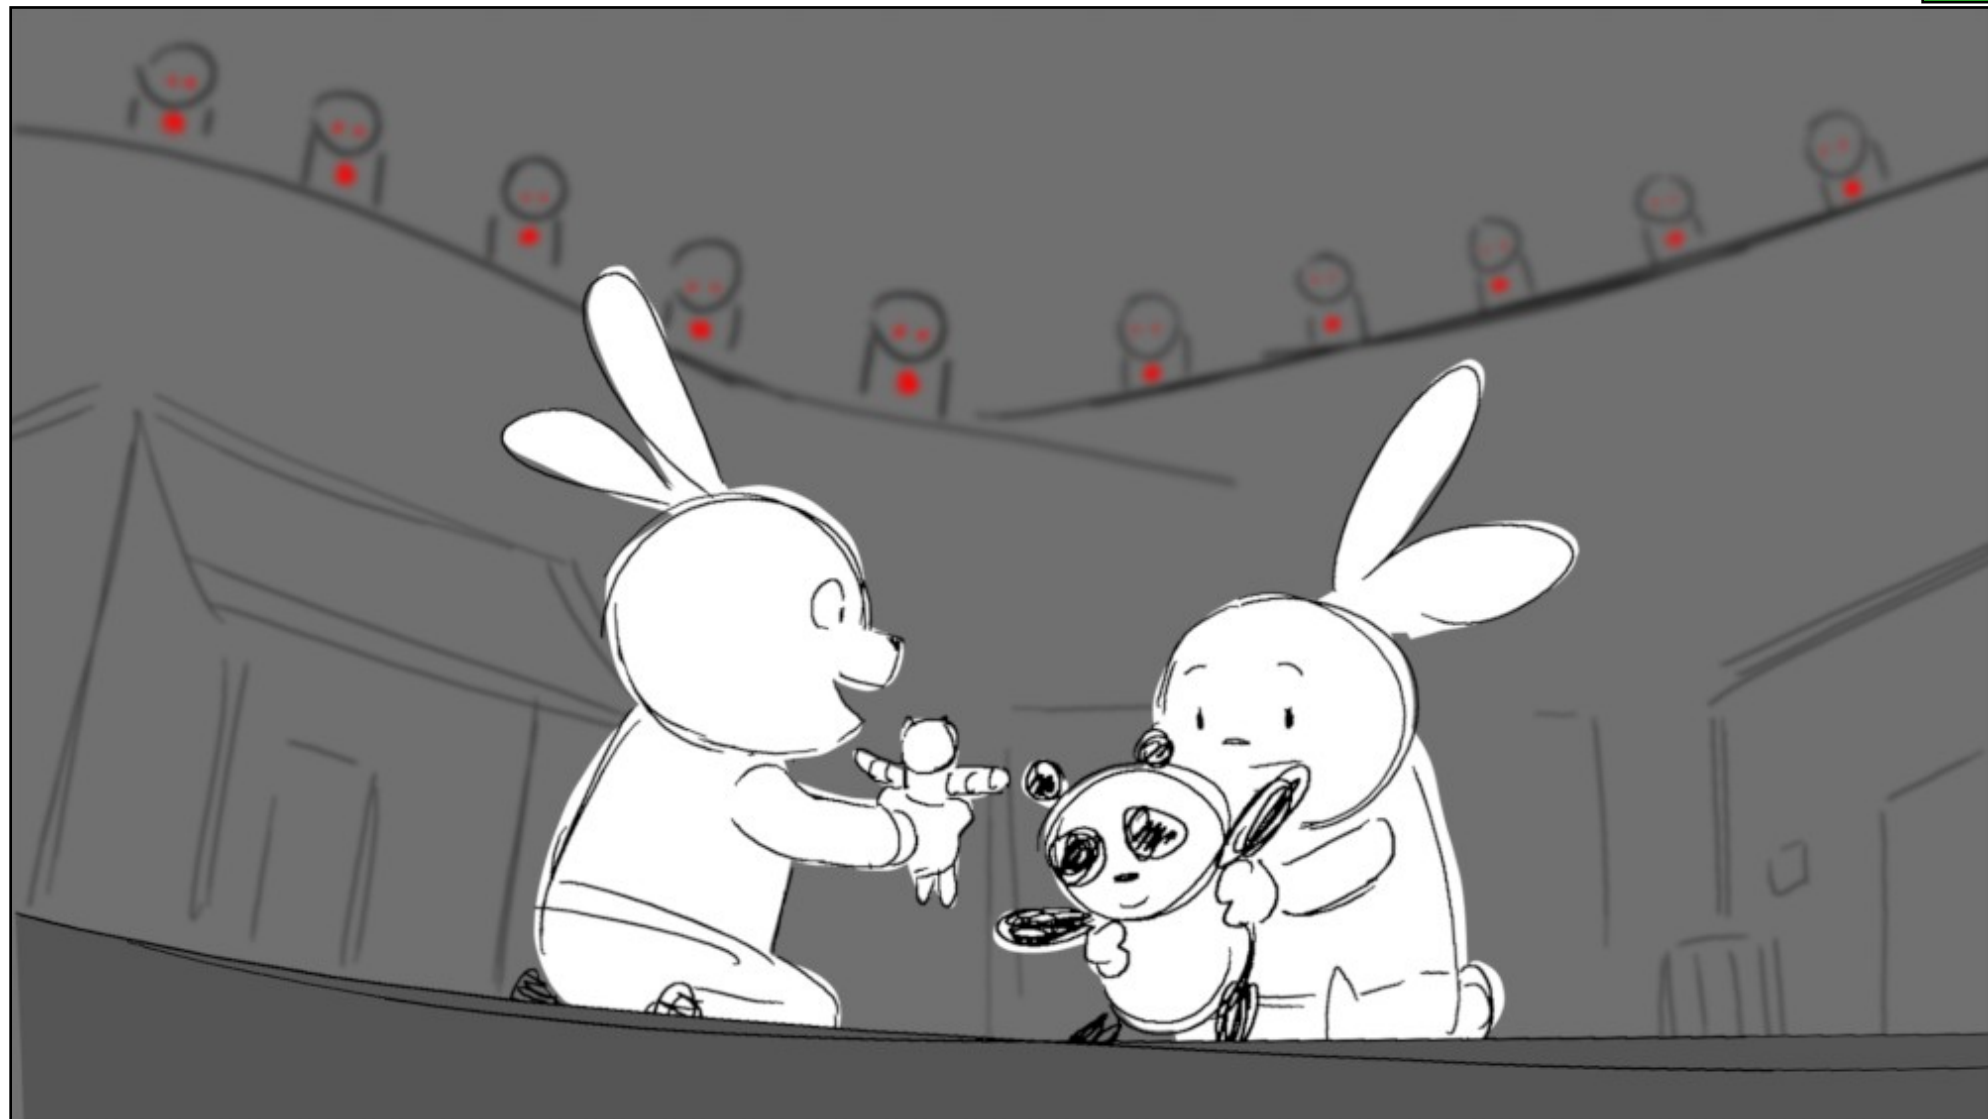

0014-2
SHI LONG

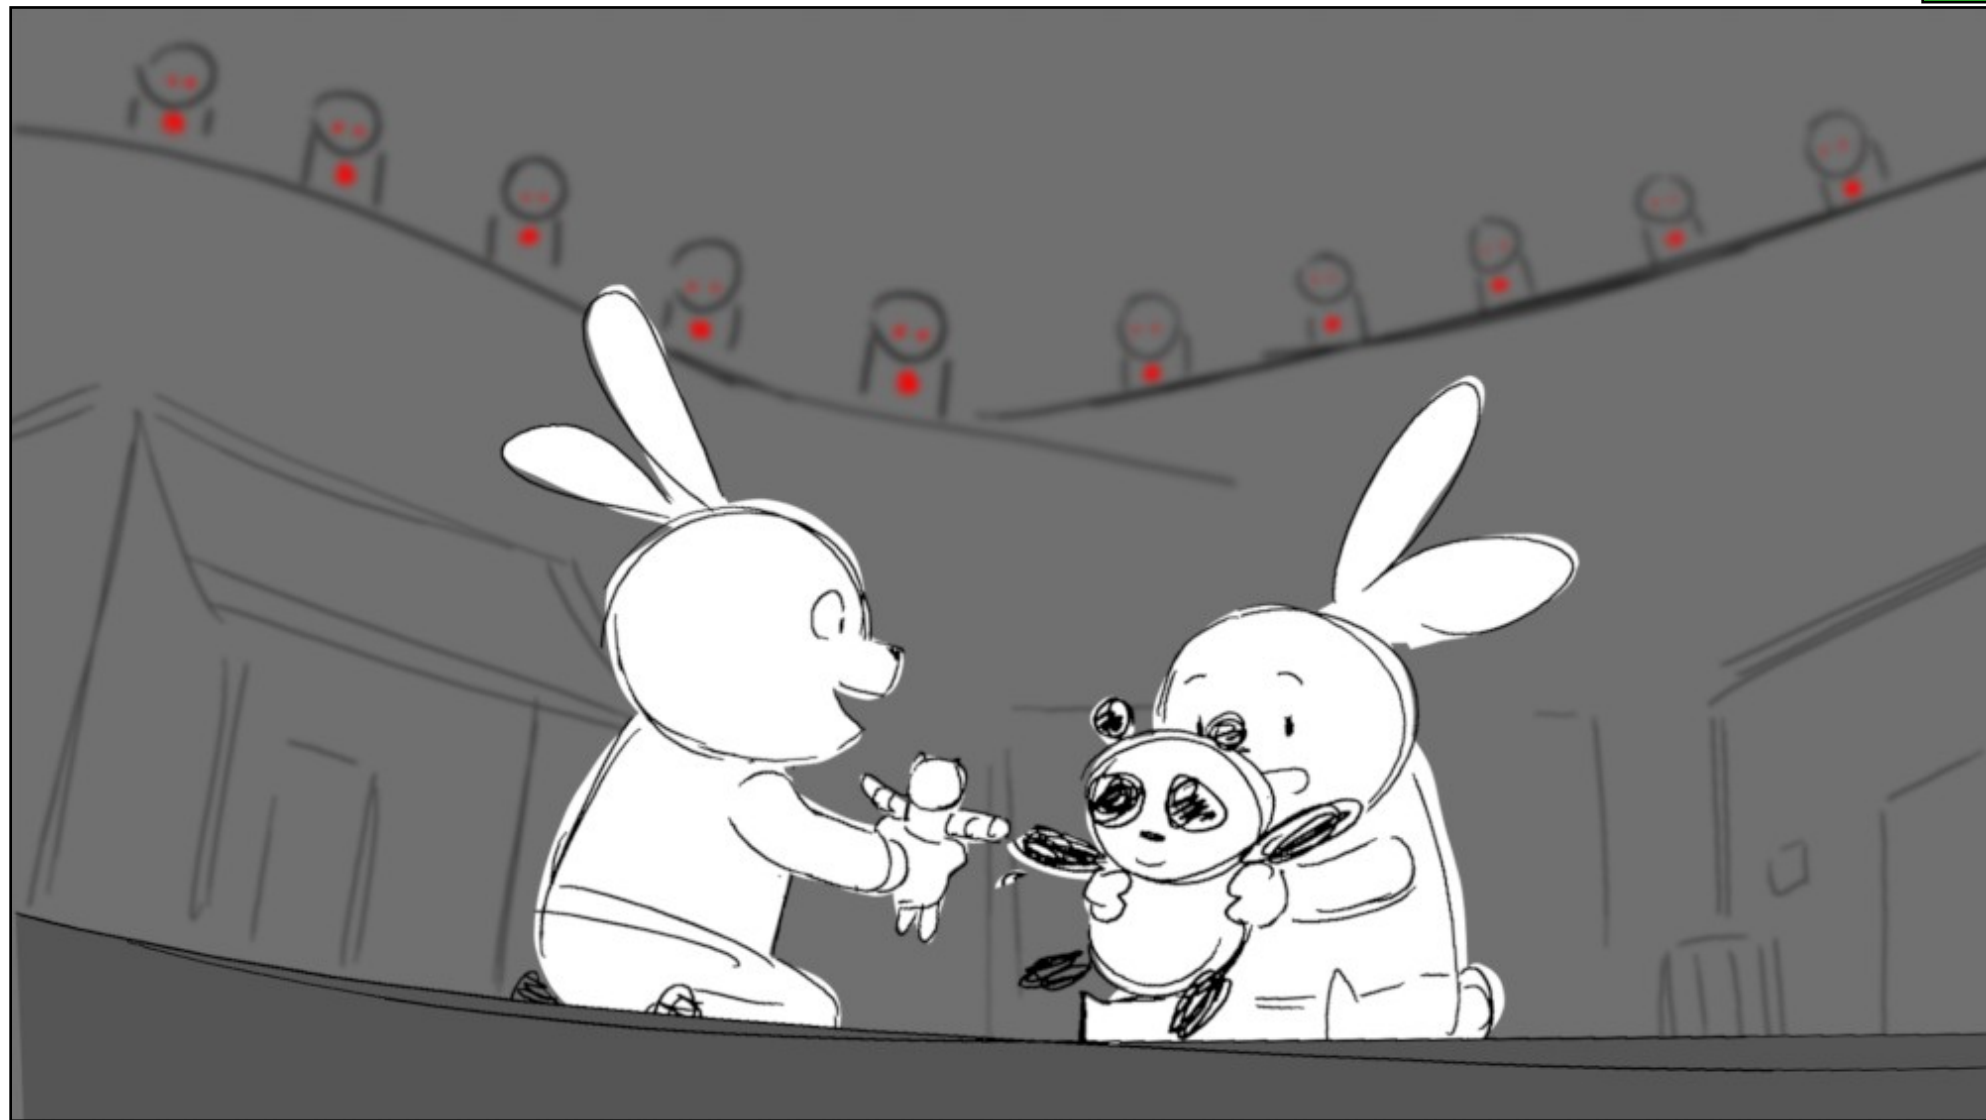

143 Abdicate the throne and no one will get hurt.

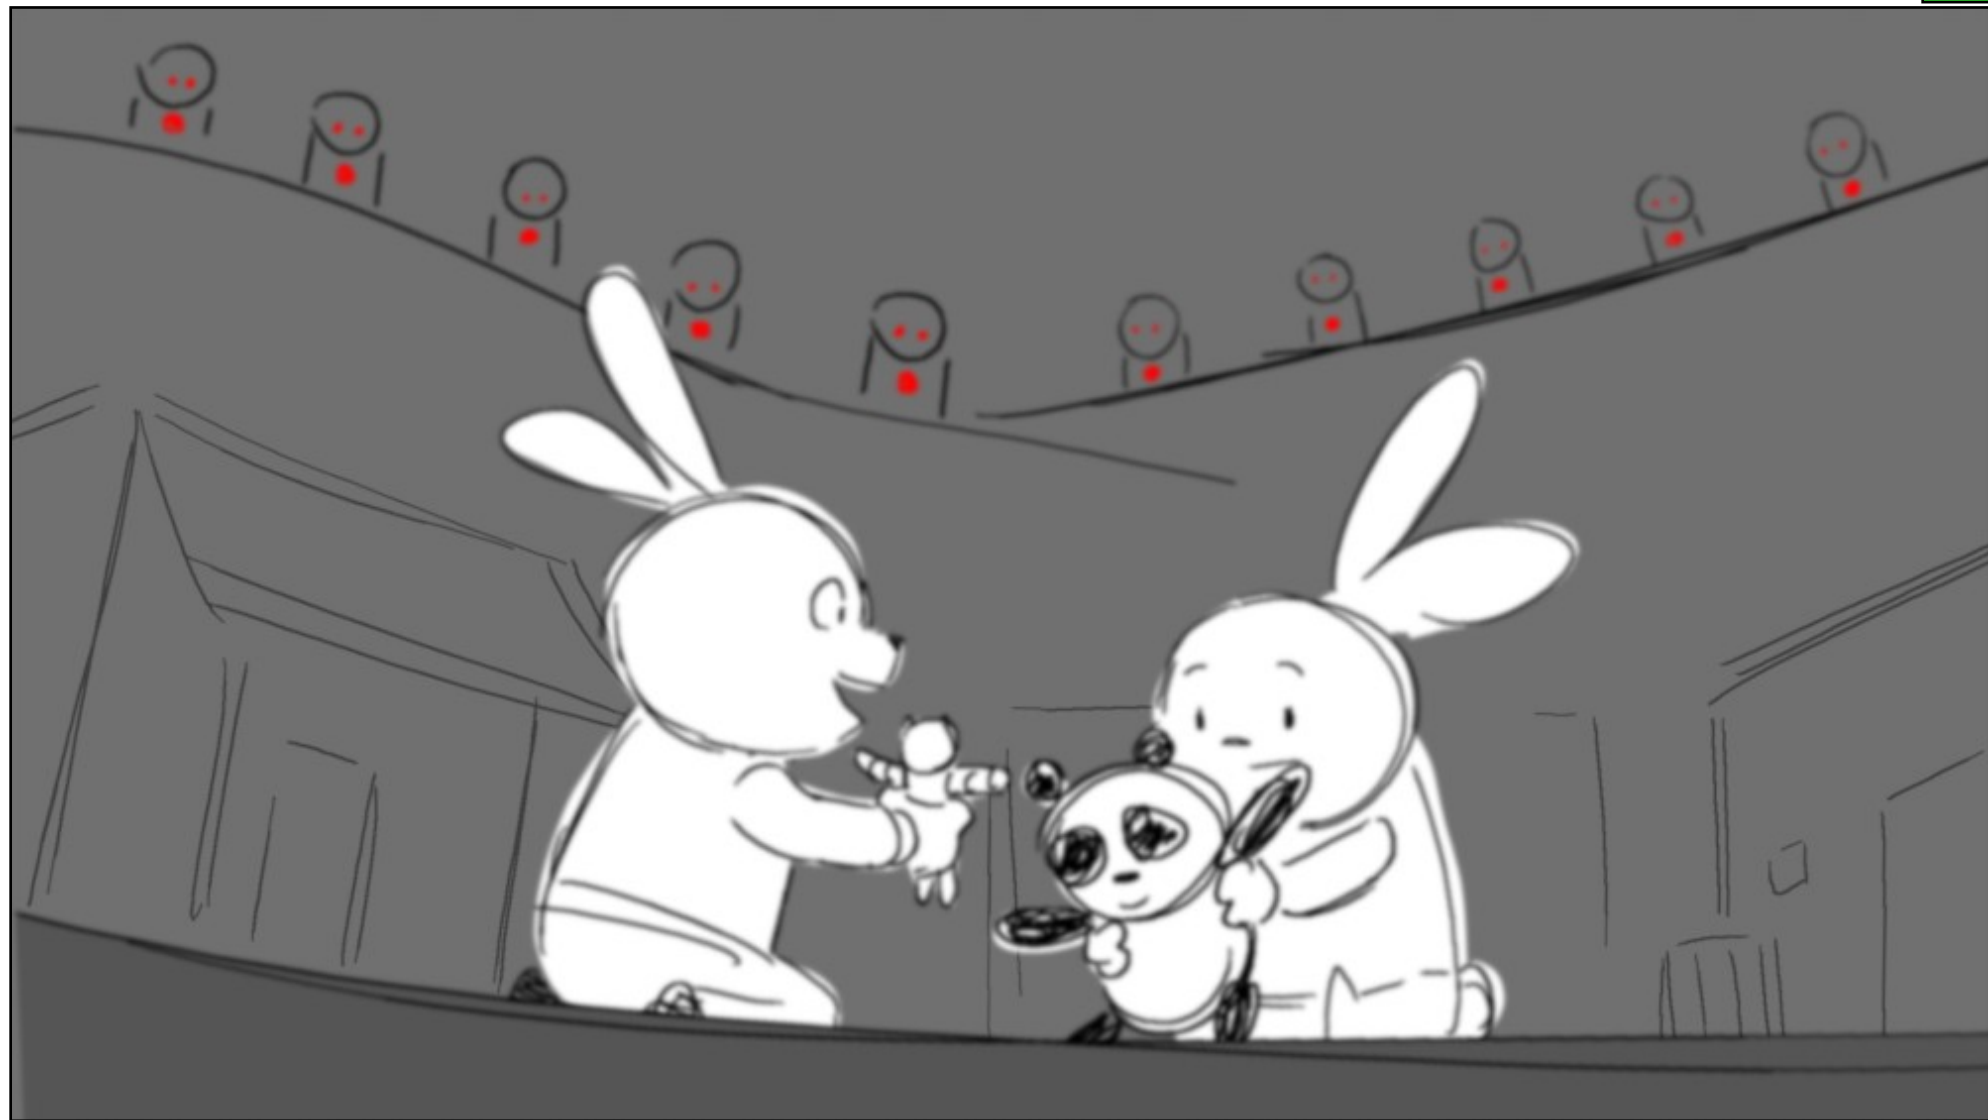

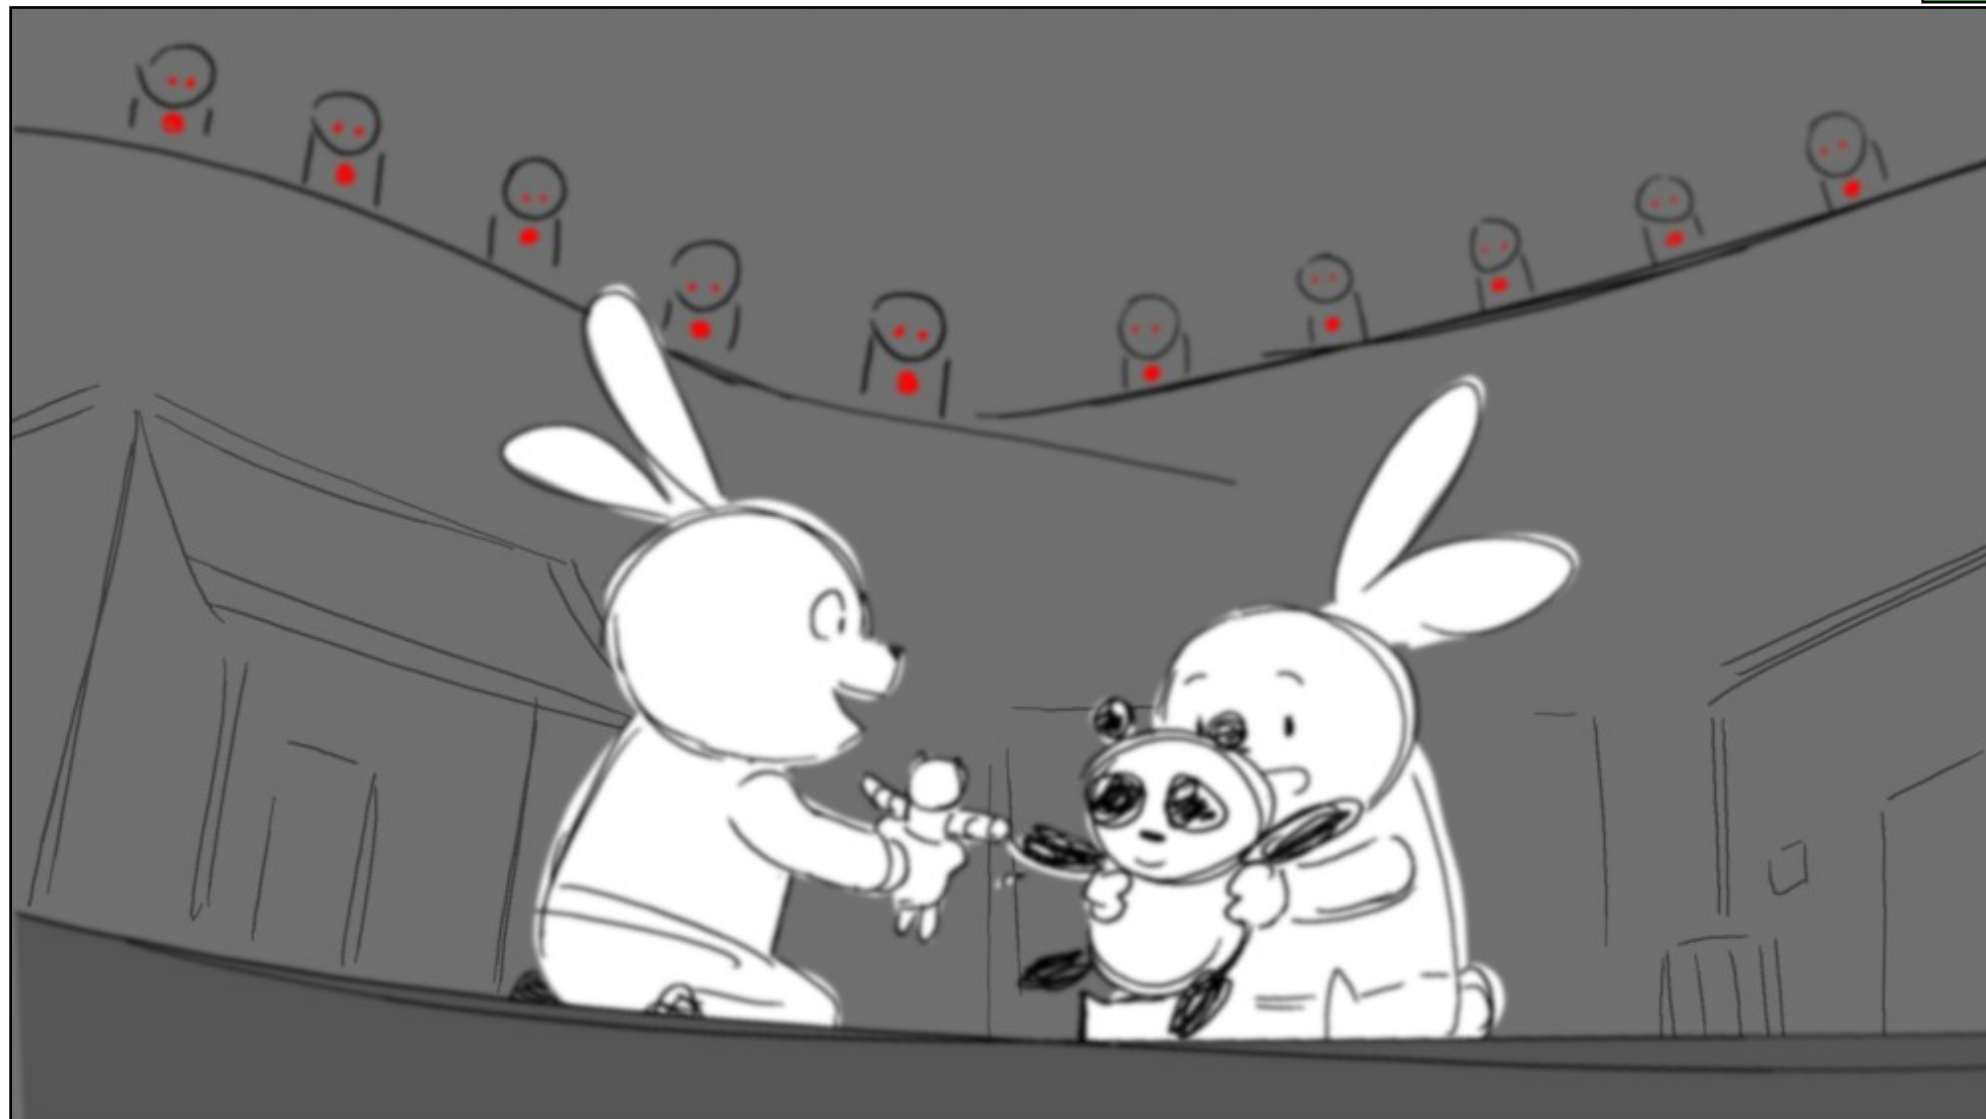

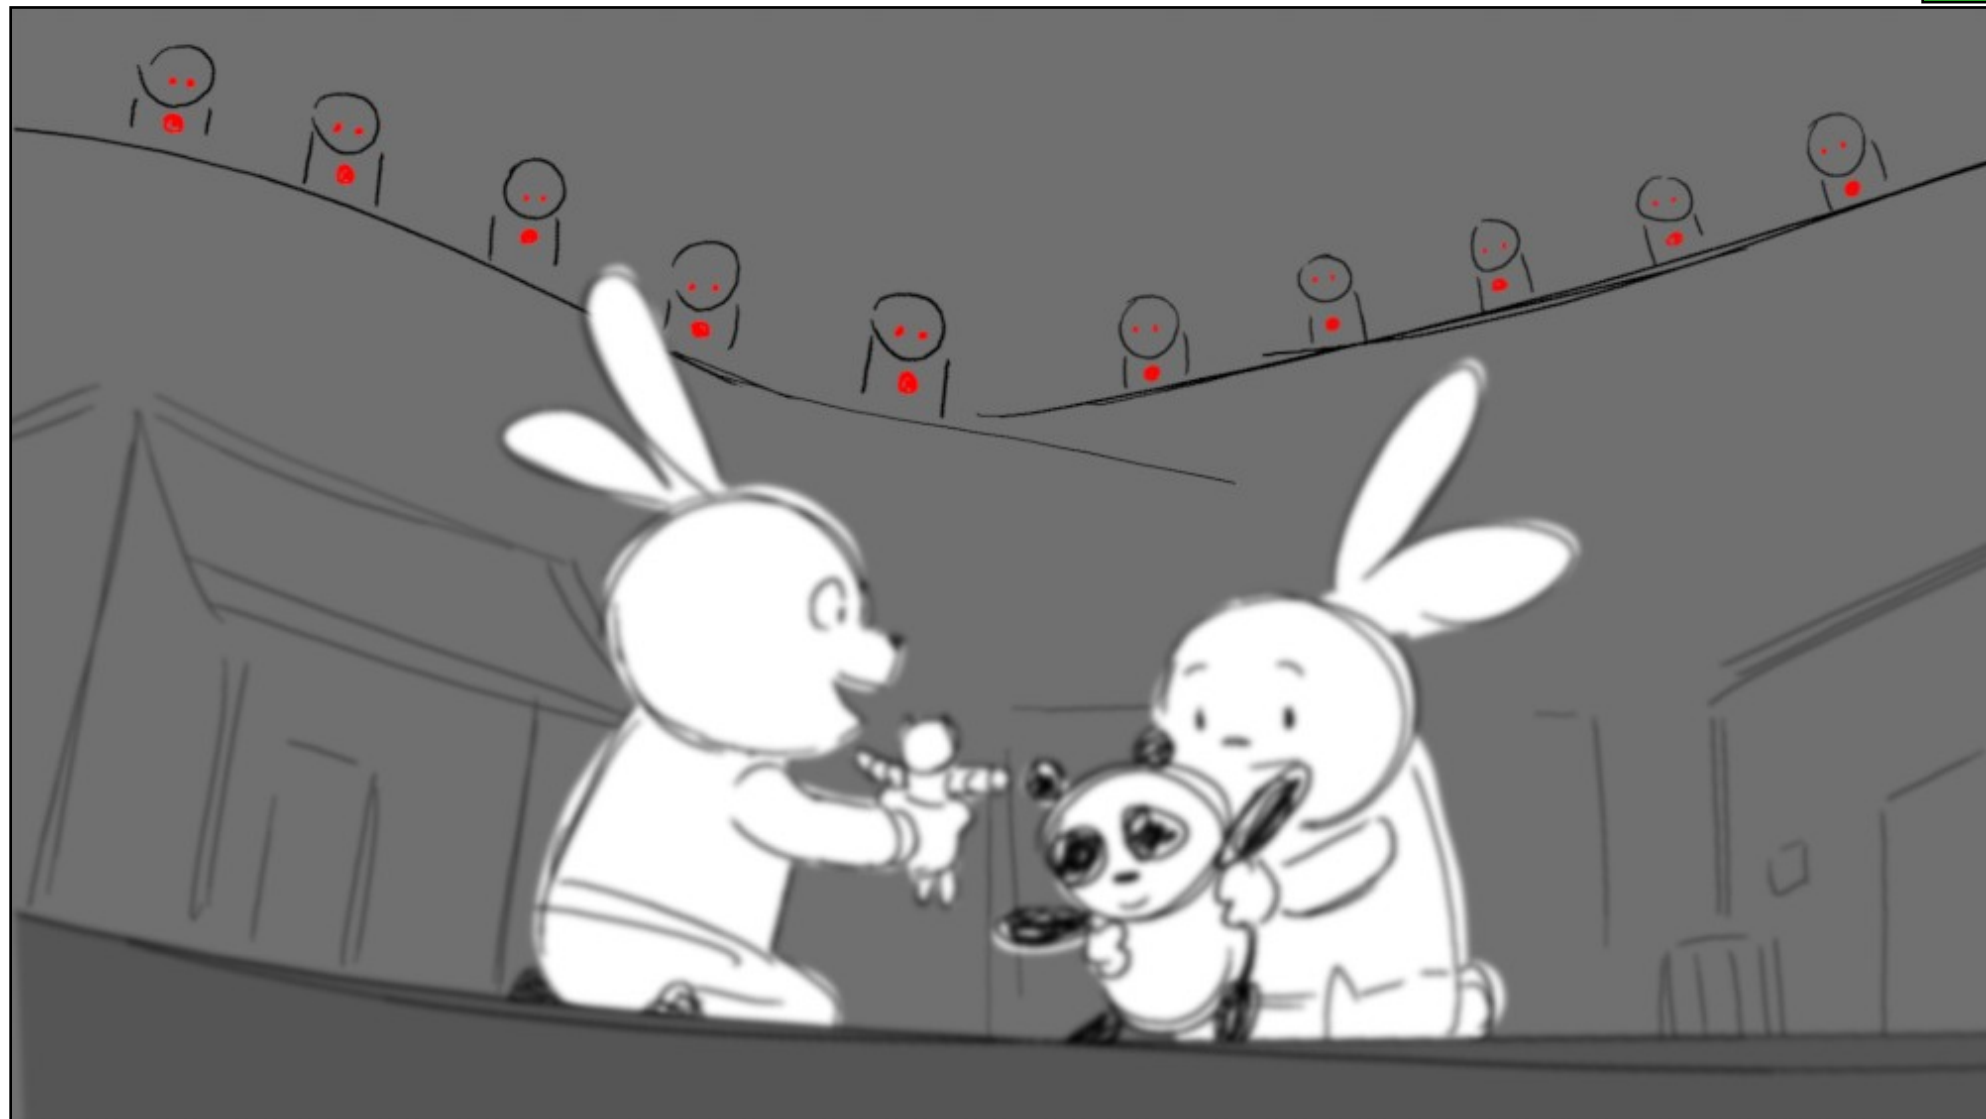

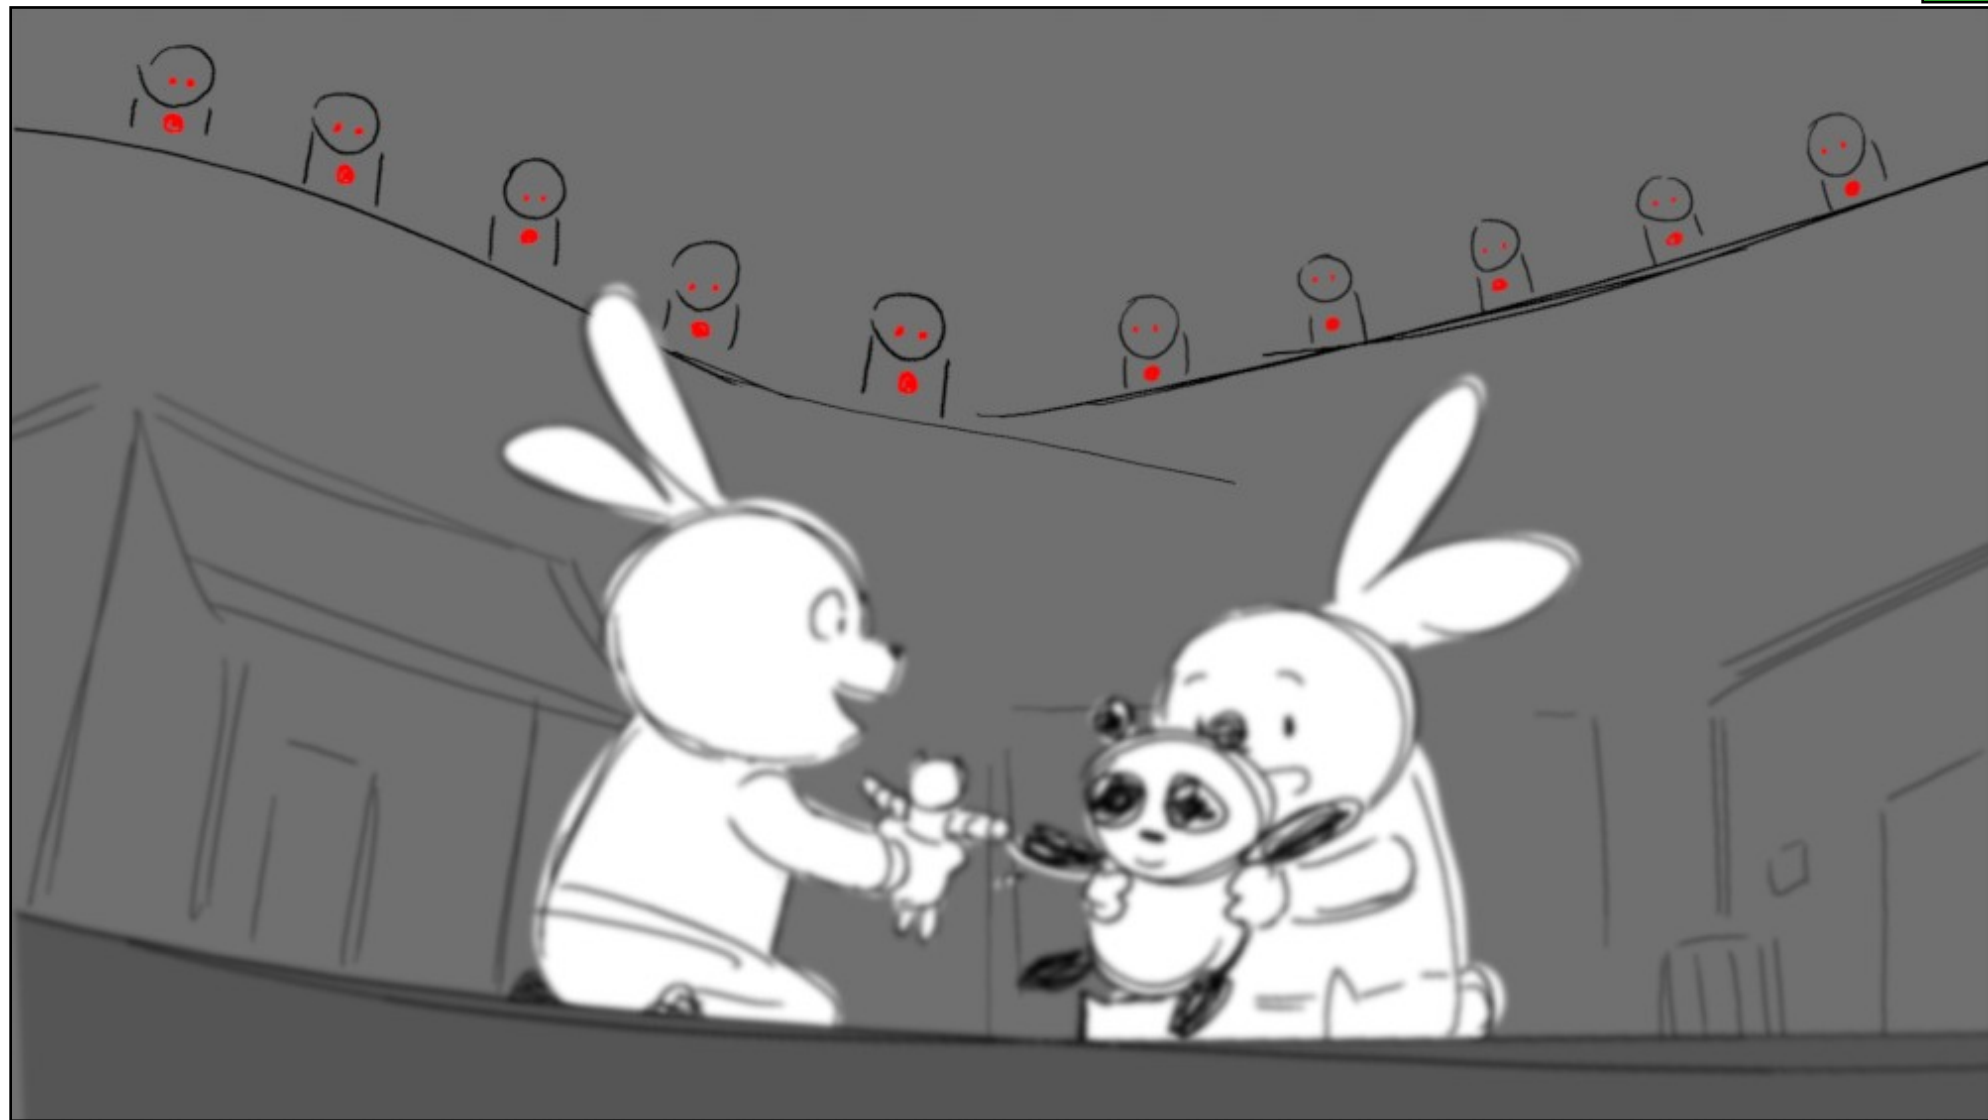

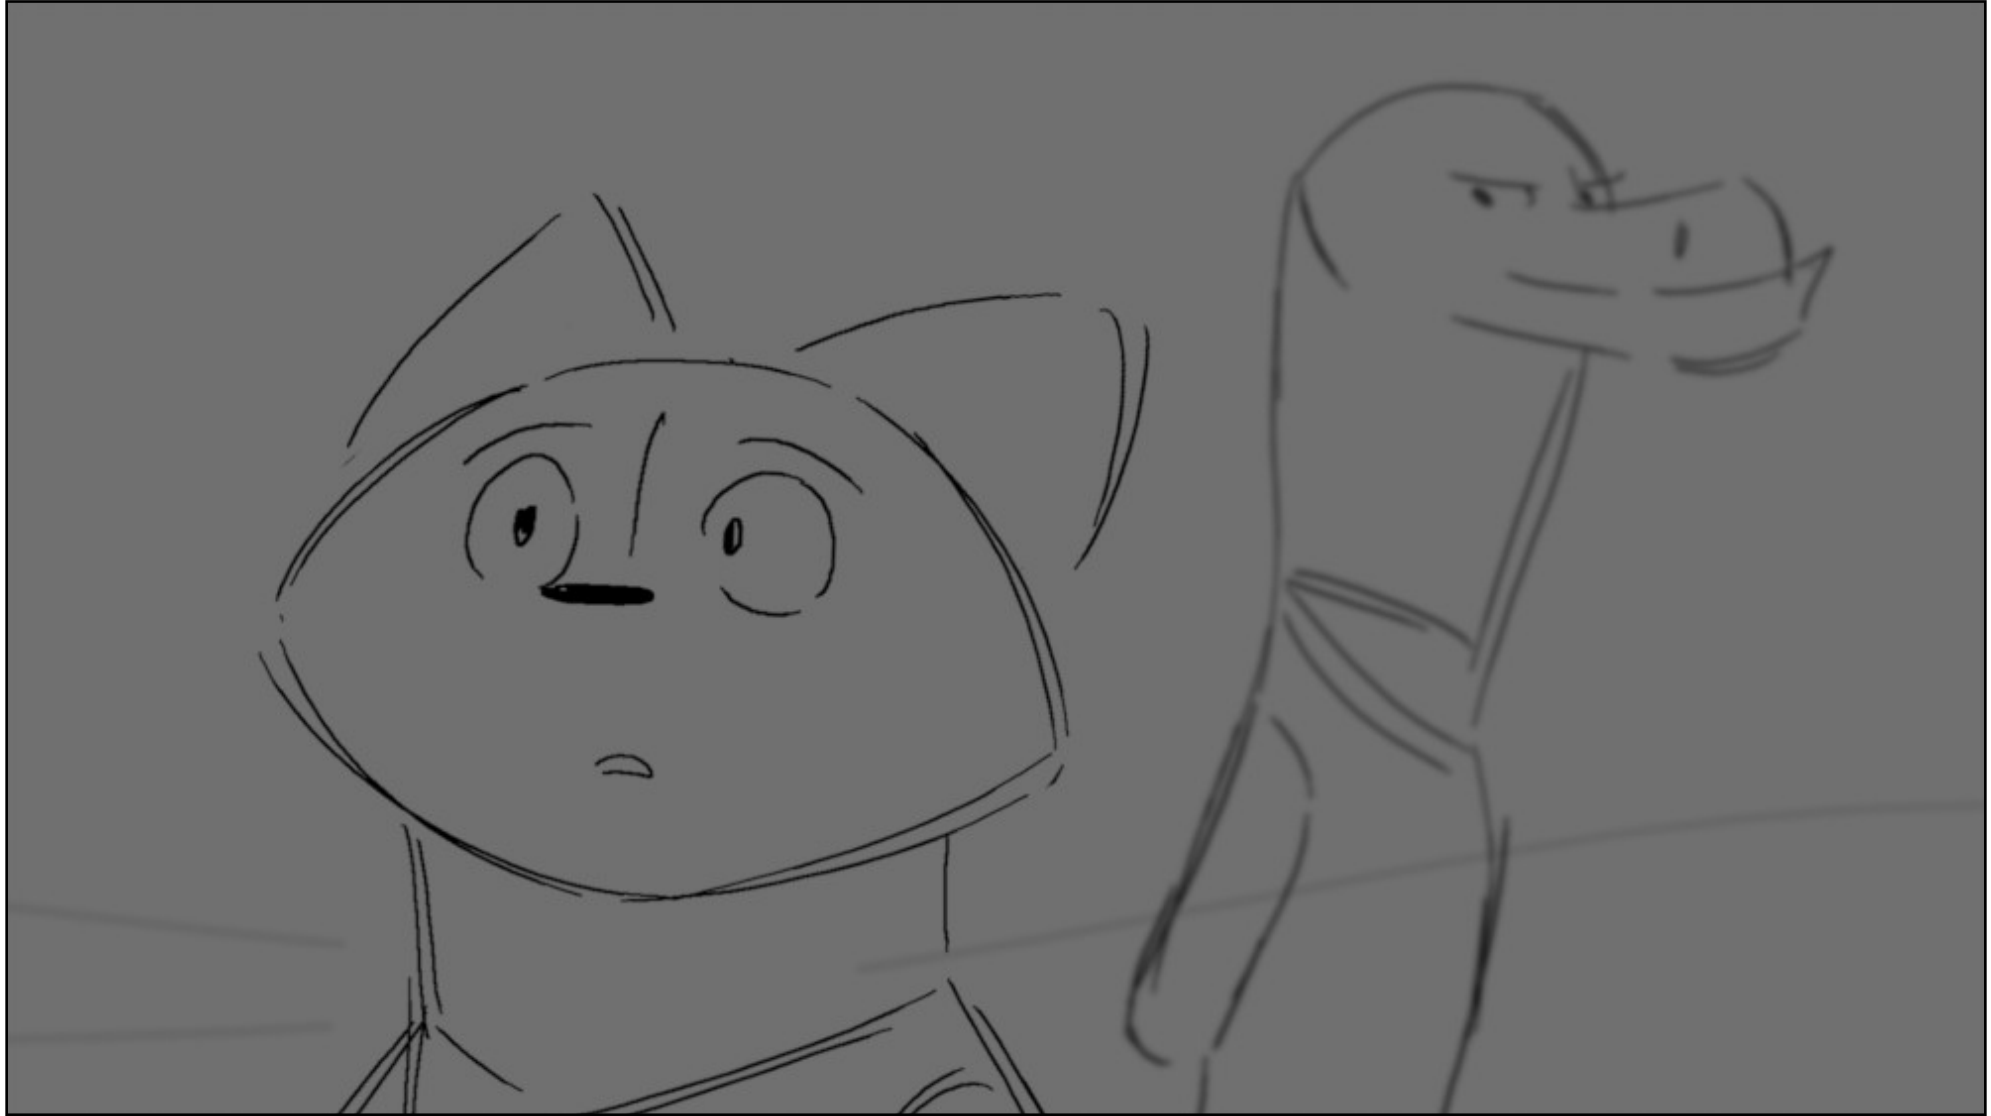

0019-2
XIAO
144 Fine.

0121
XIAO
144 I'll abdicate.

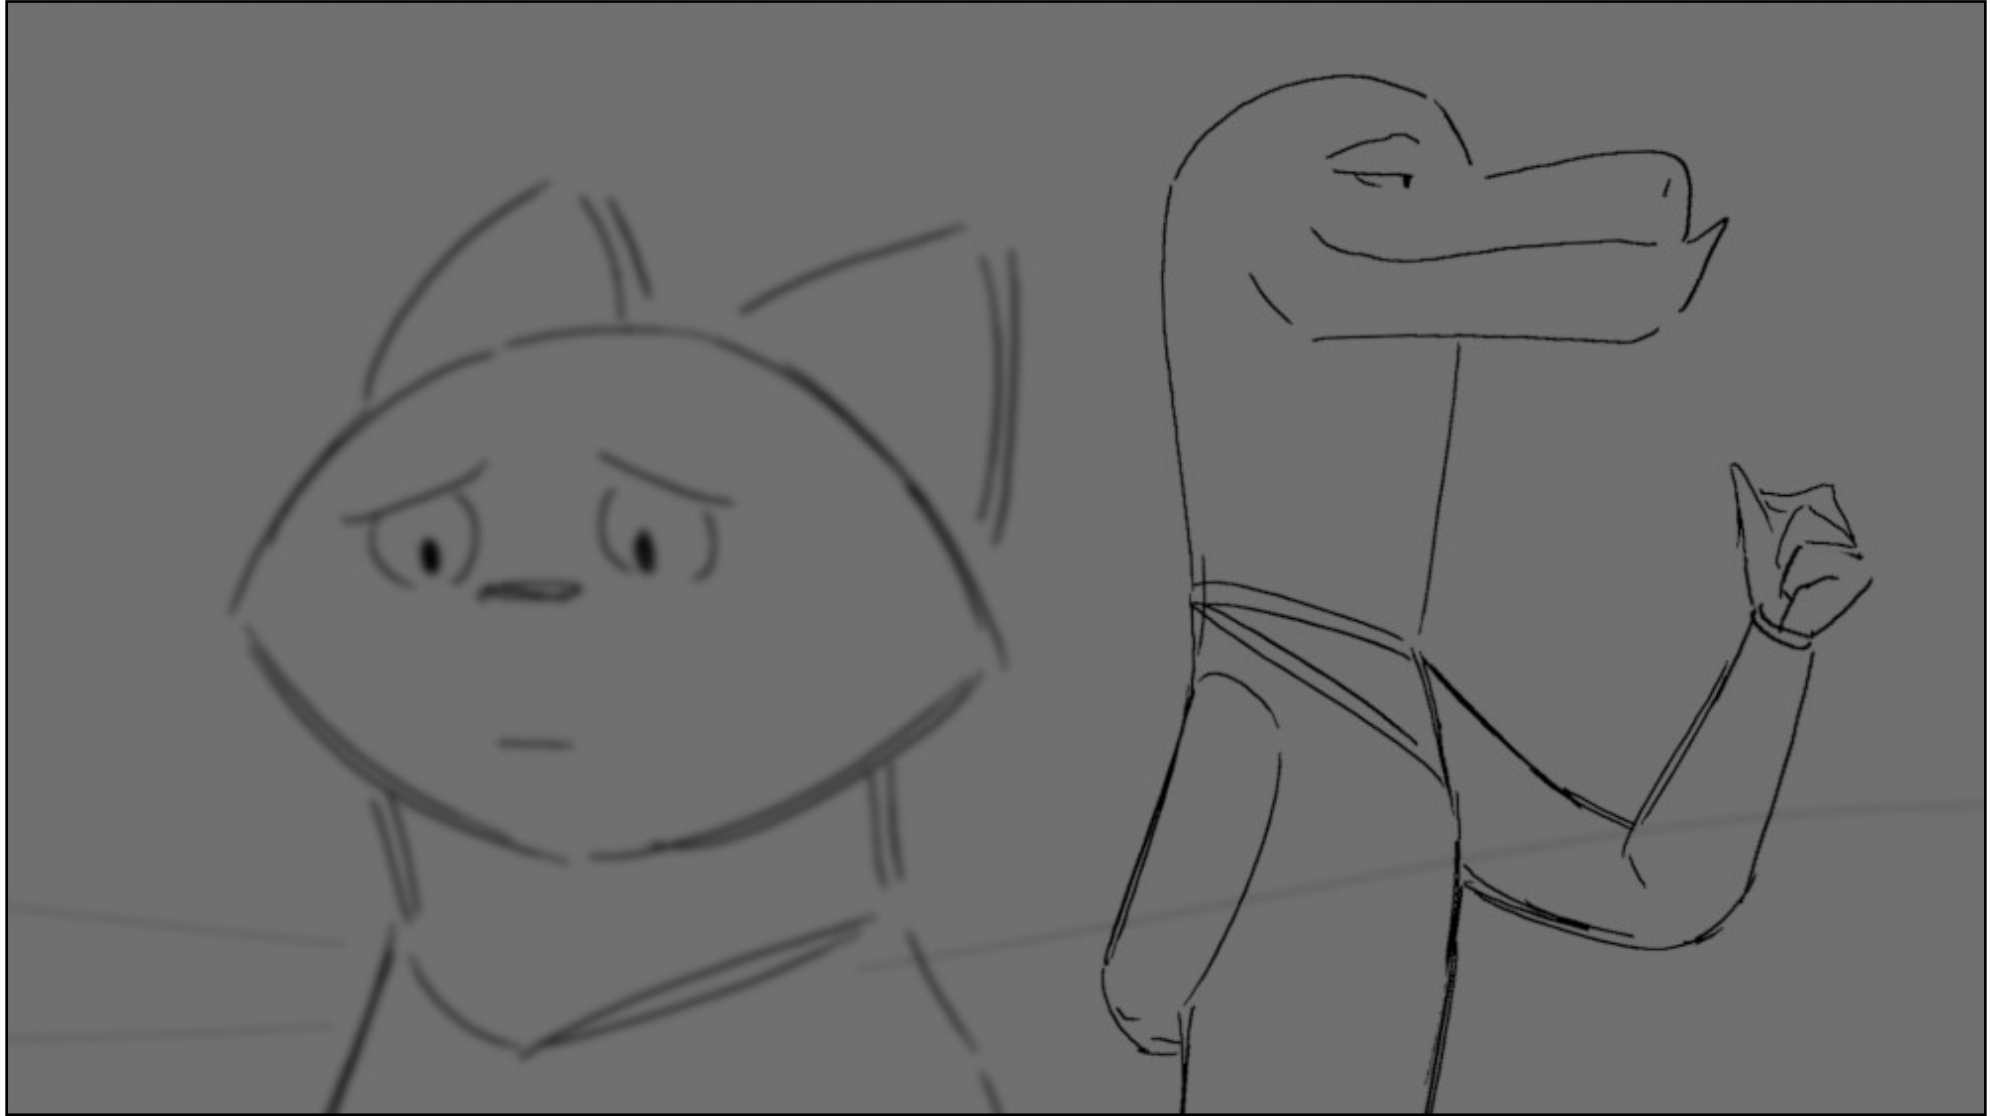

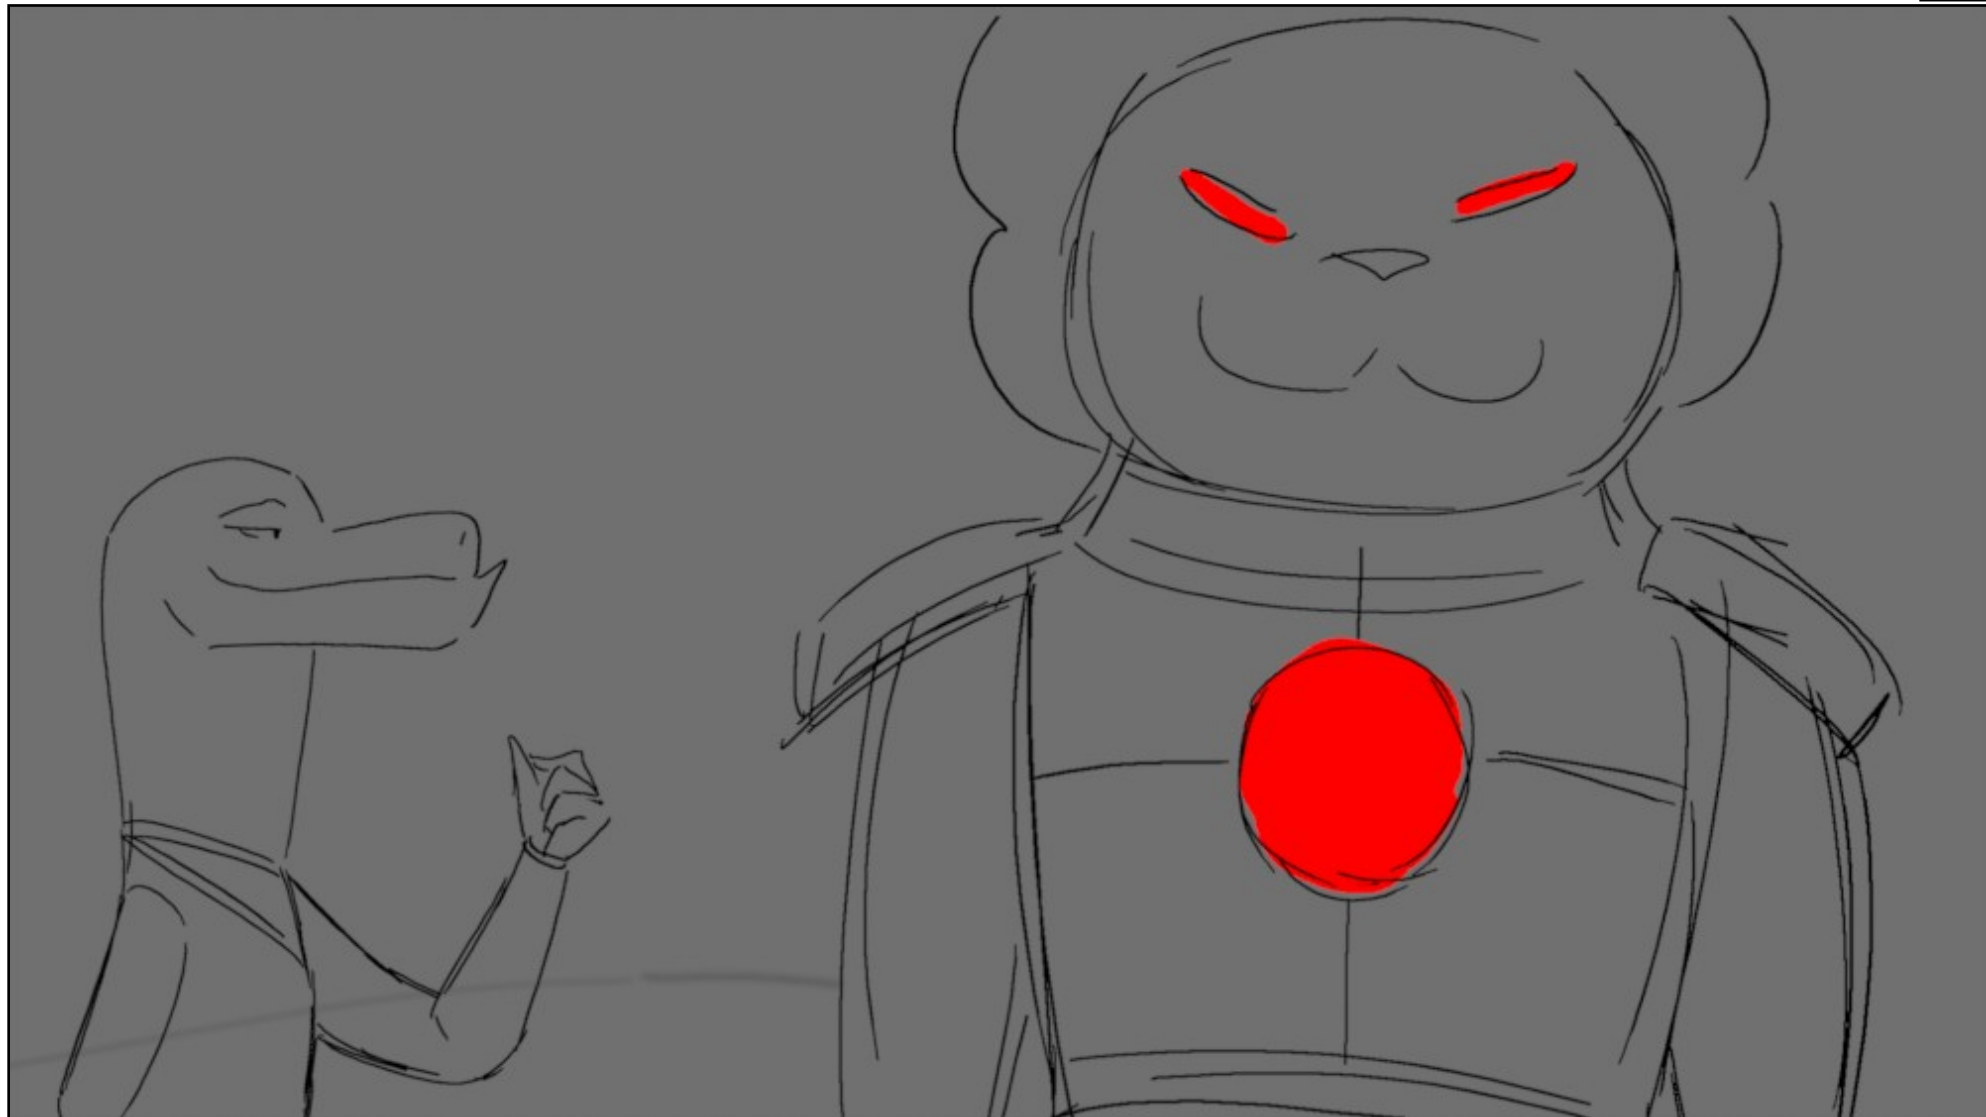

0020-3
SHI LONG
145 You've made the smart decision.

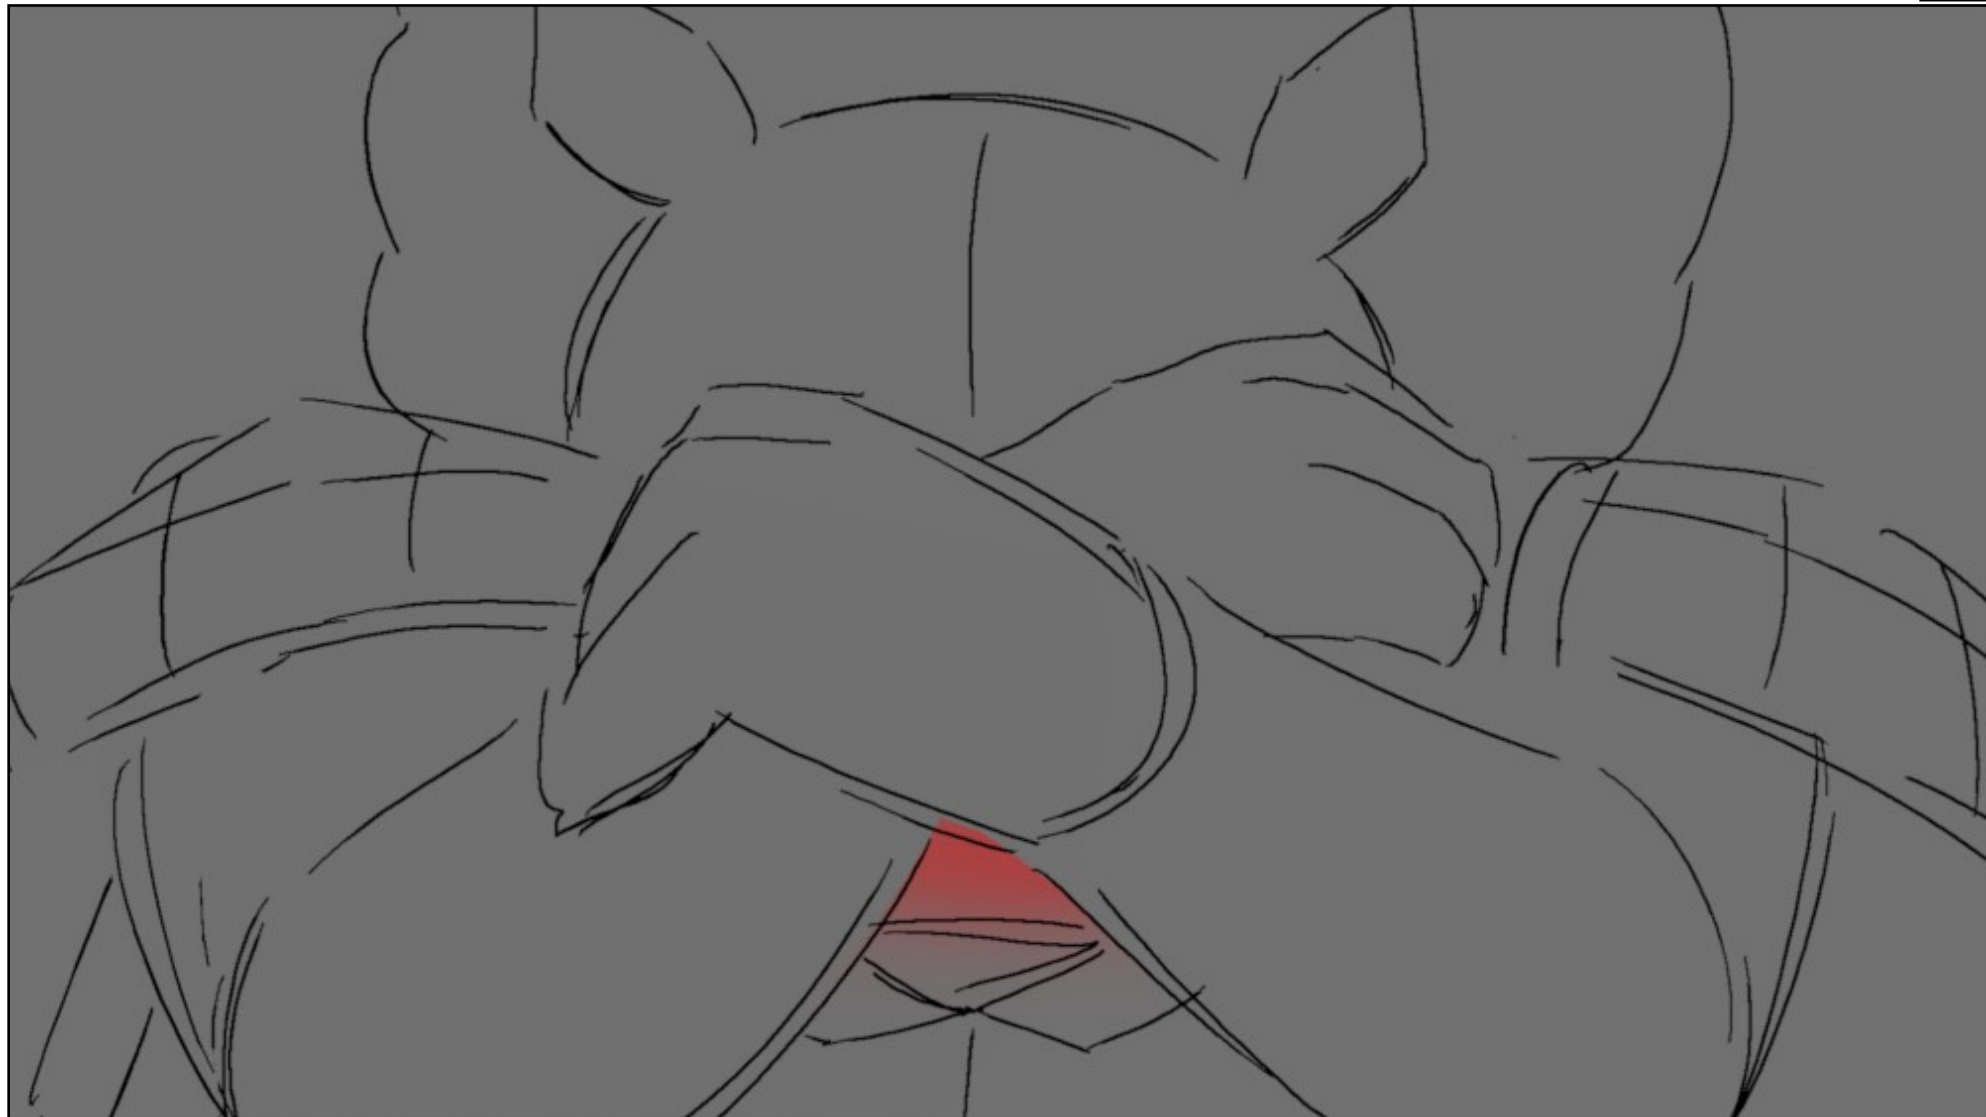

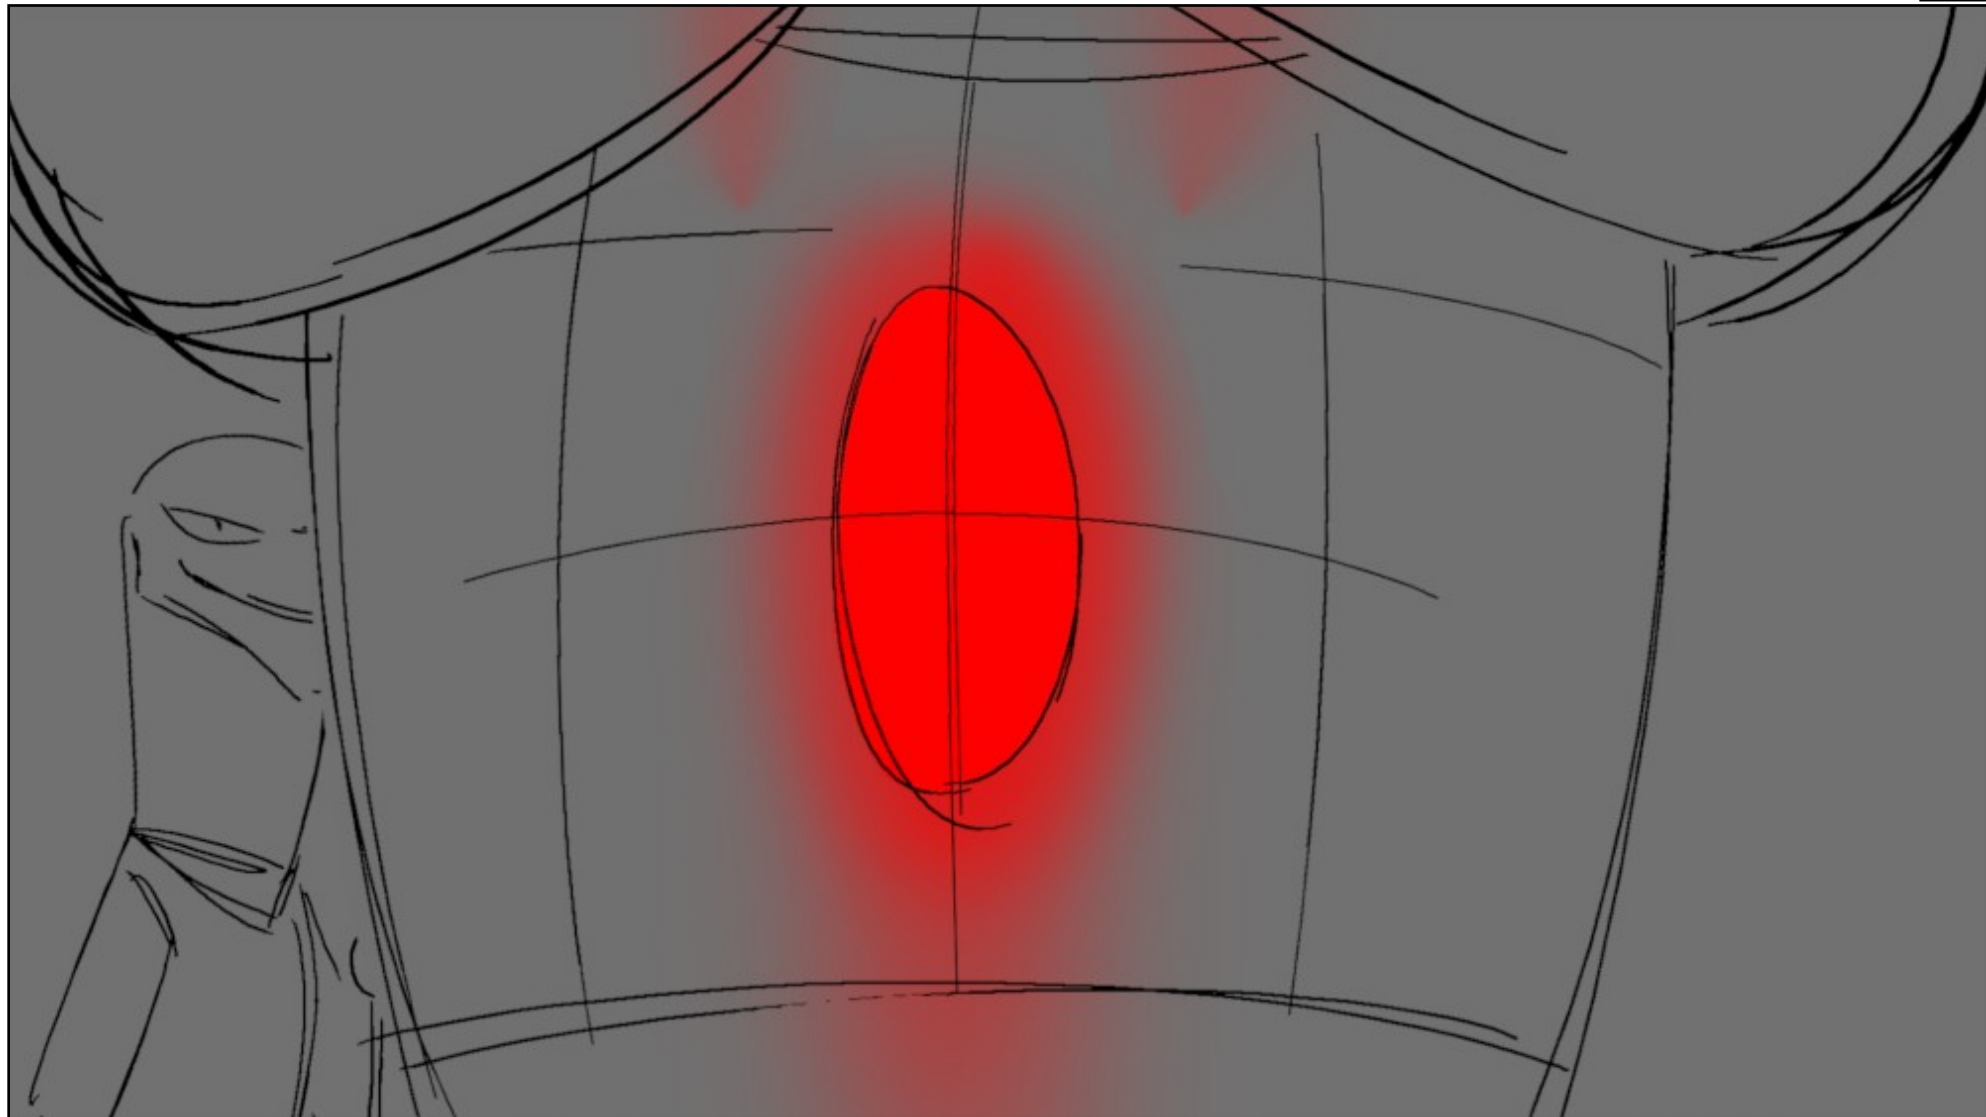

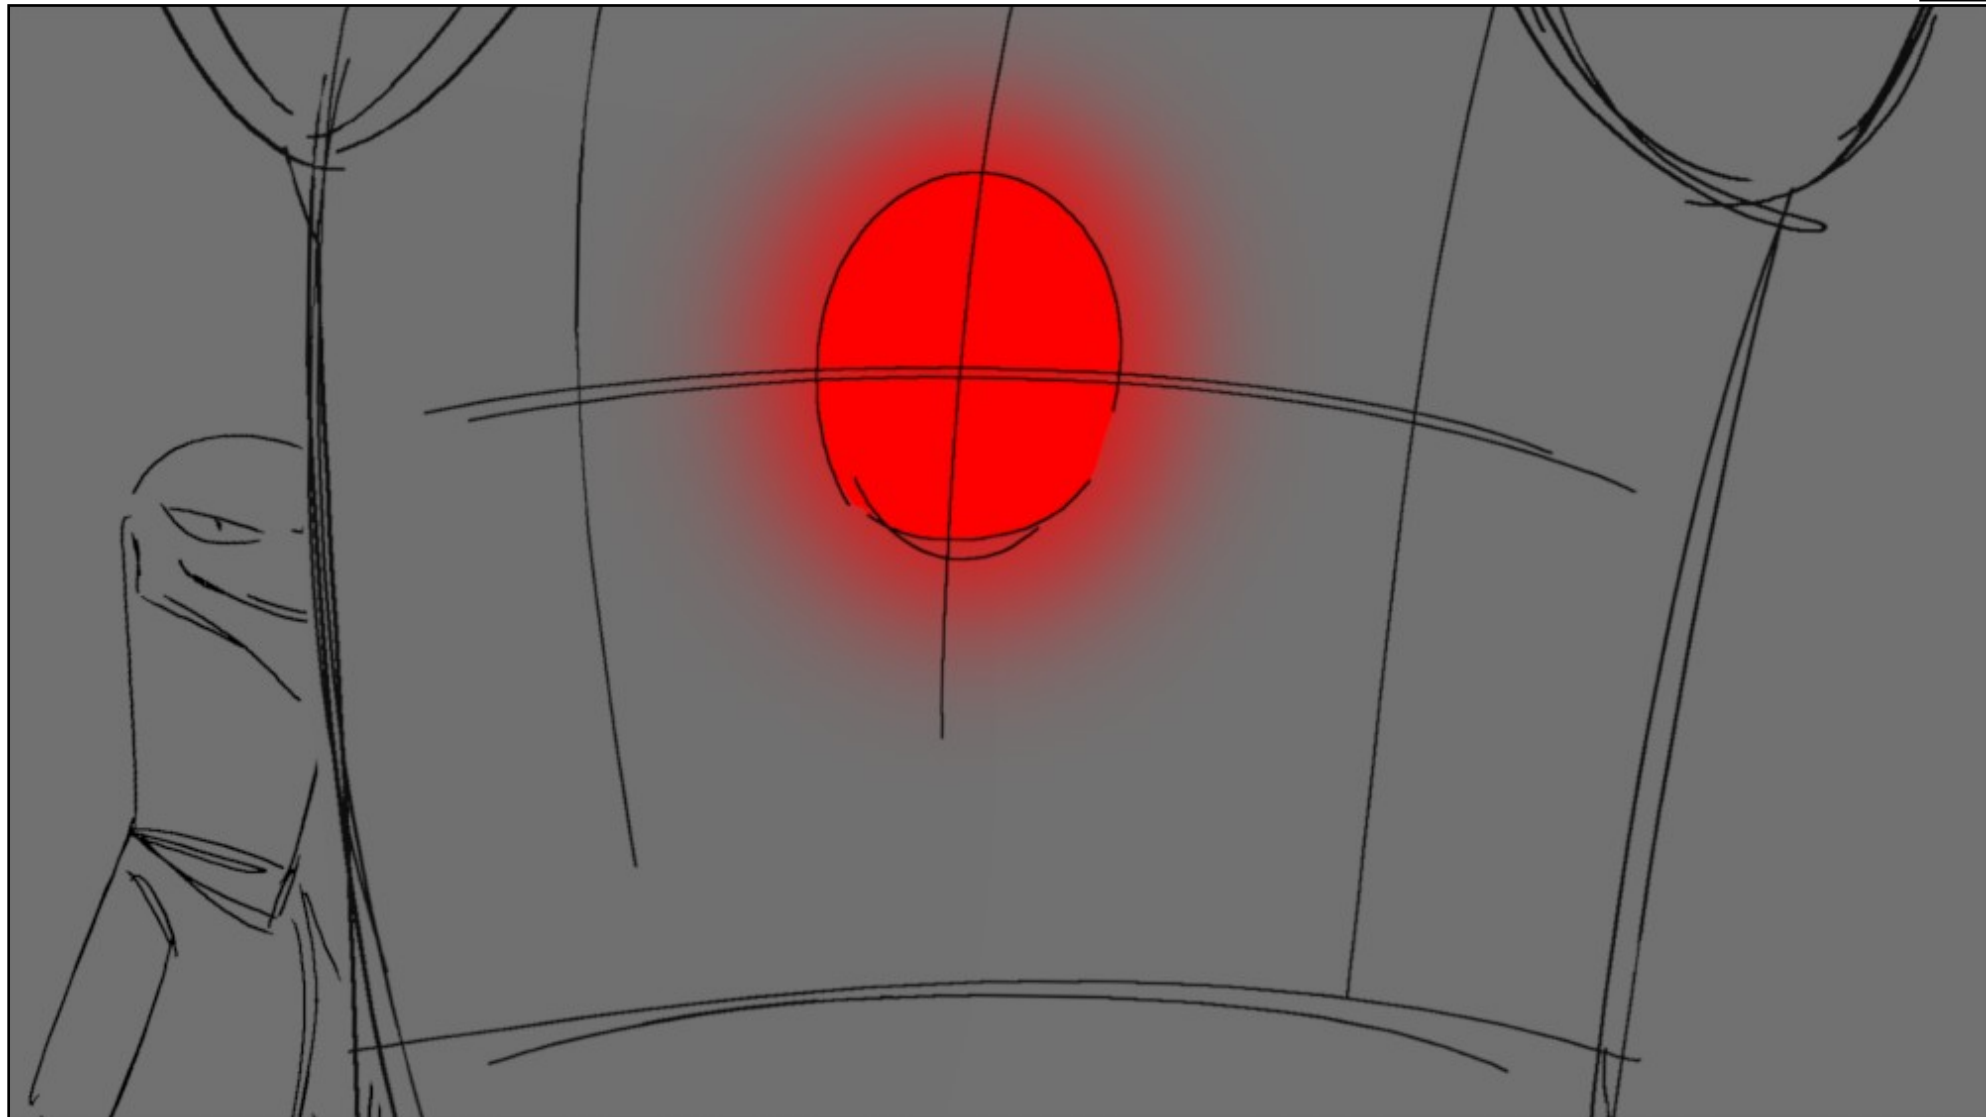

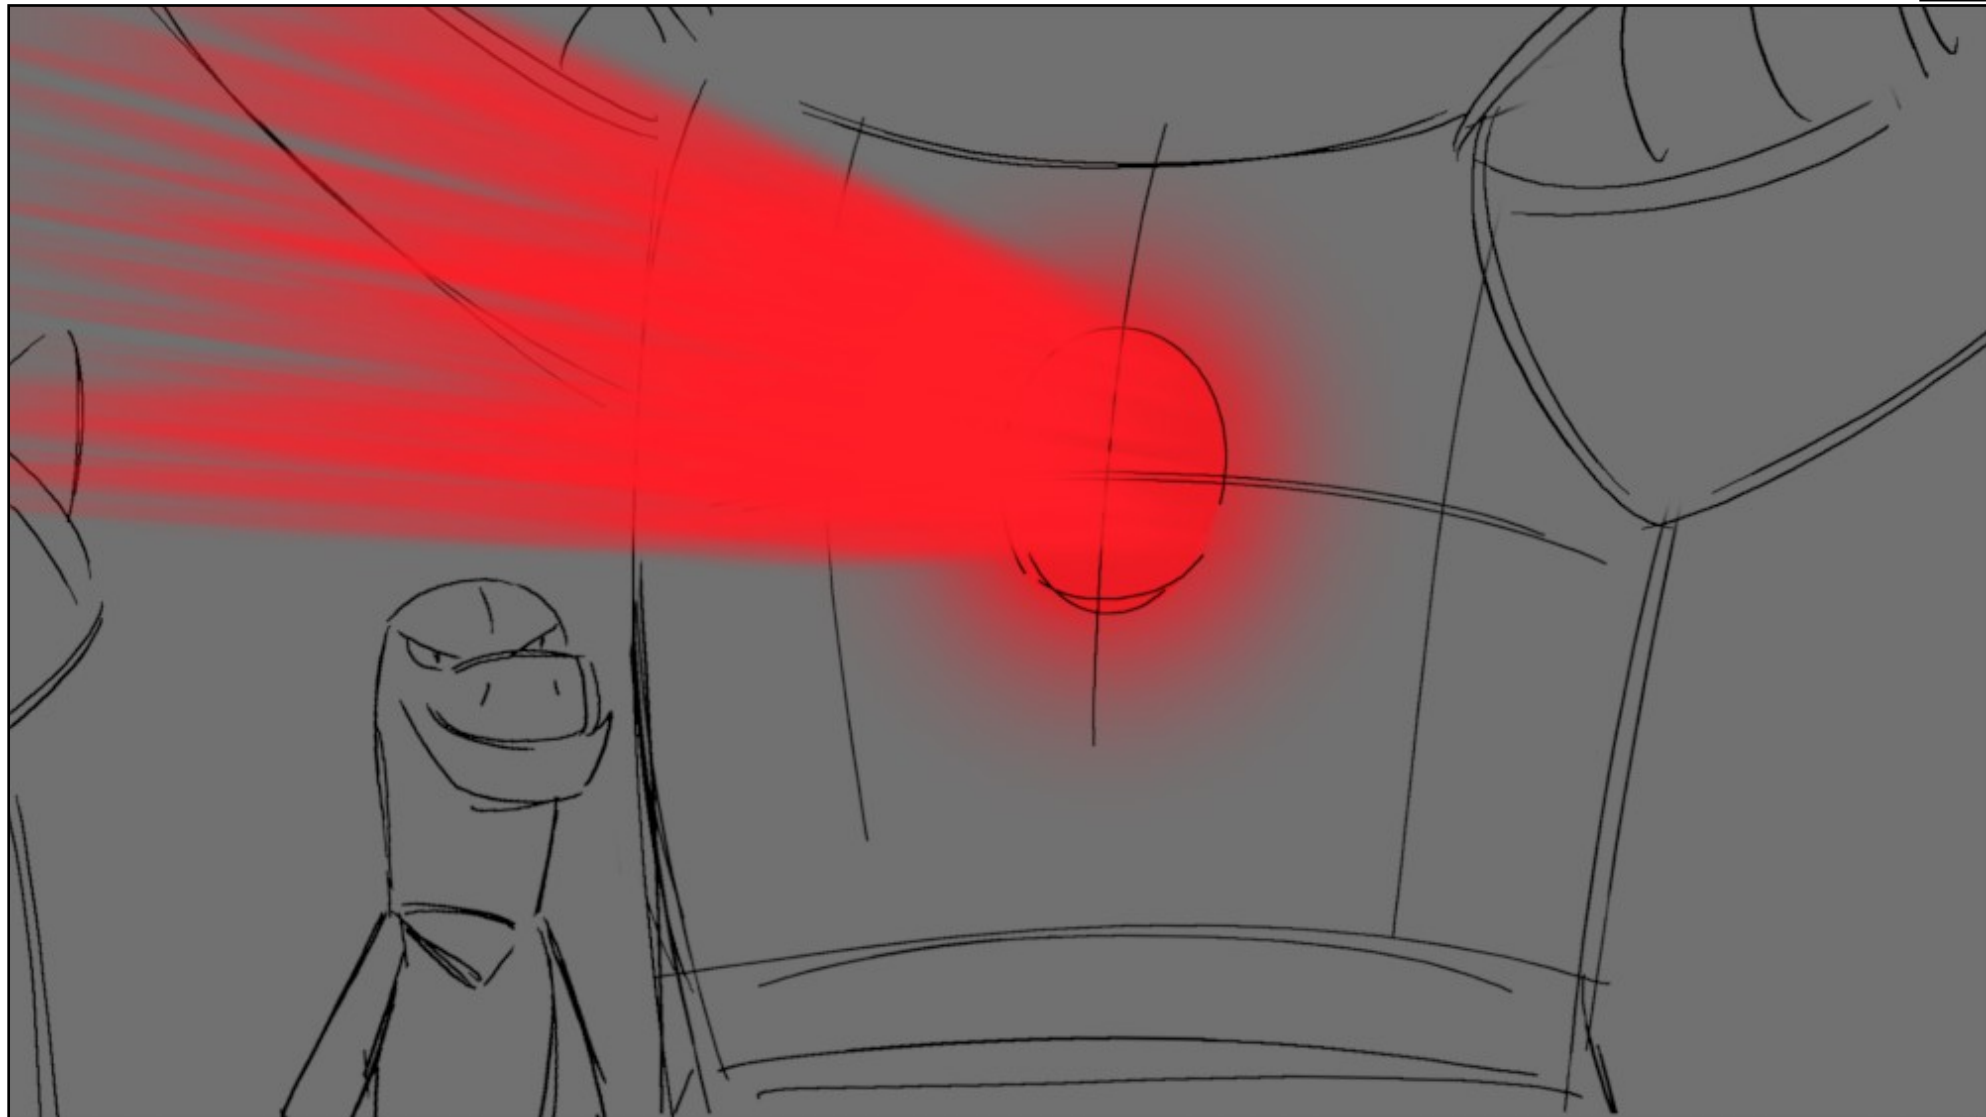

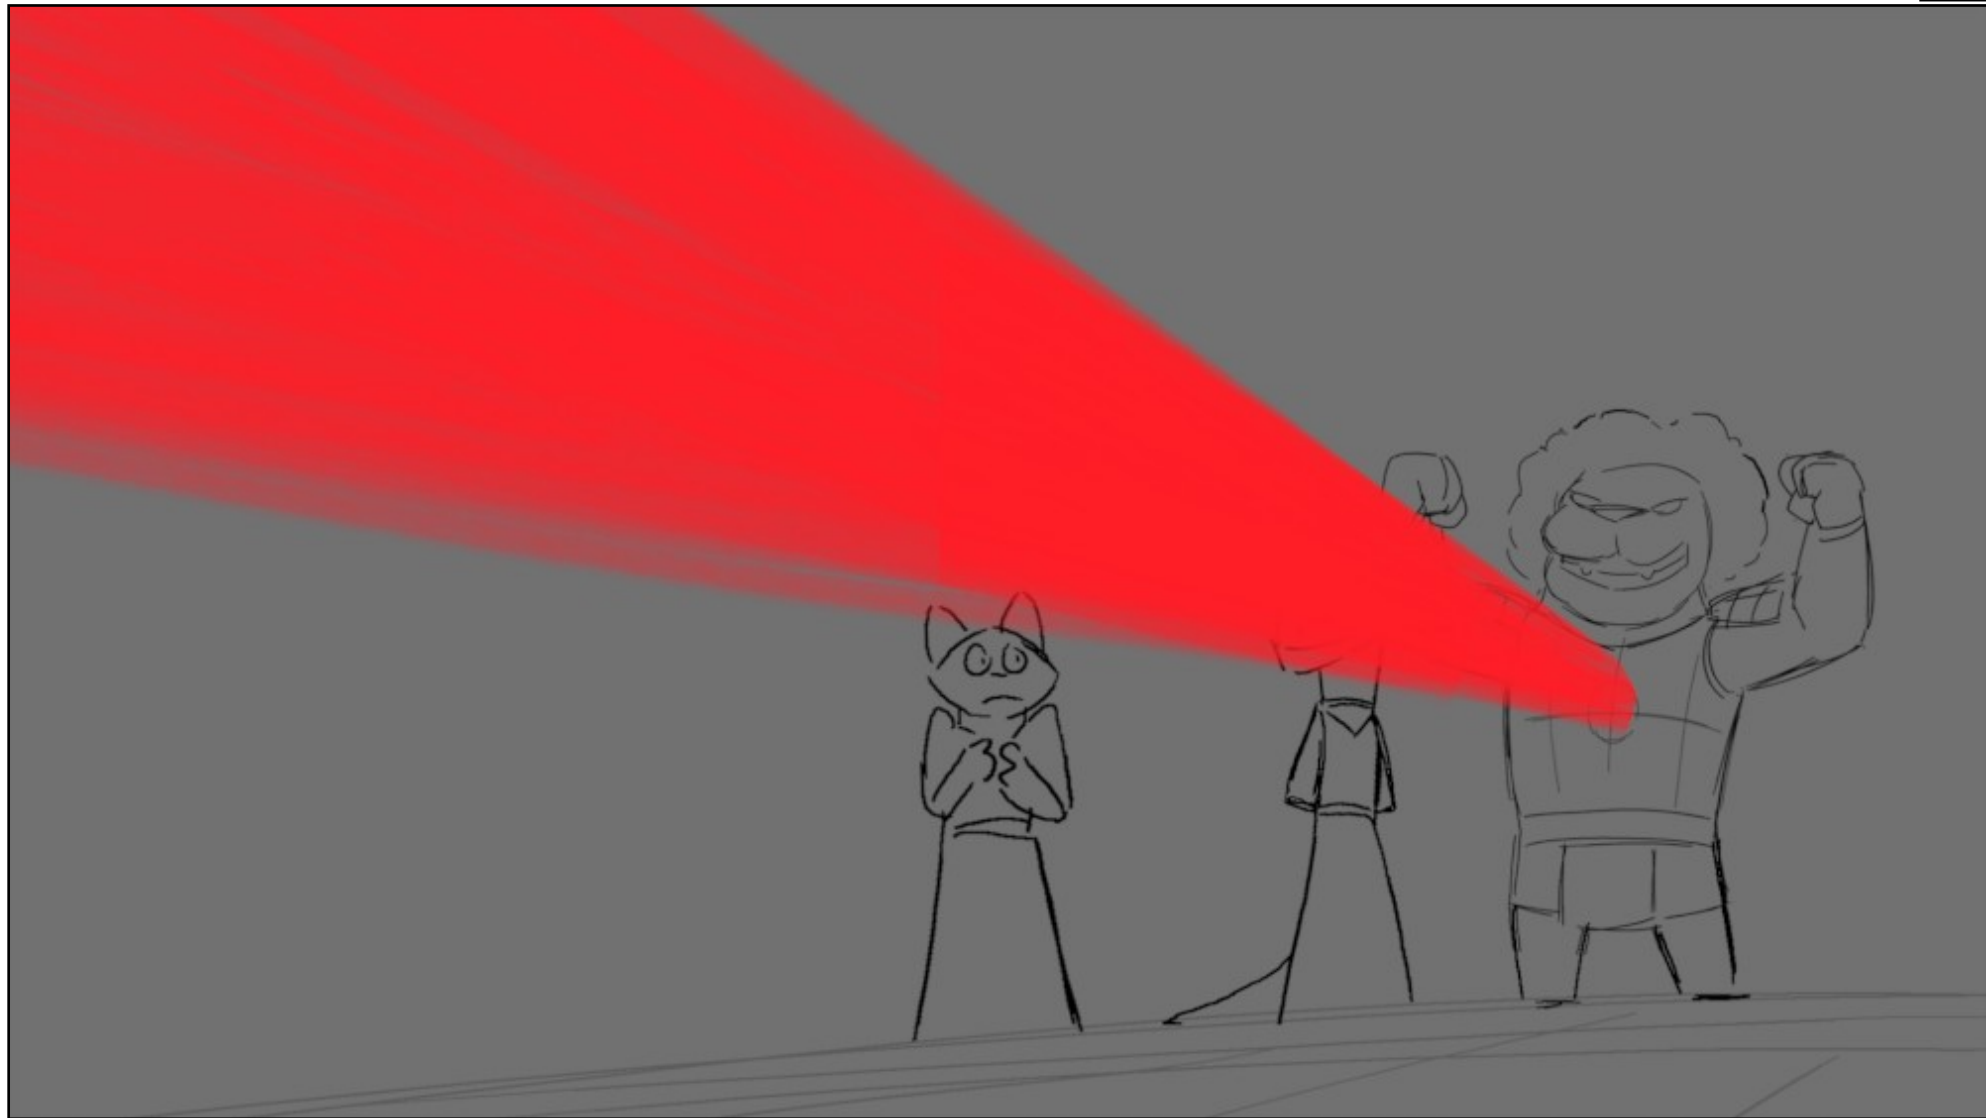

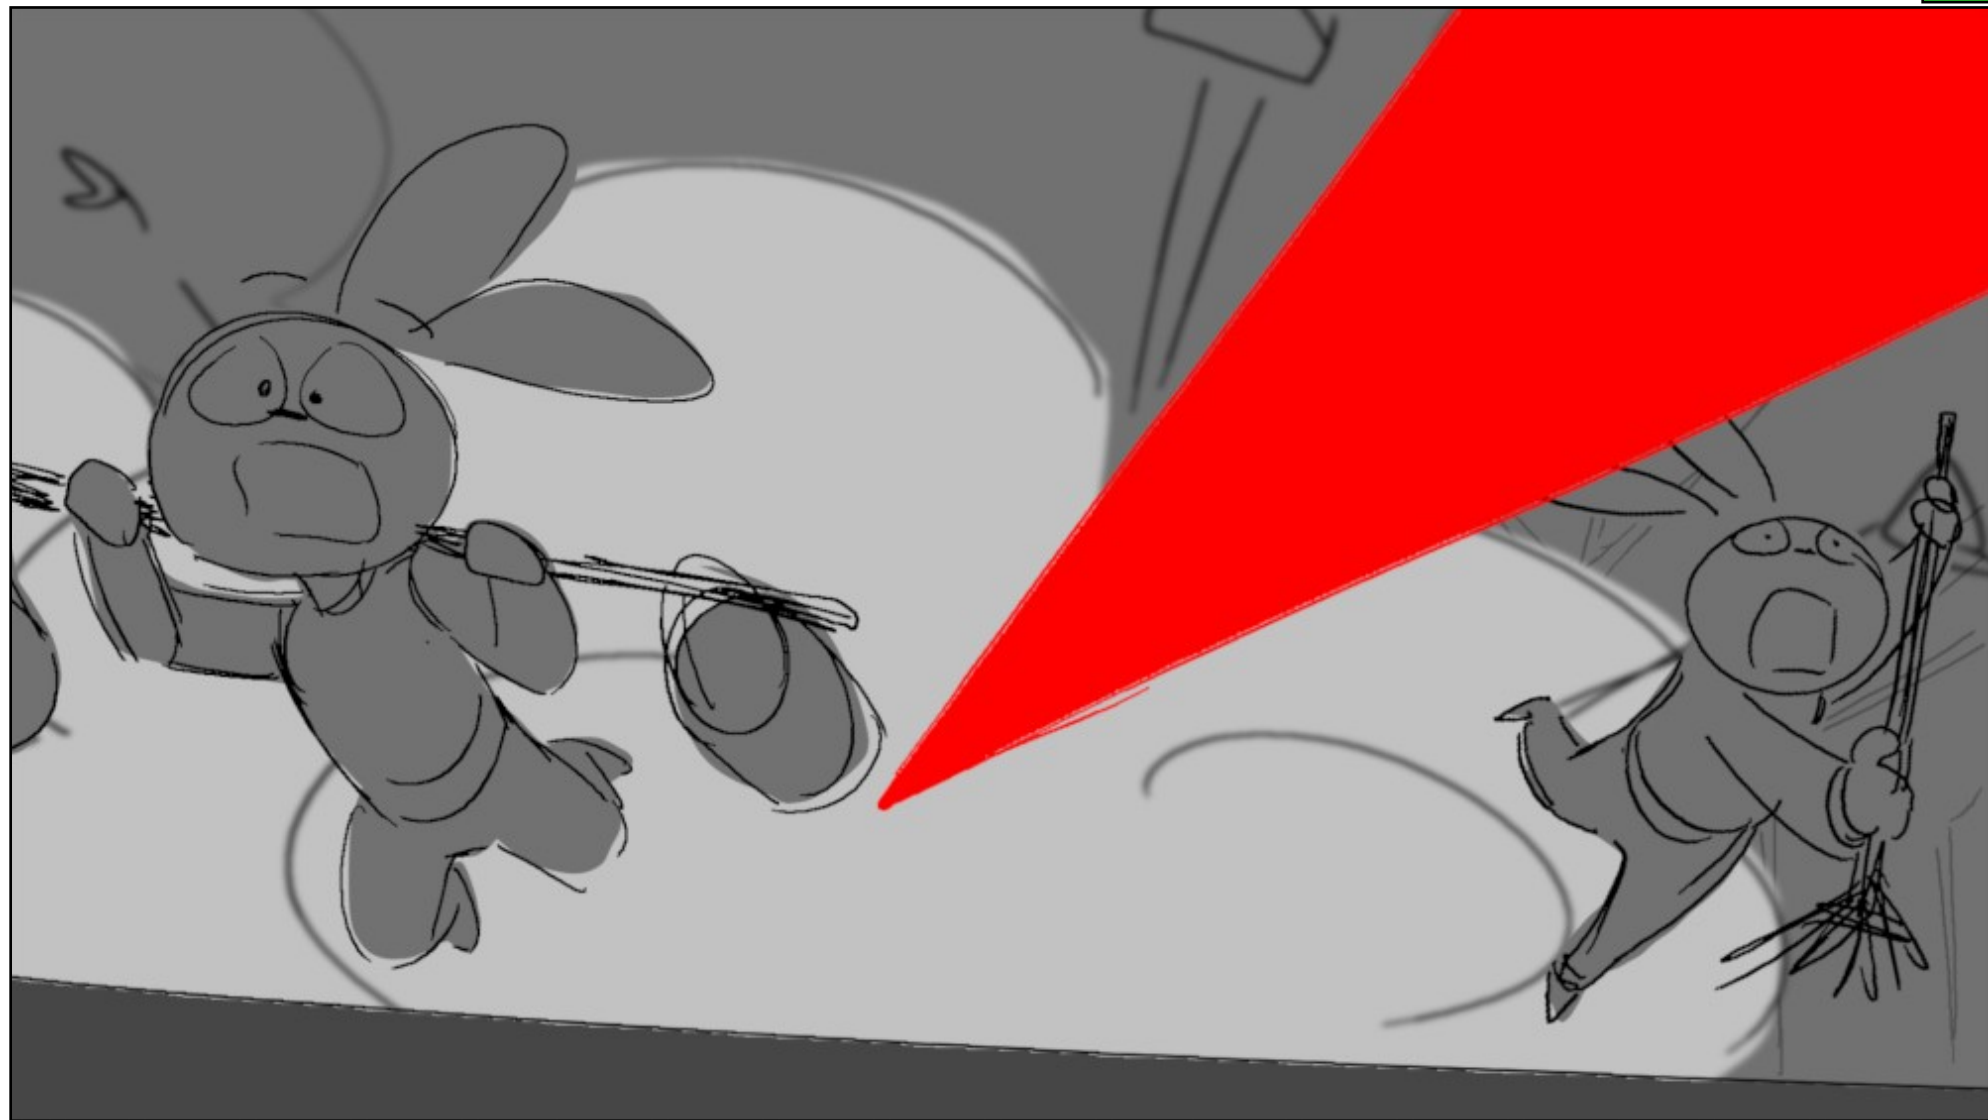

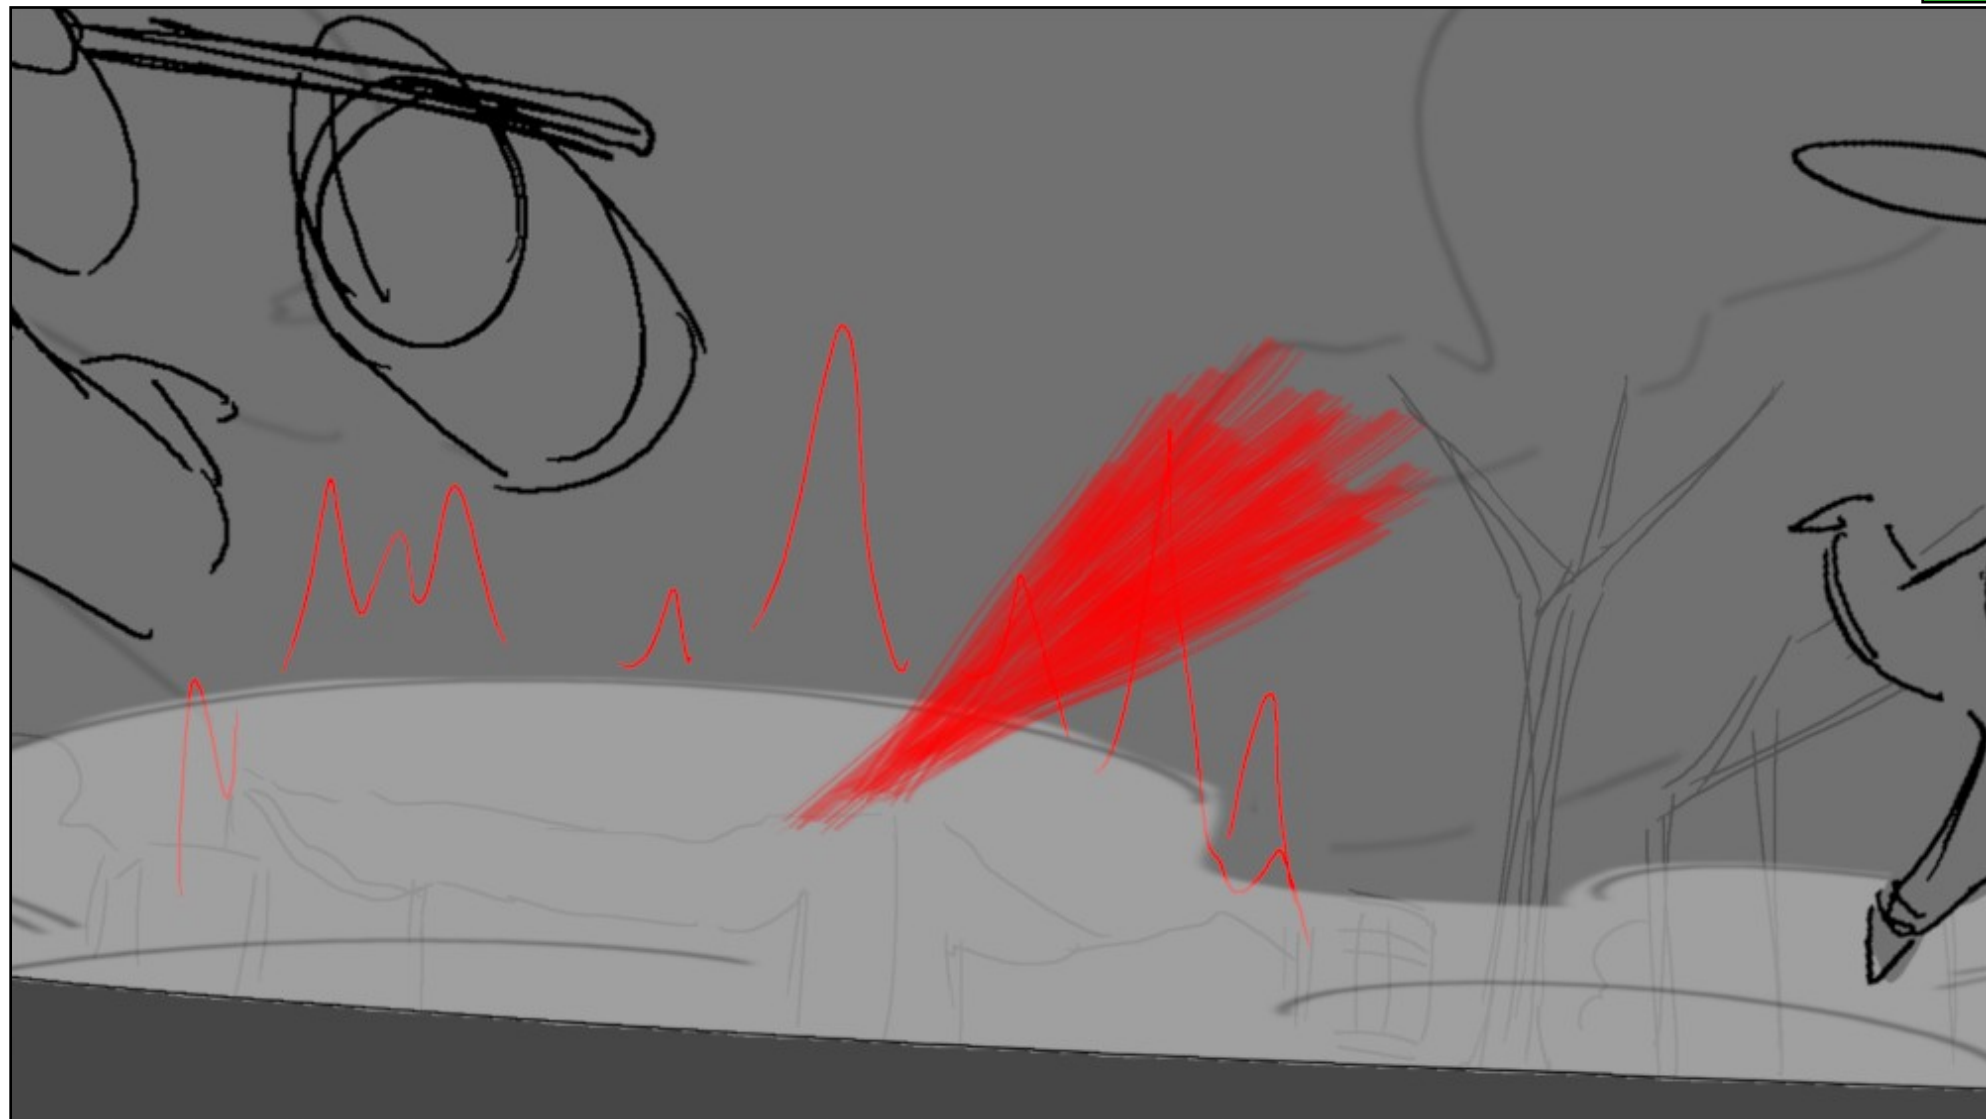

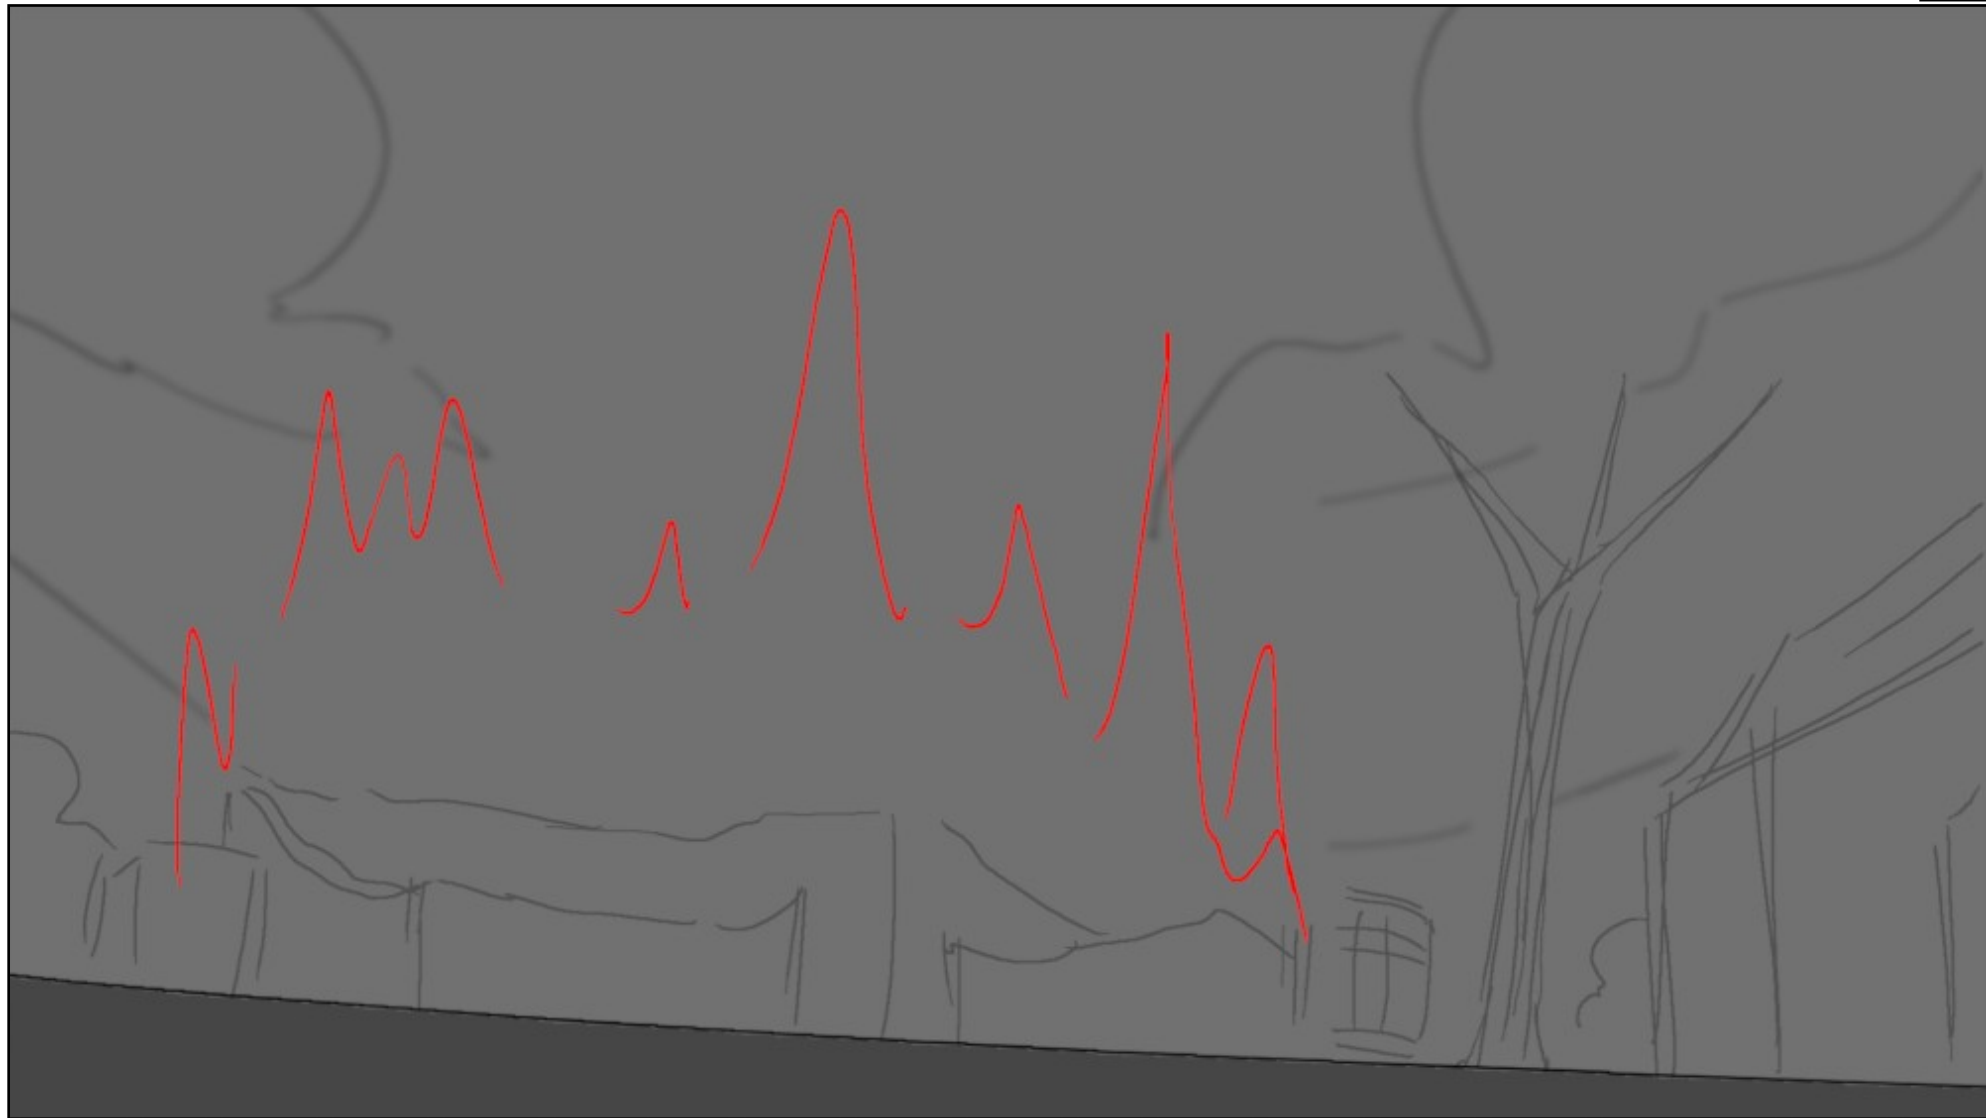

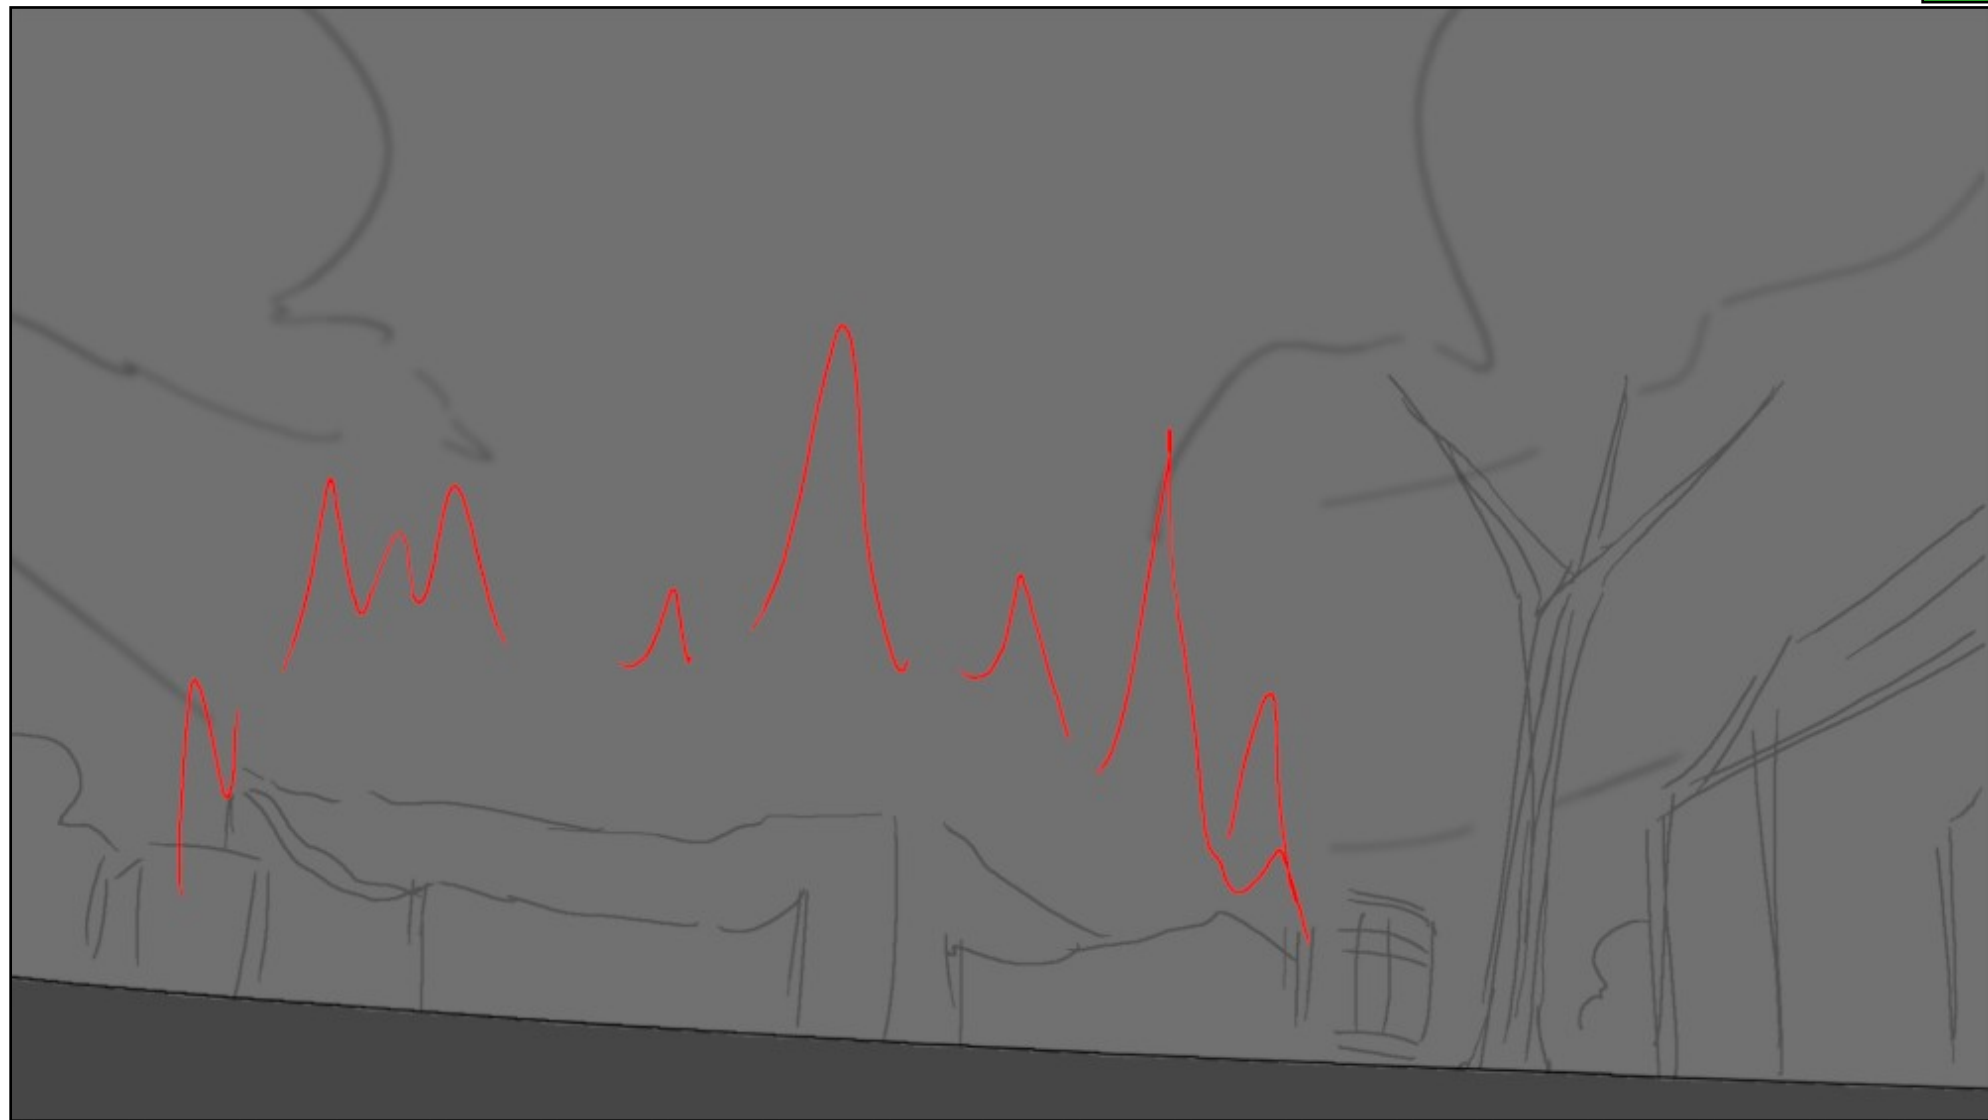

0022-5
XIAO

146 What are you doing?! I agreed to abdicate!

0151-4
SHI LONG

147 Yes, but I still owe you a proper punishment for betraying me with

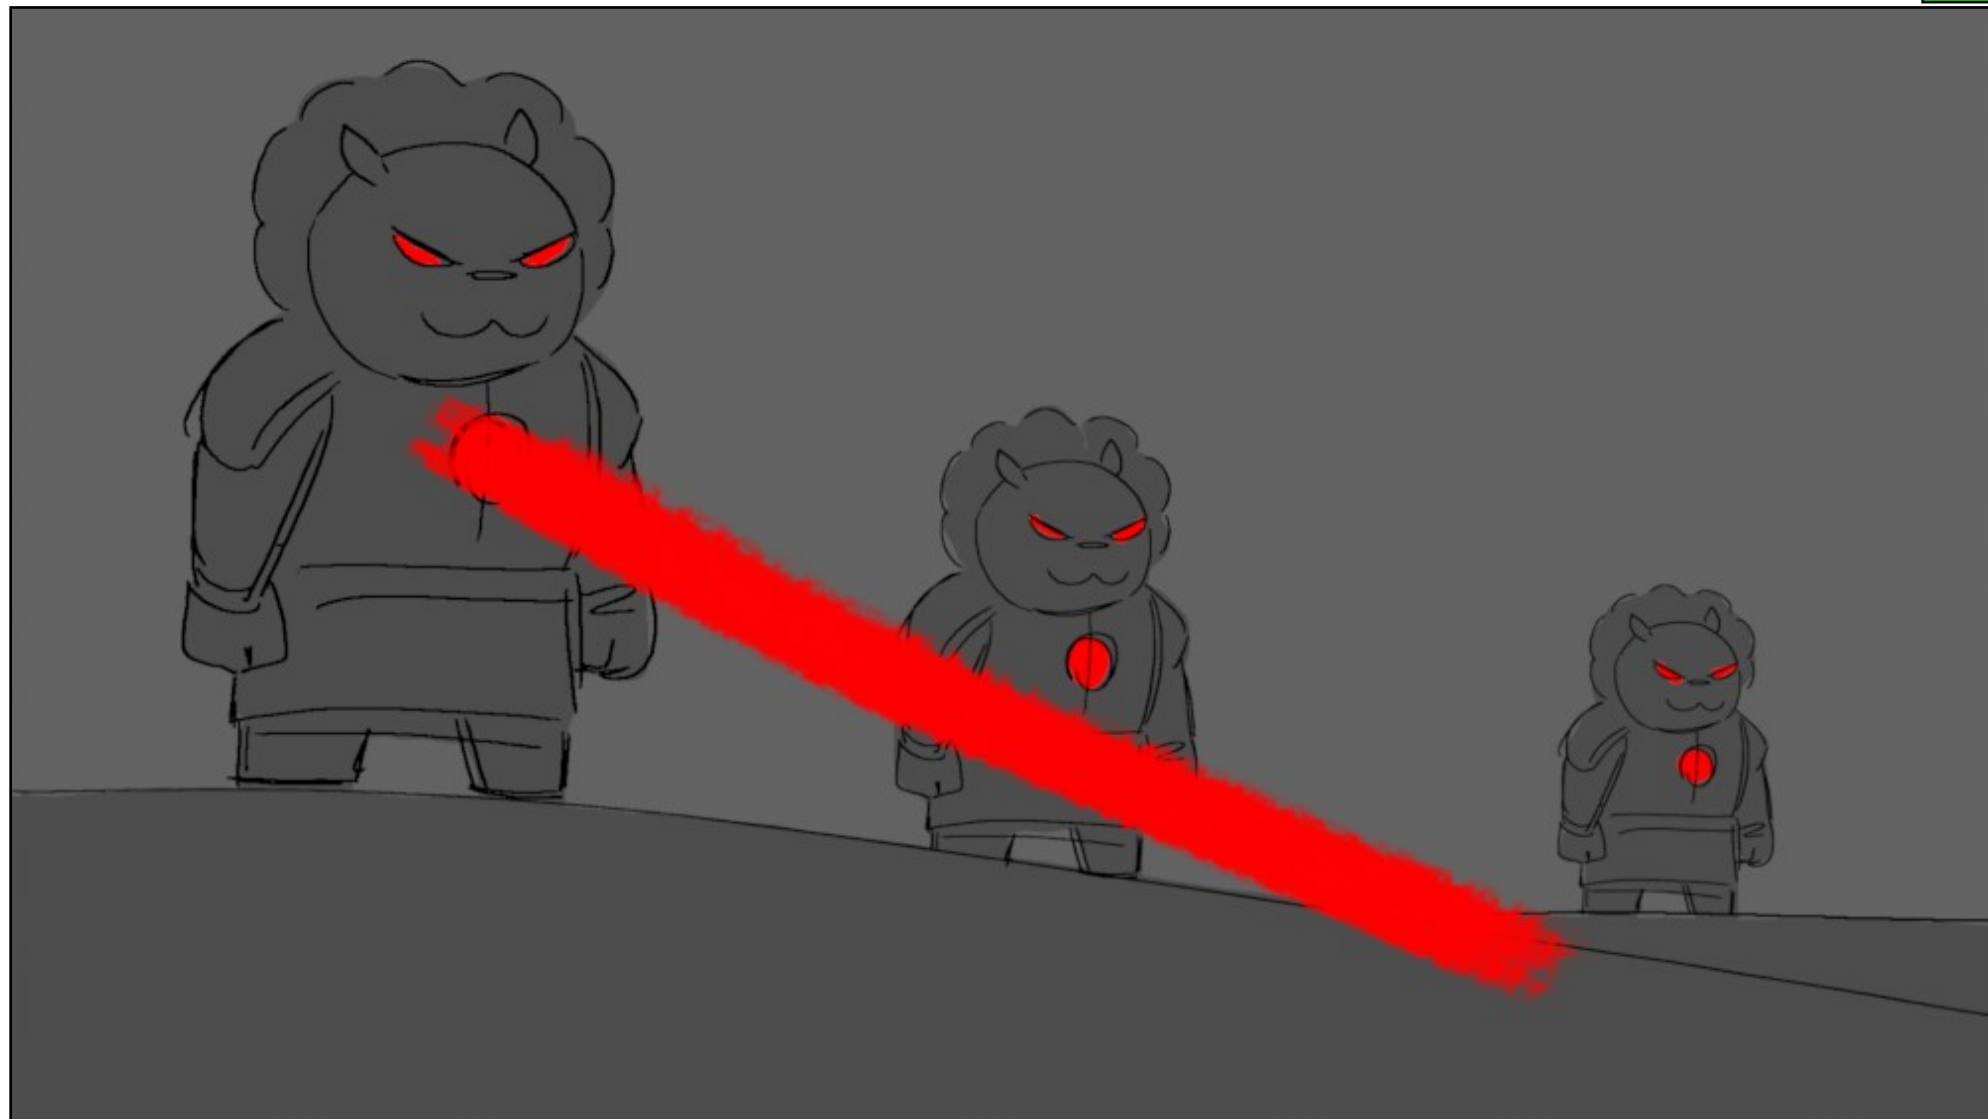

0023-4
SHI LONG
147 your little "escape plan."

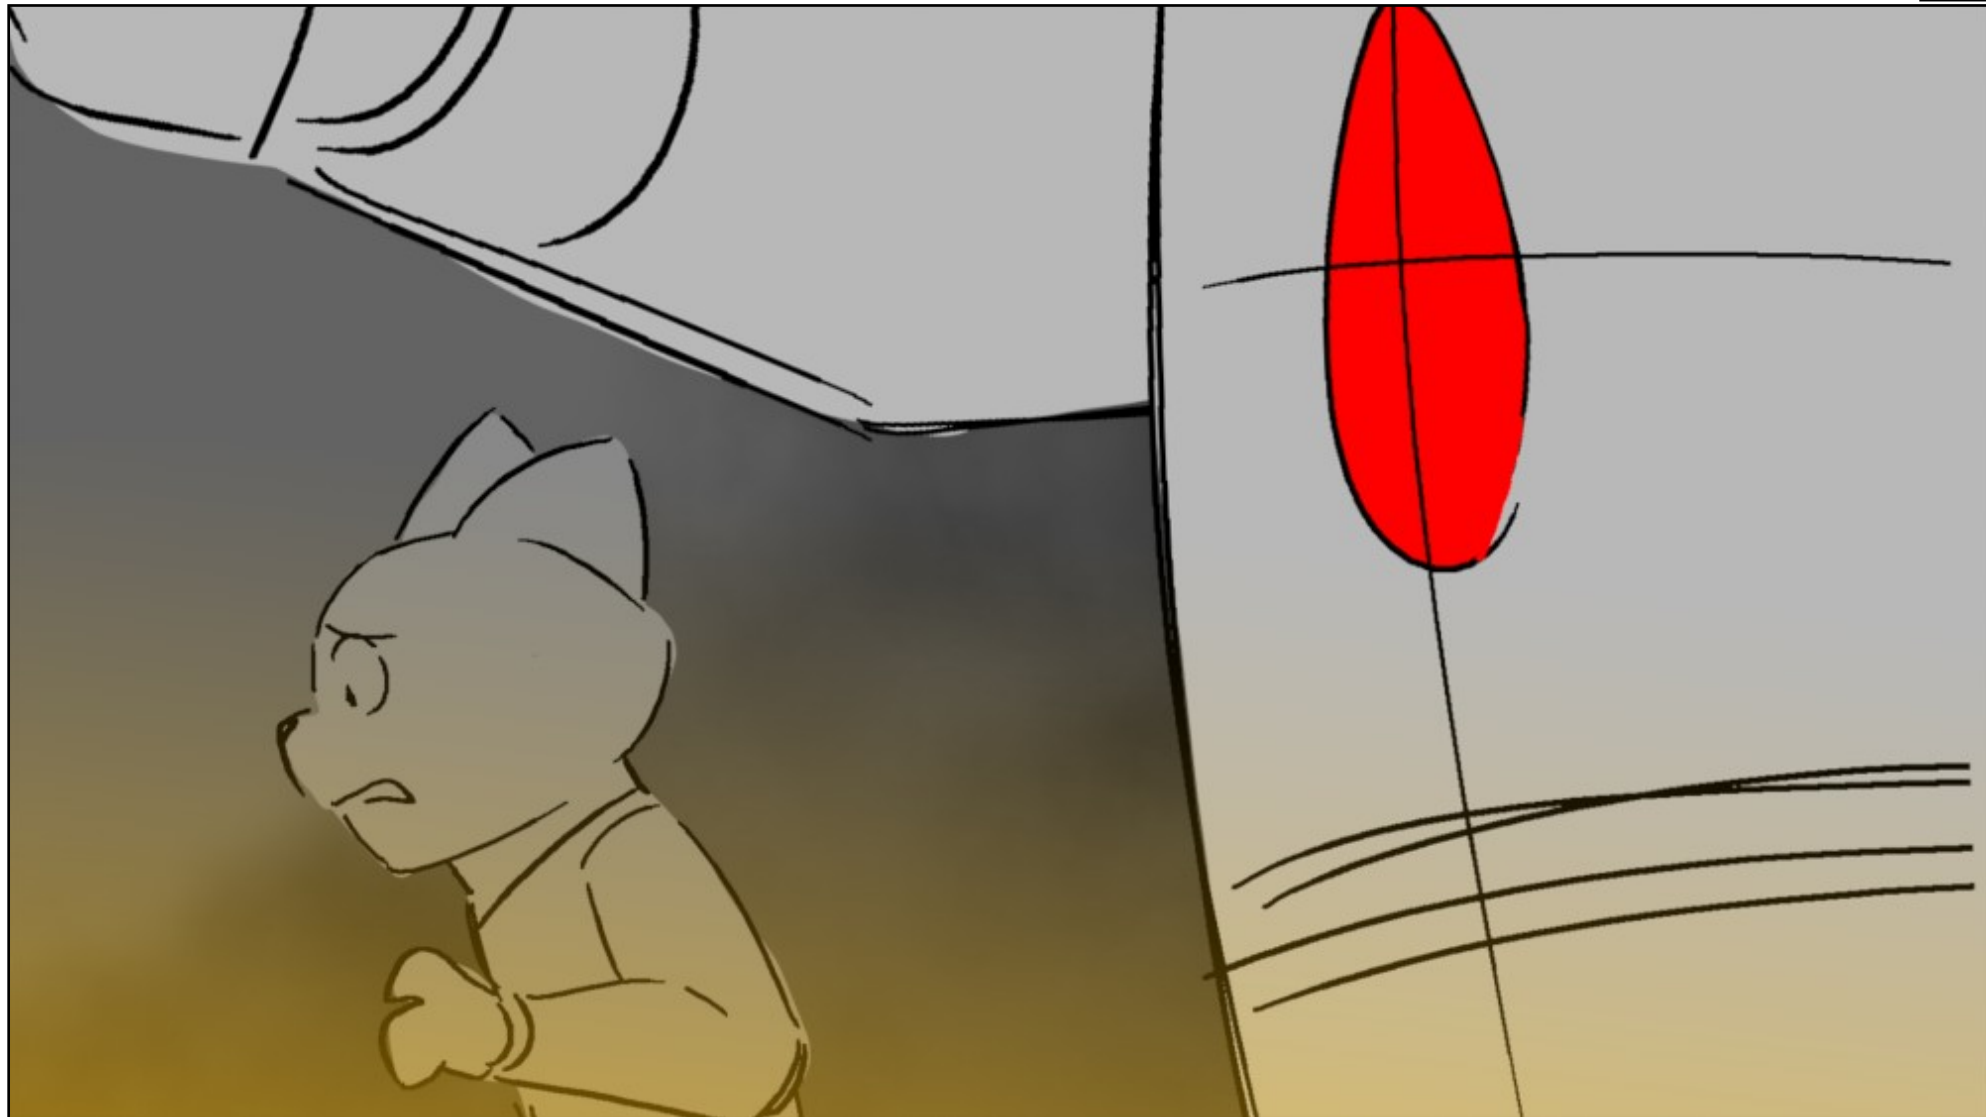

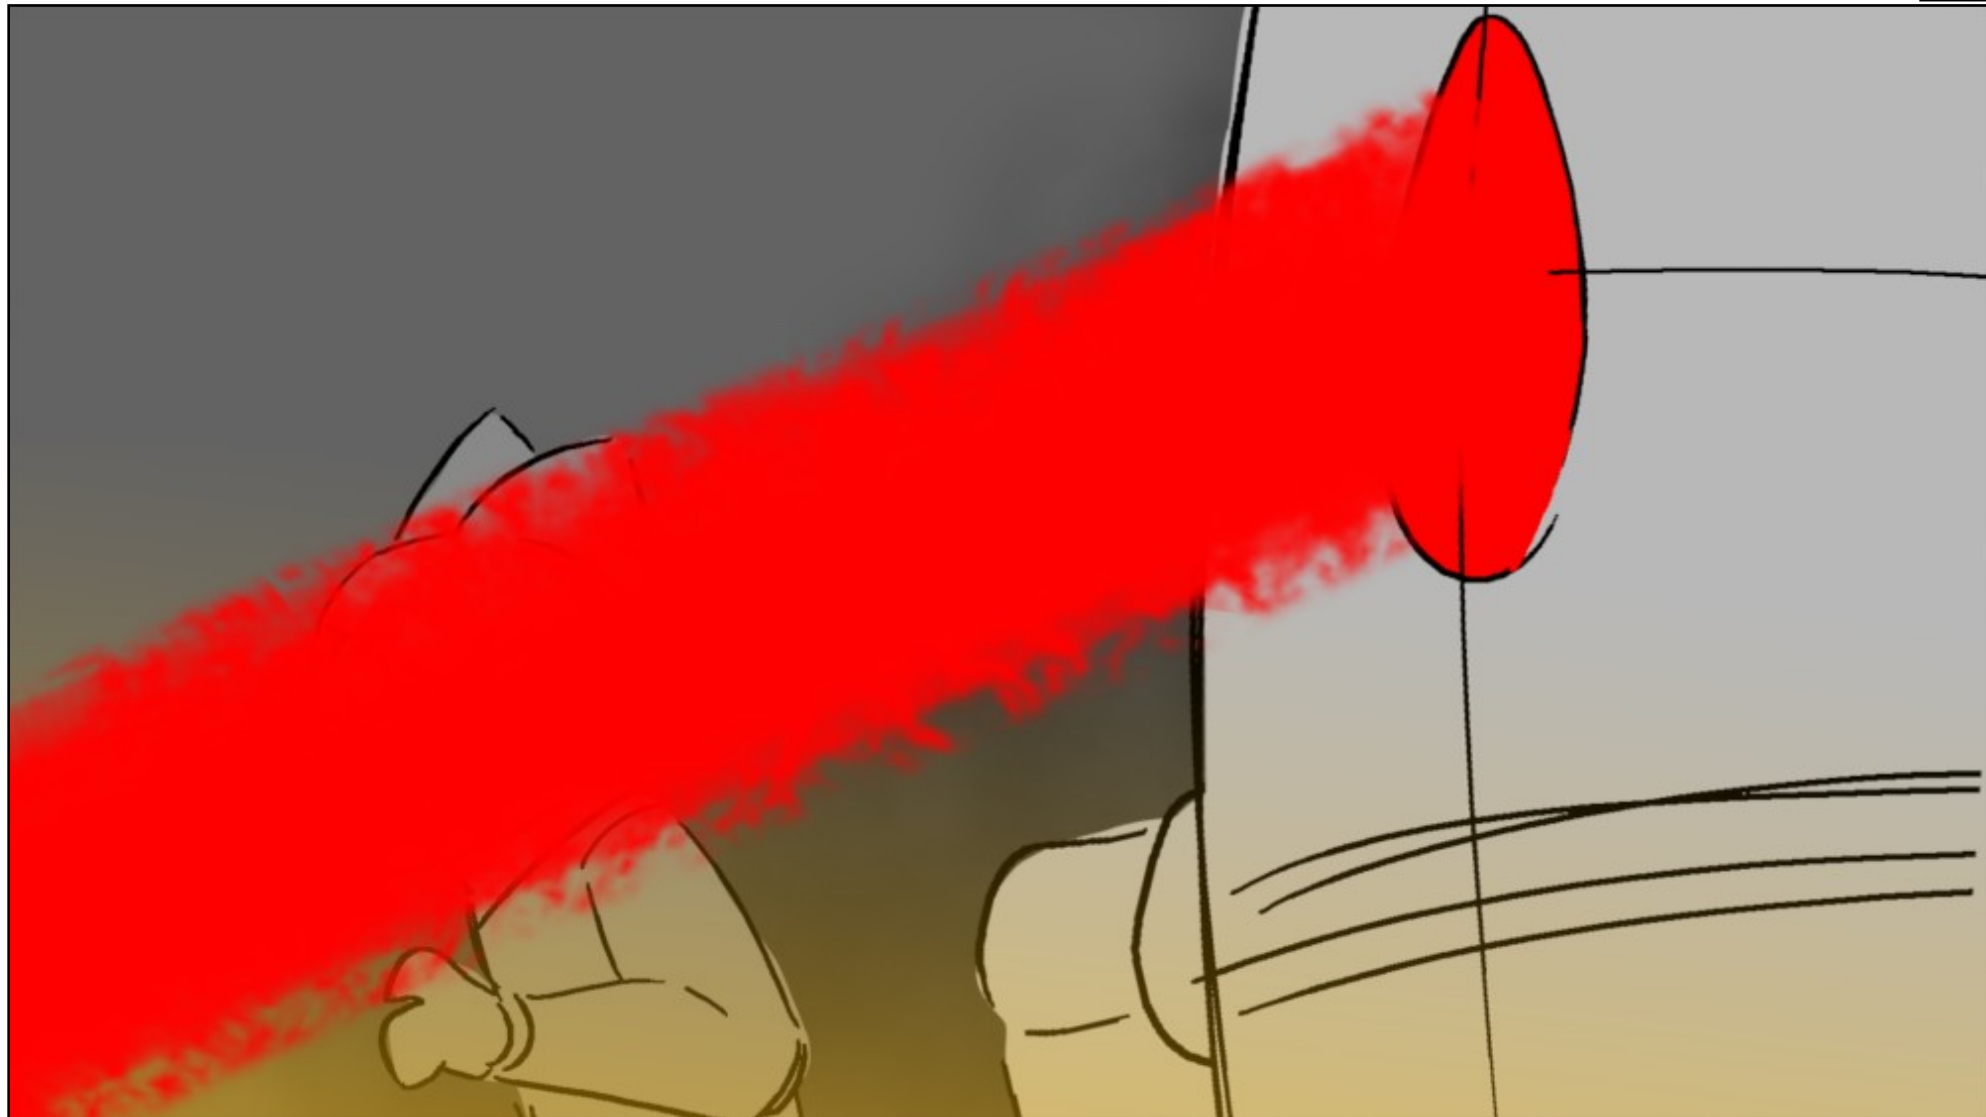

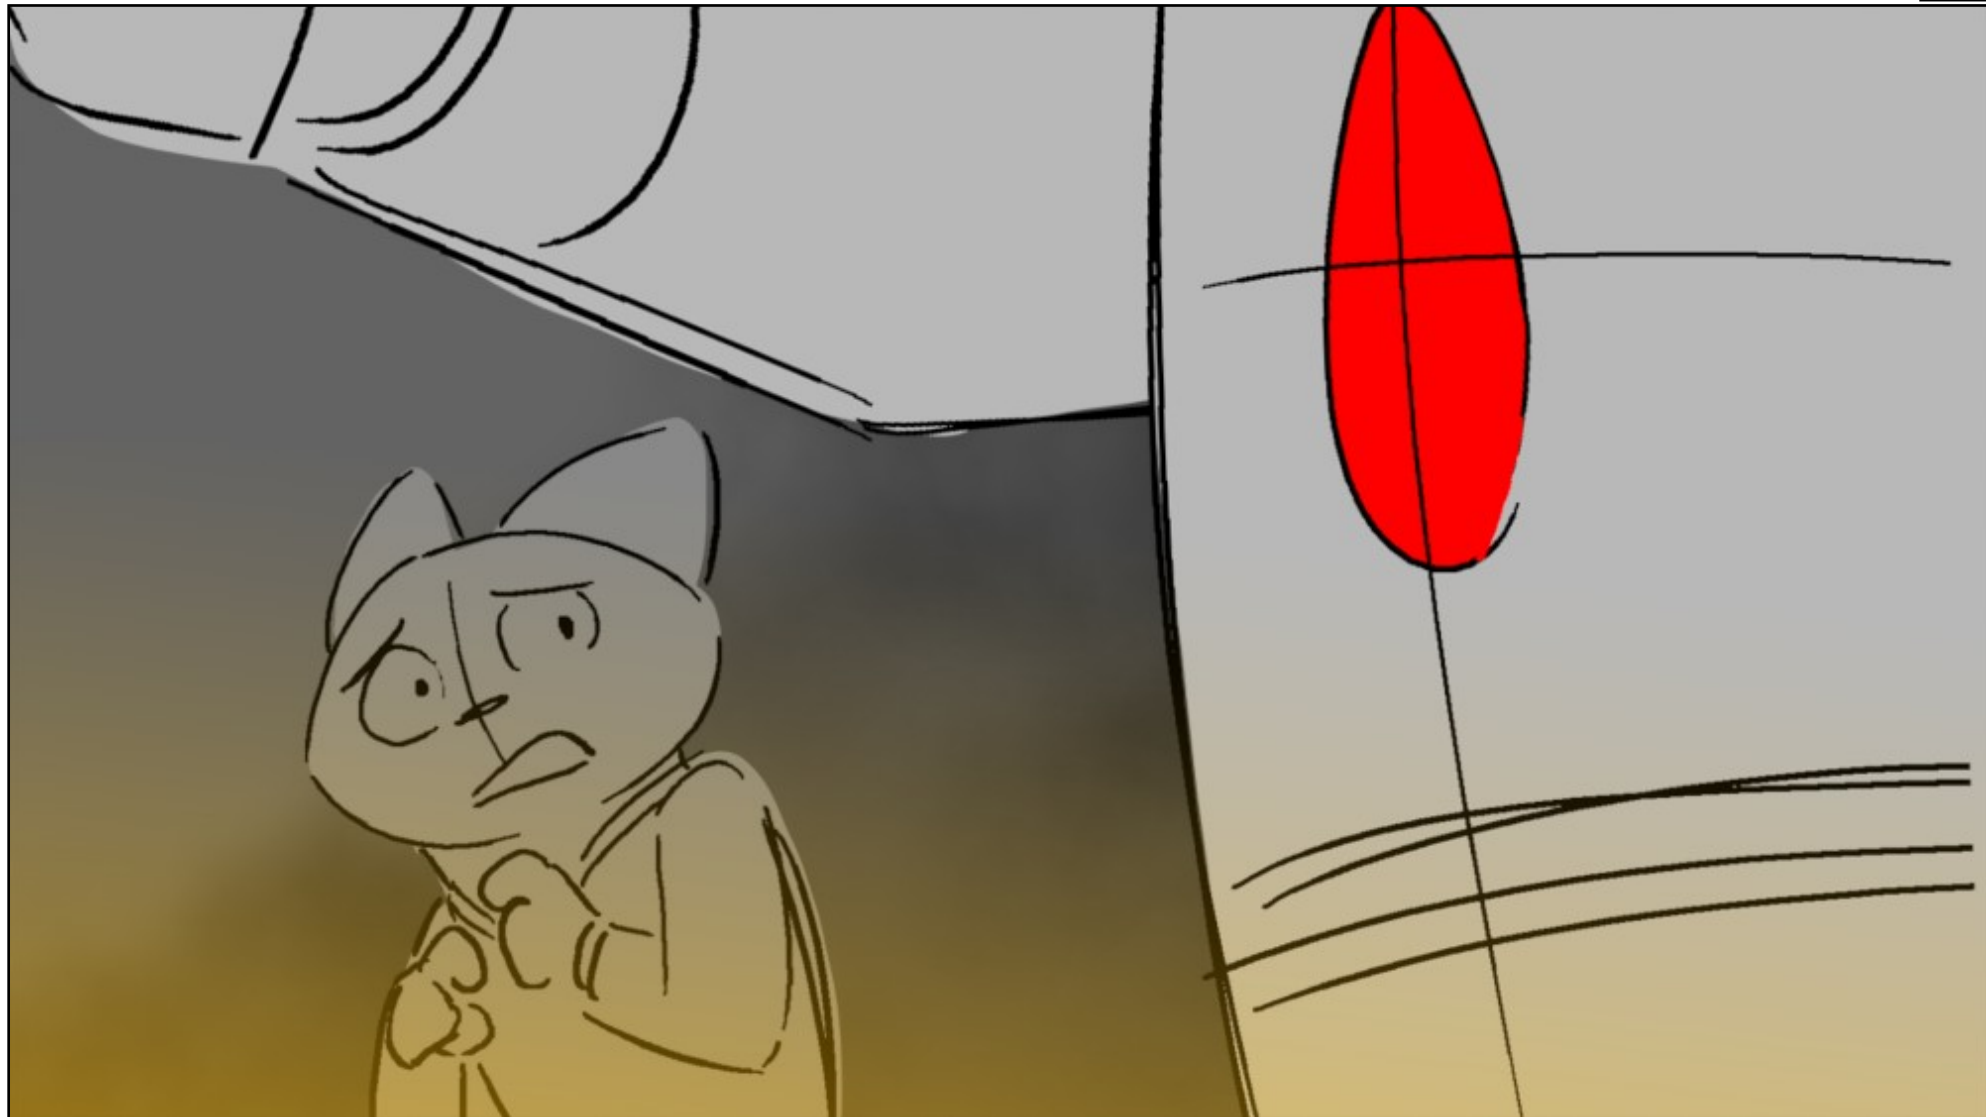

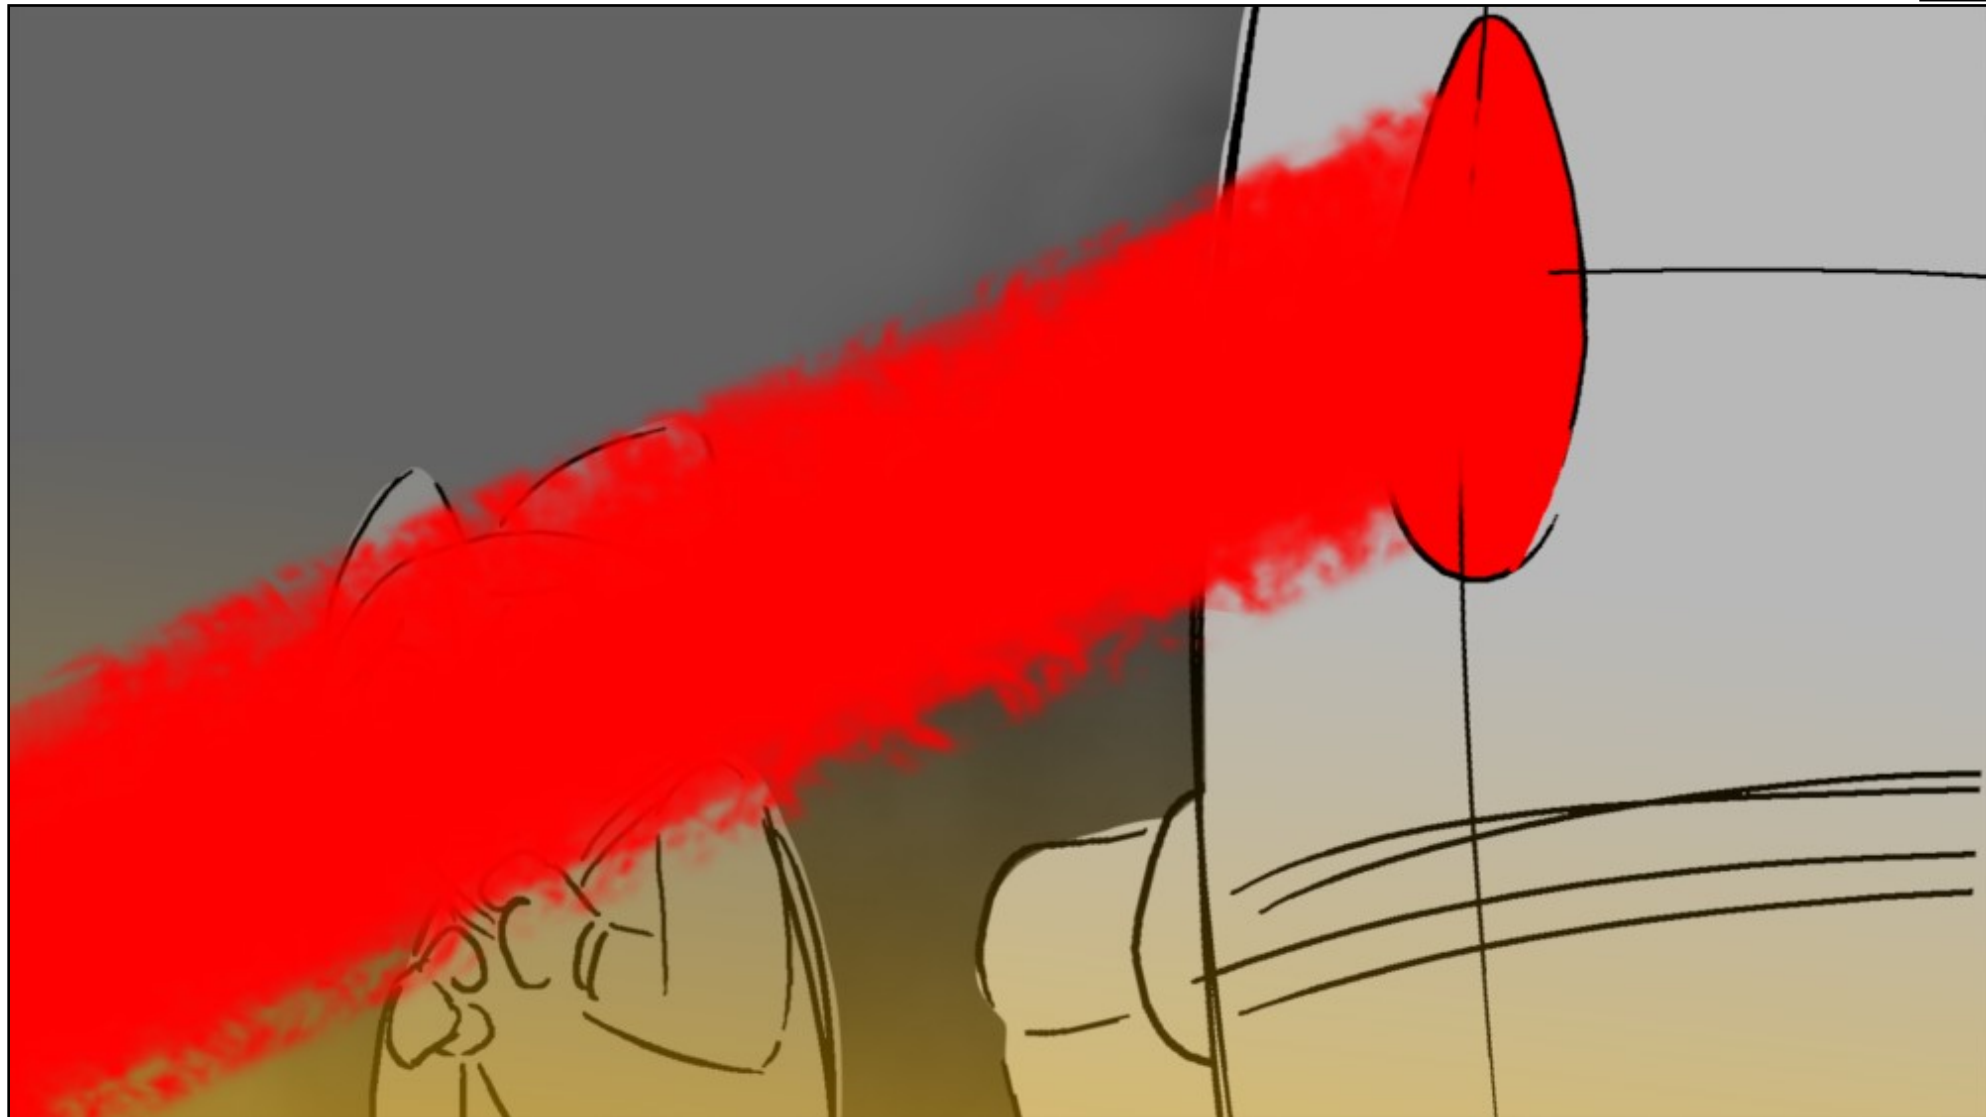

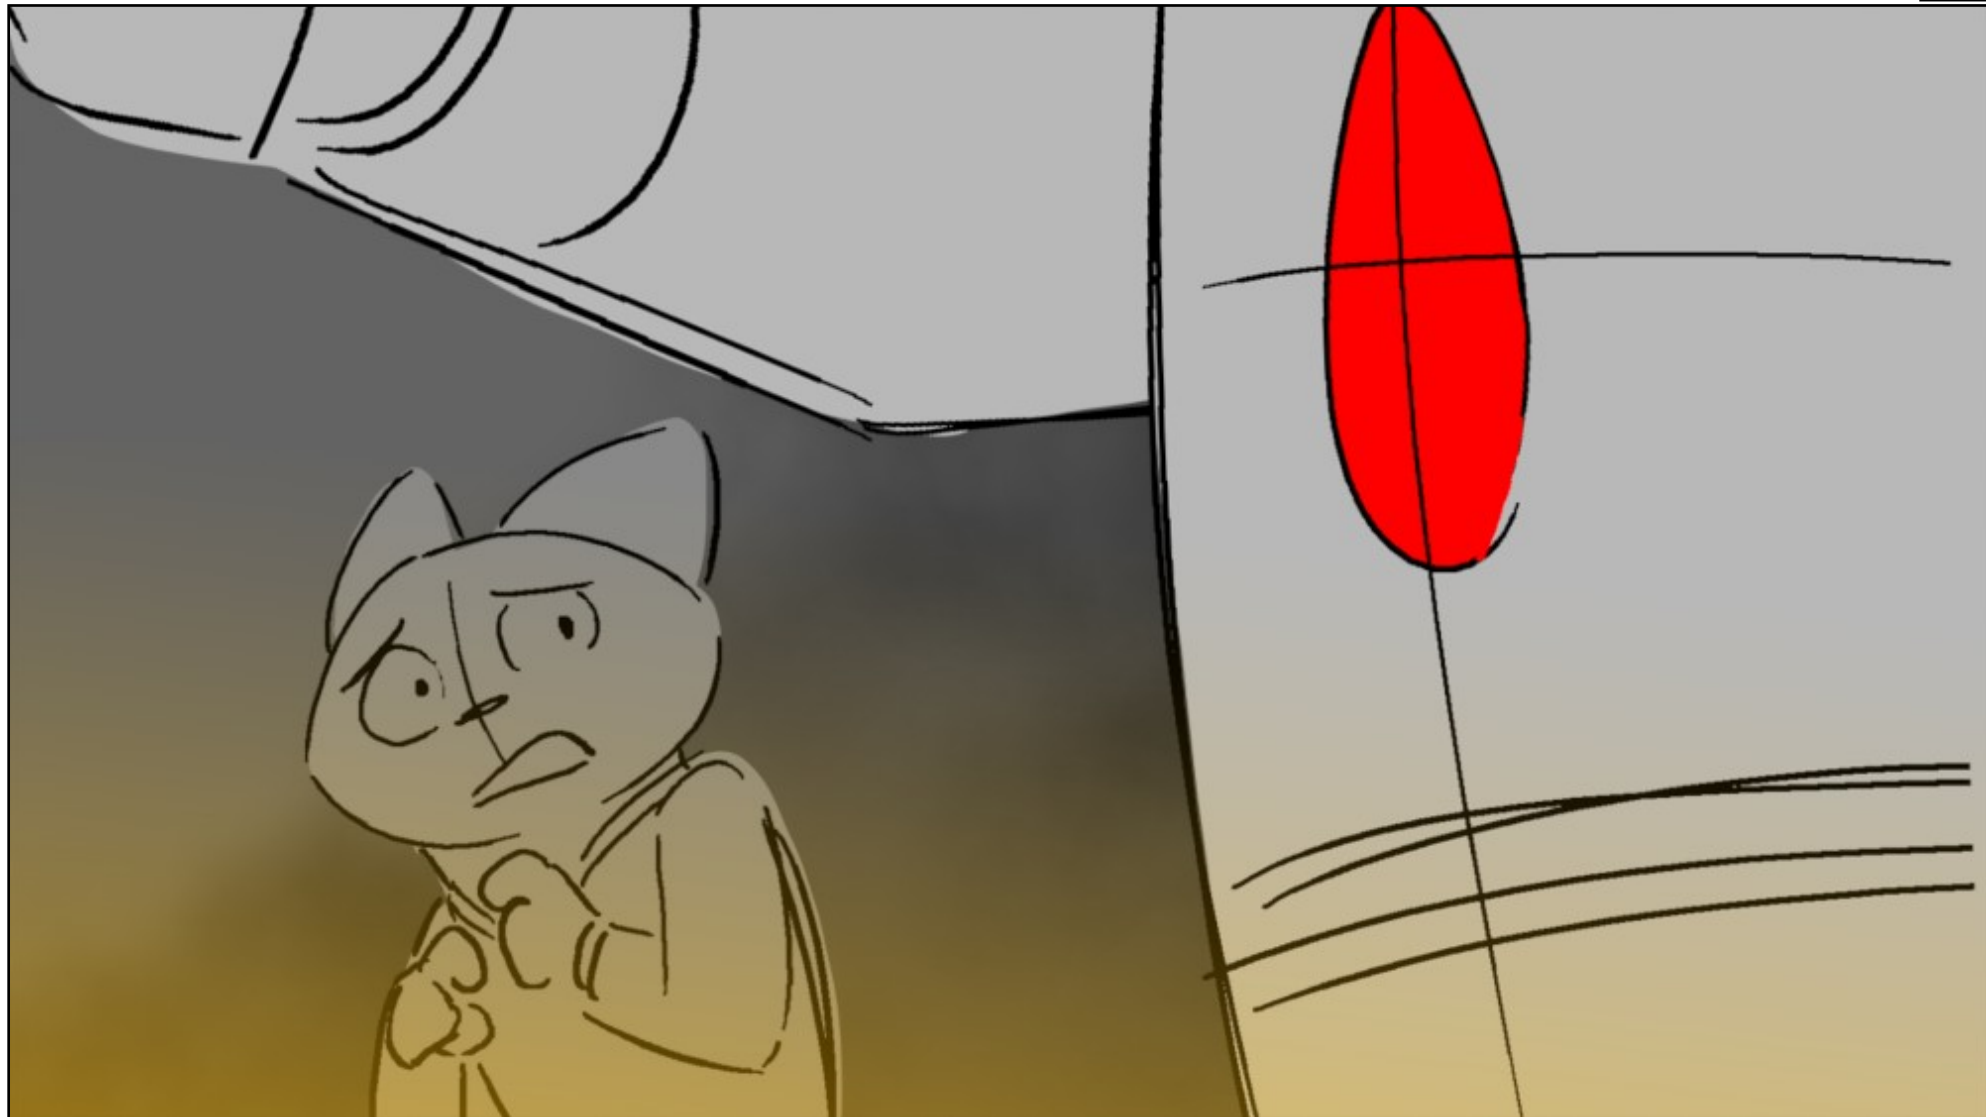

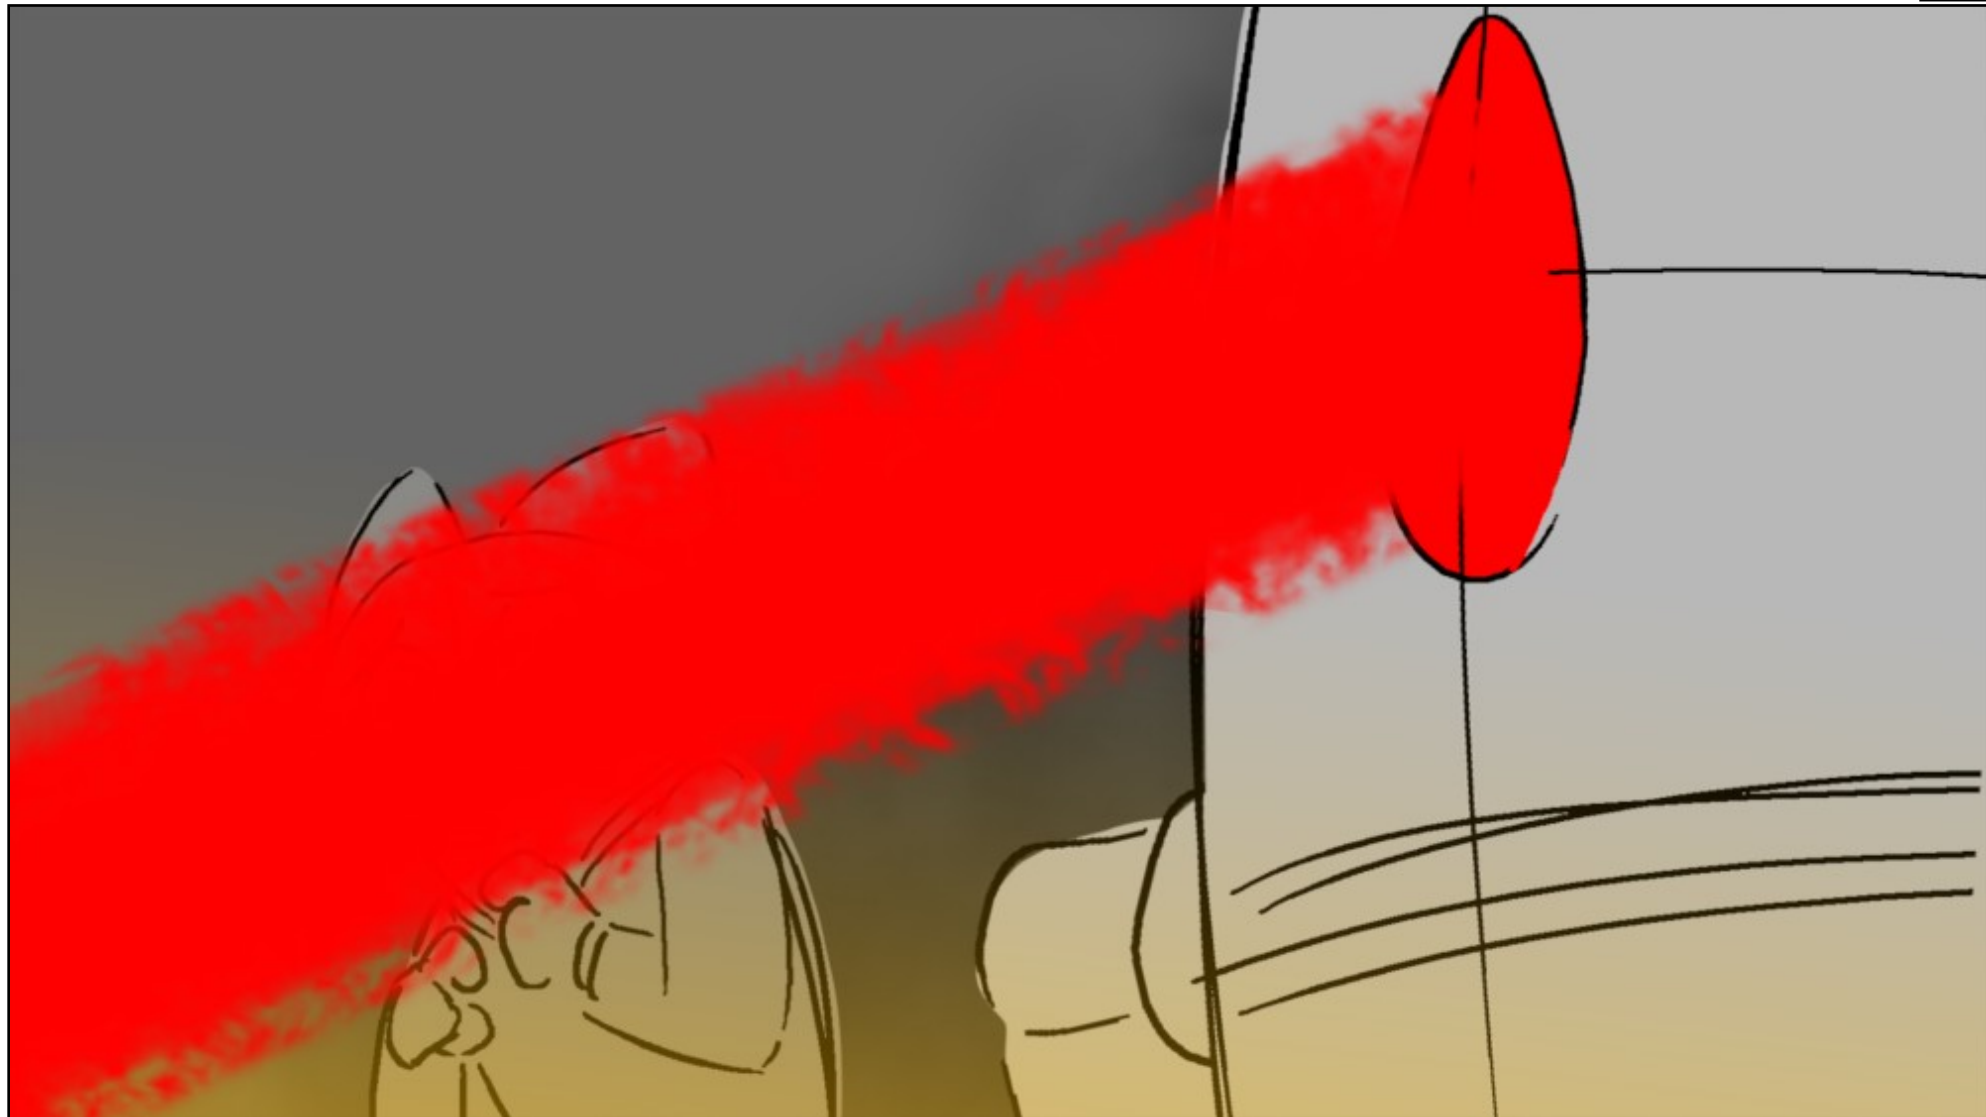

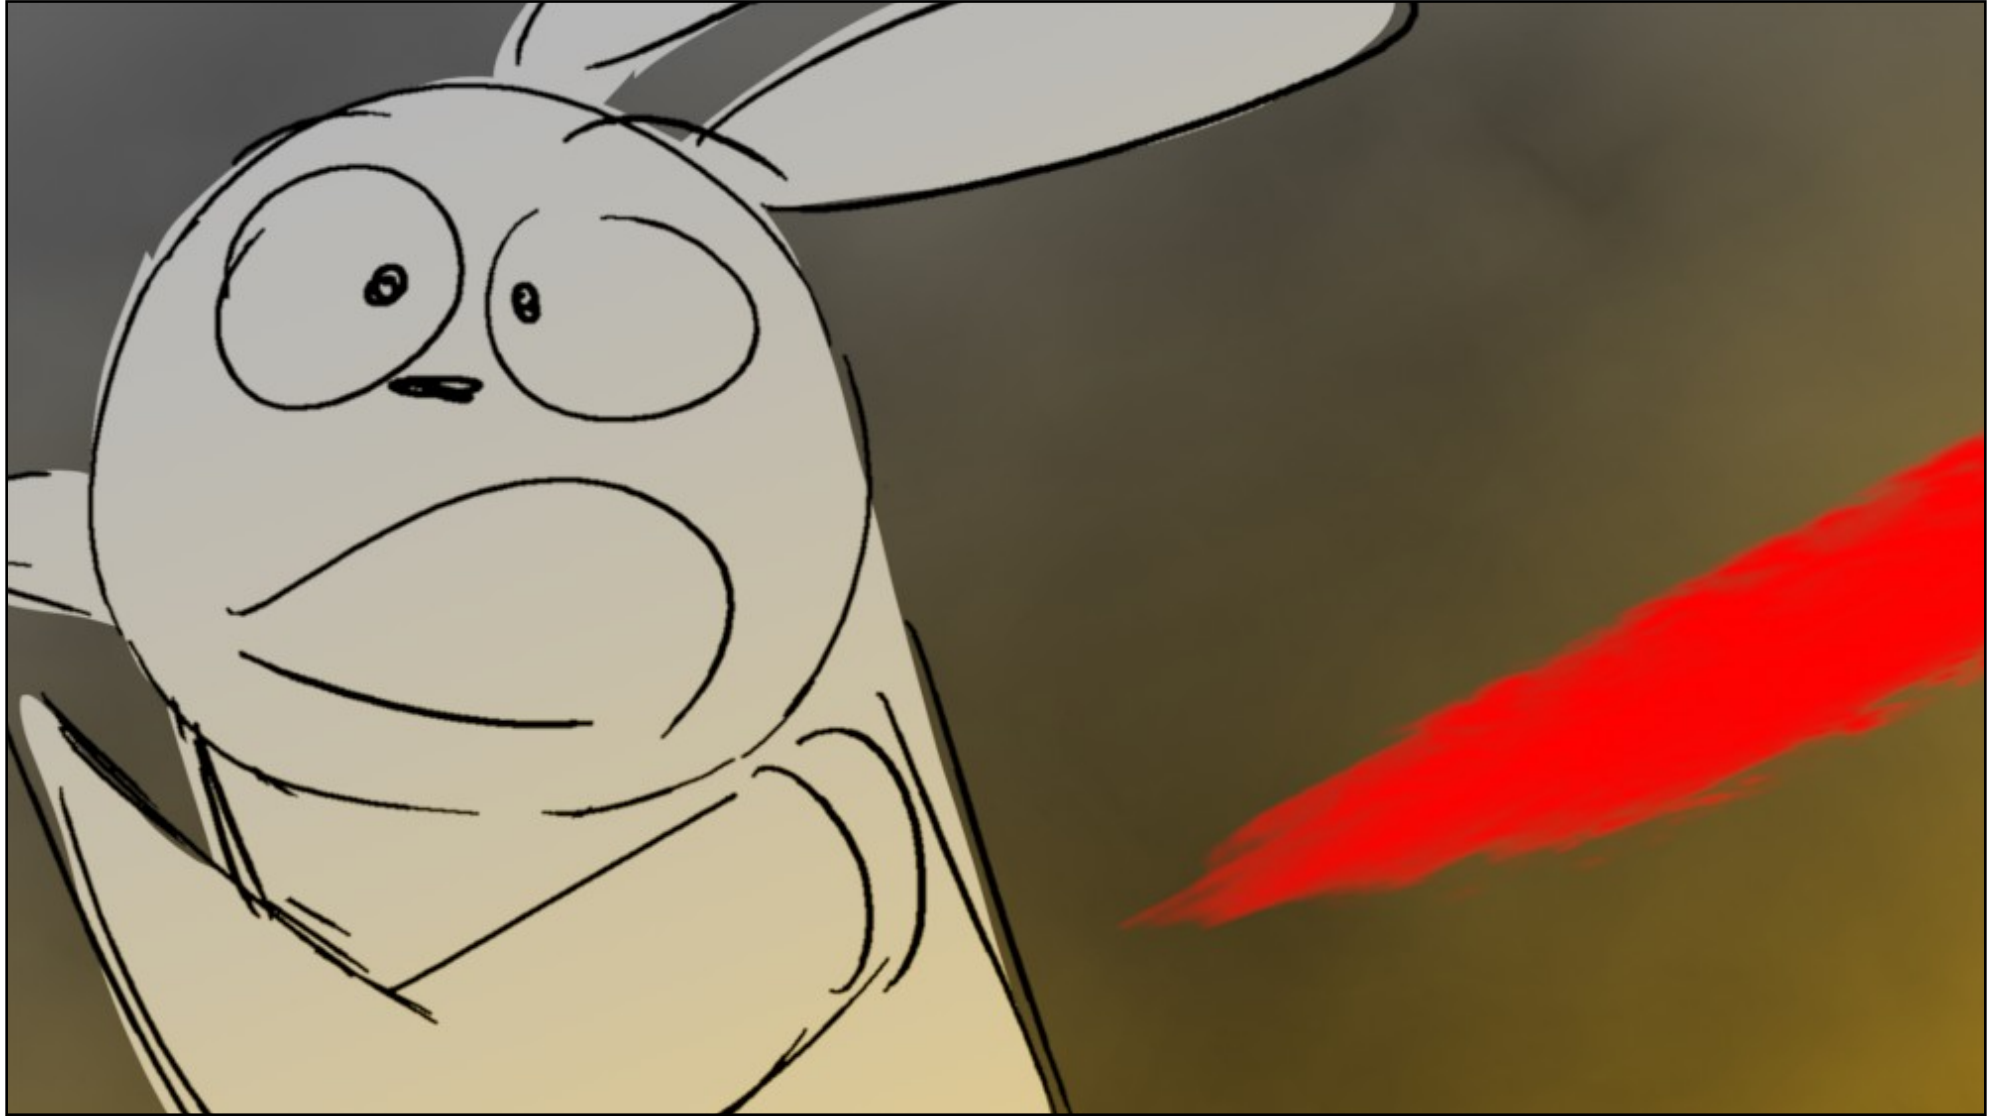

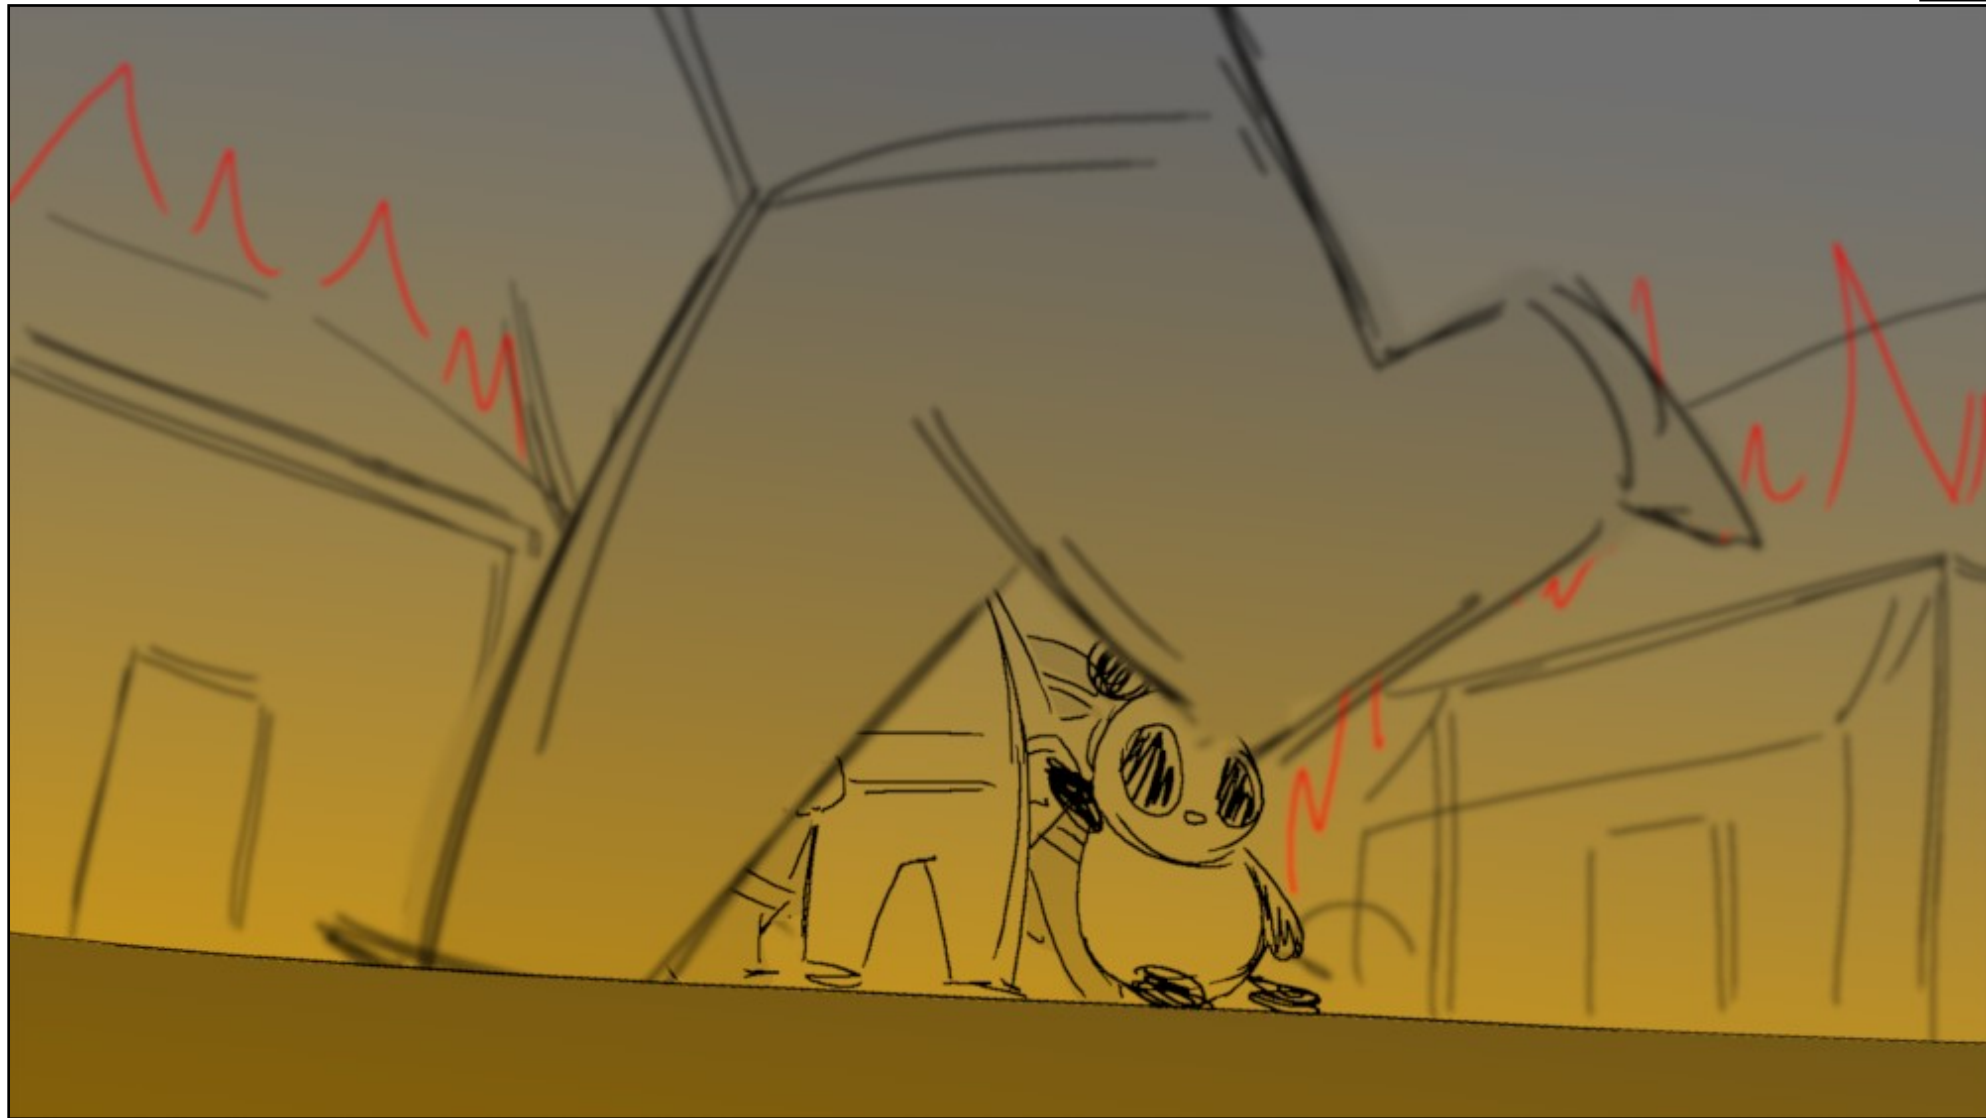

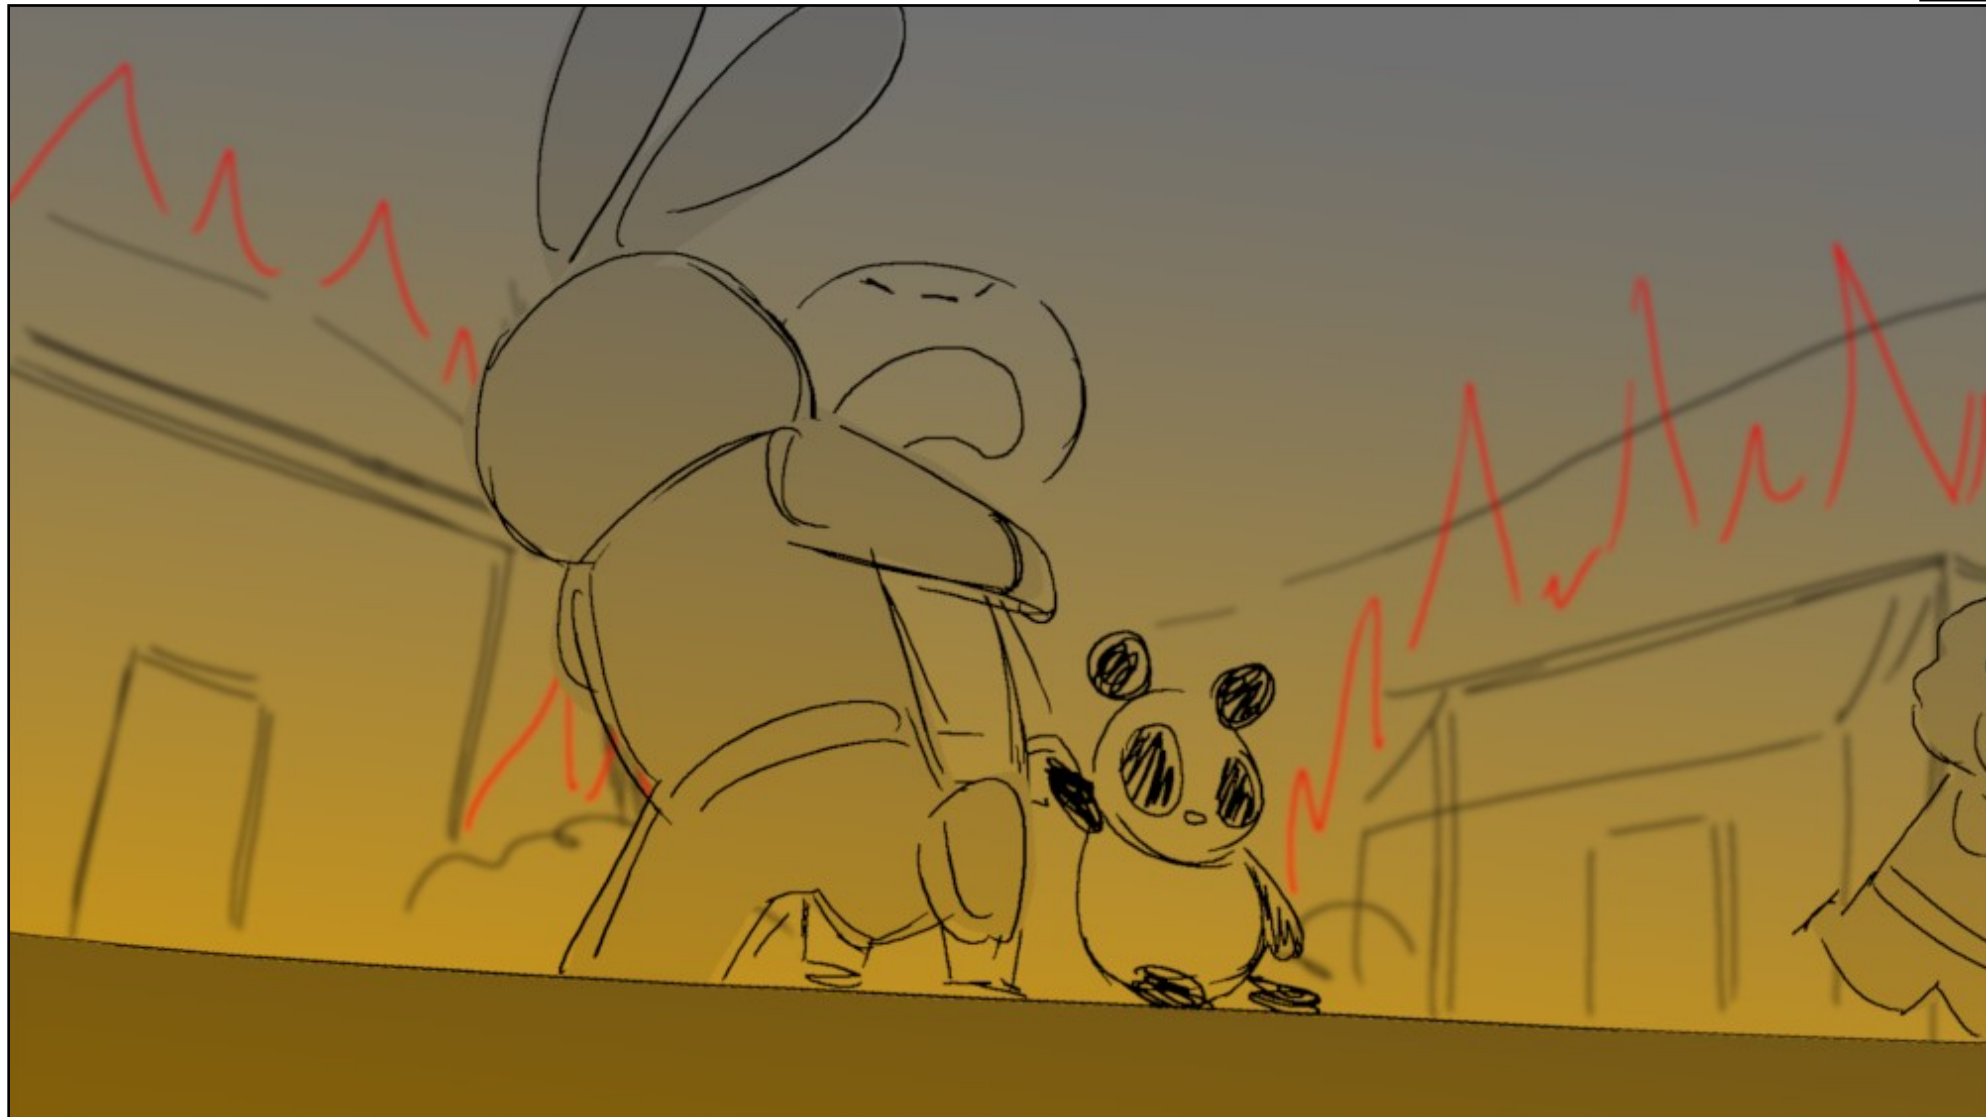

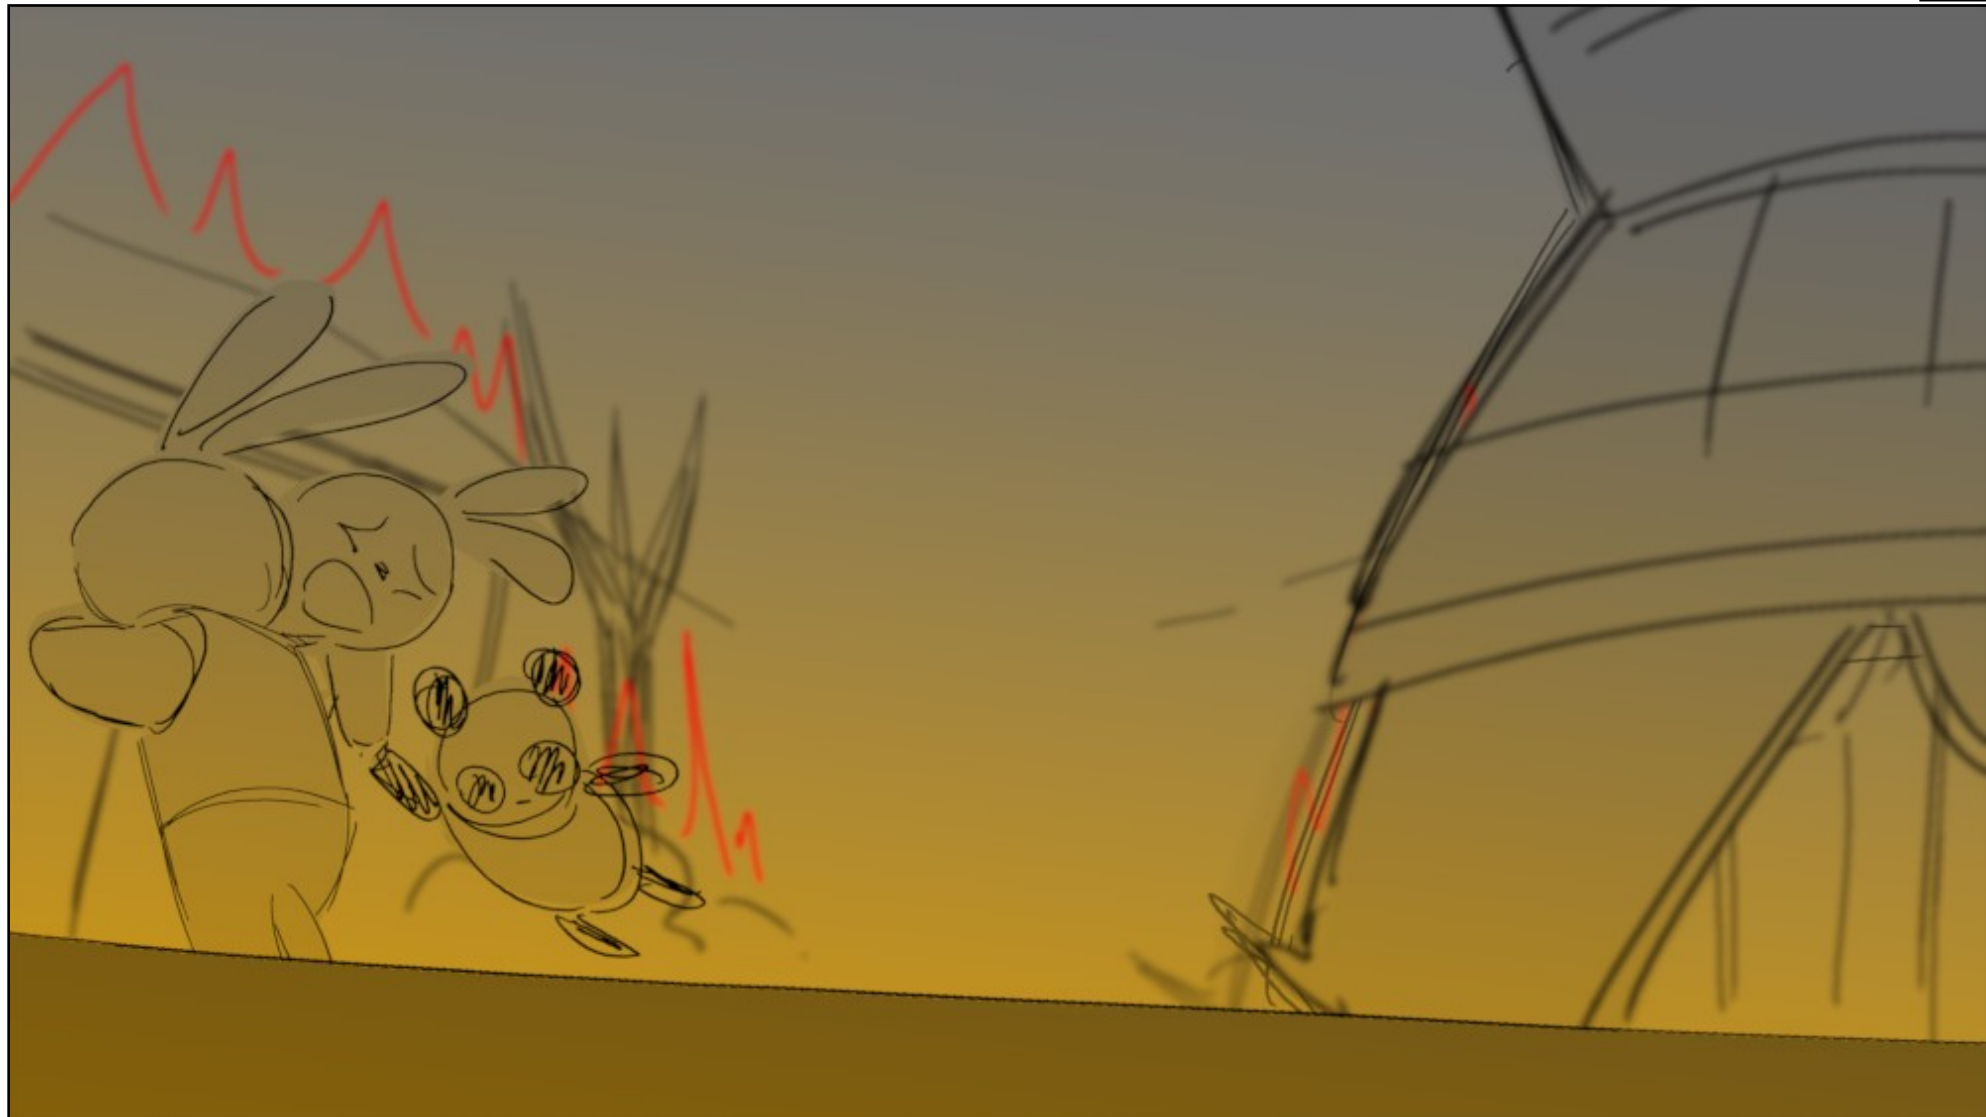

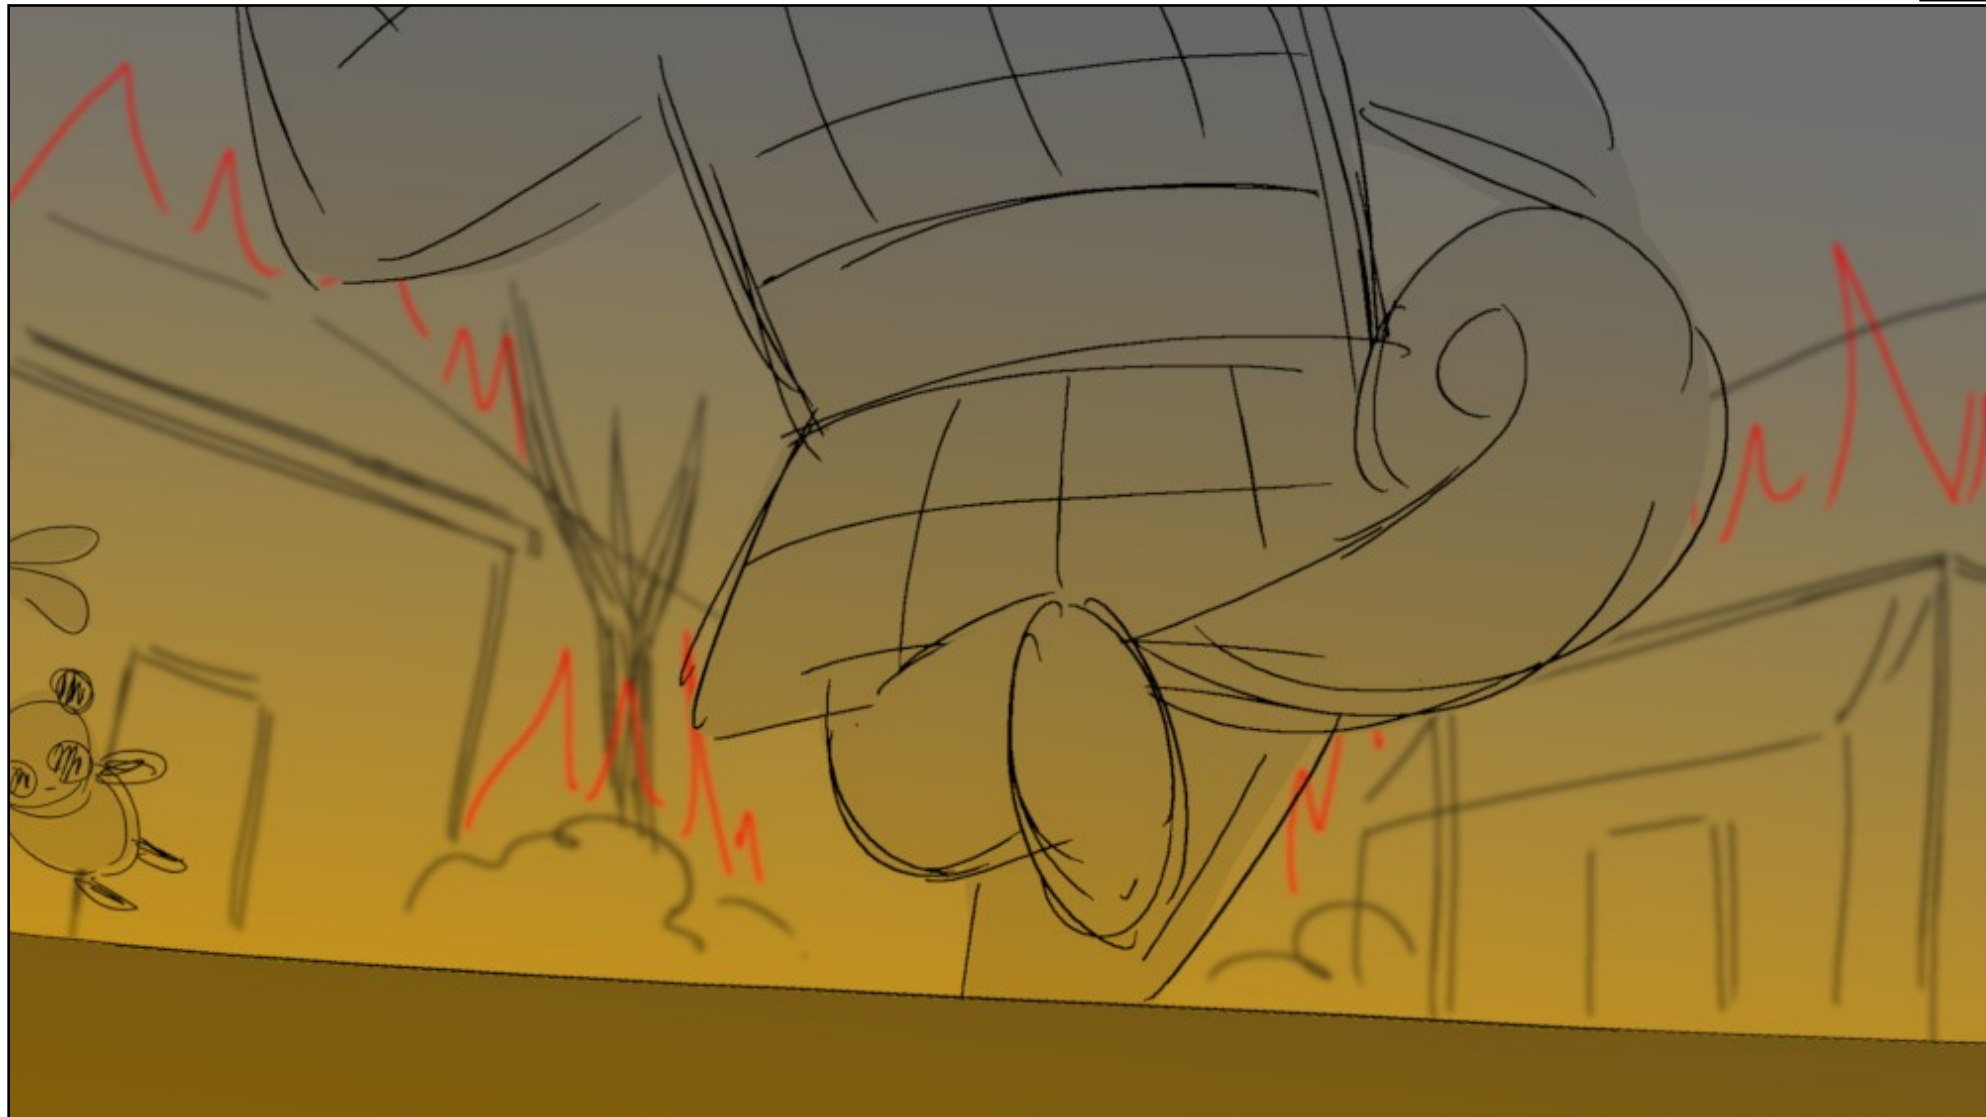

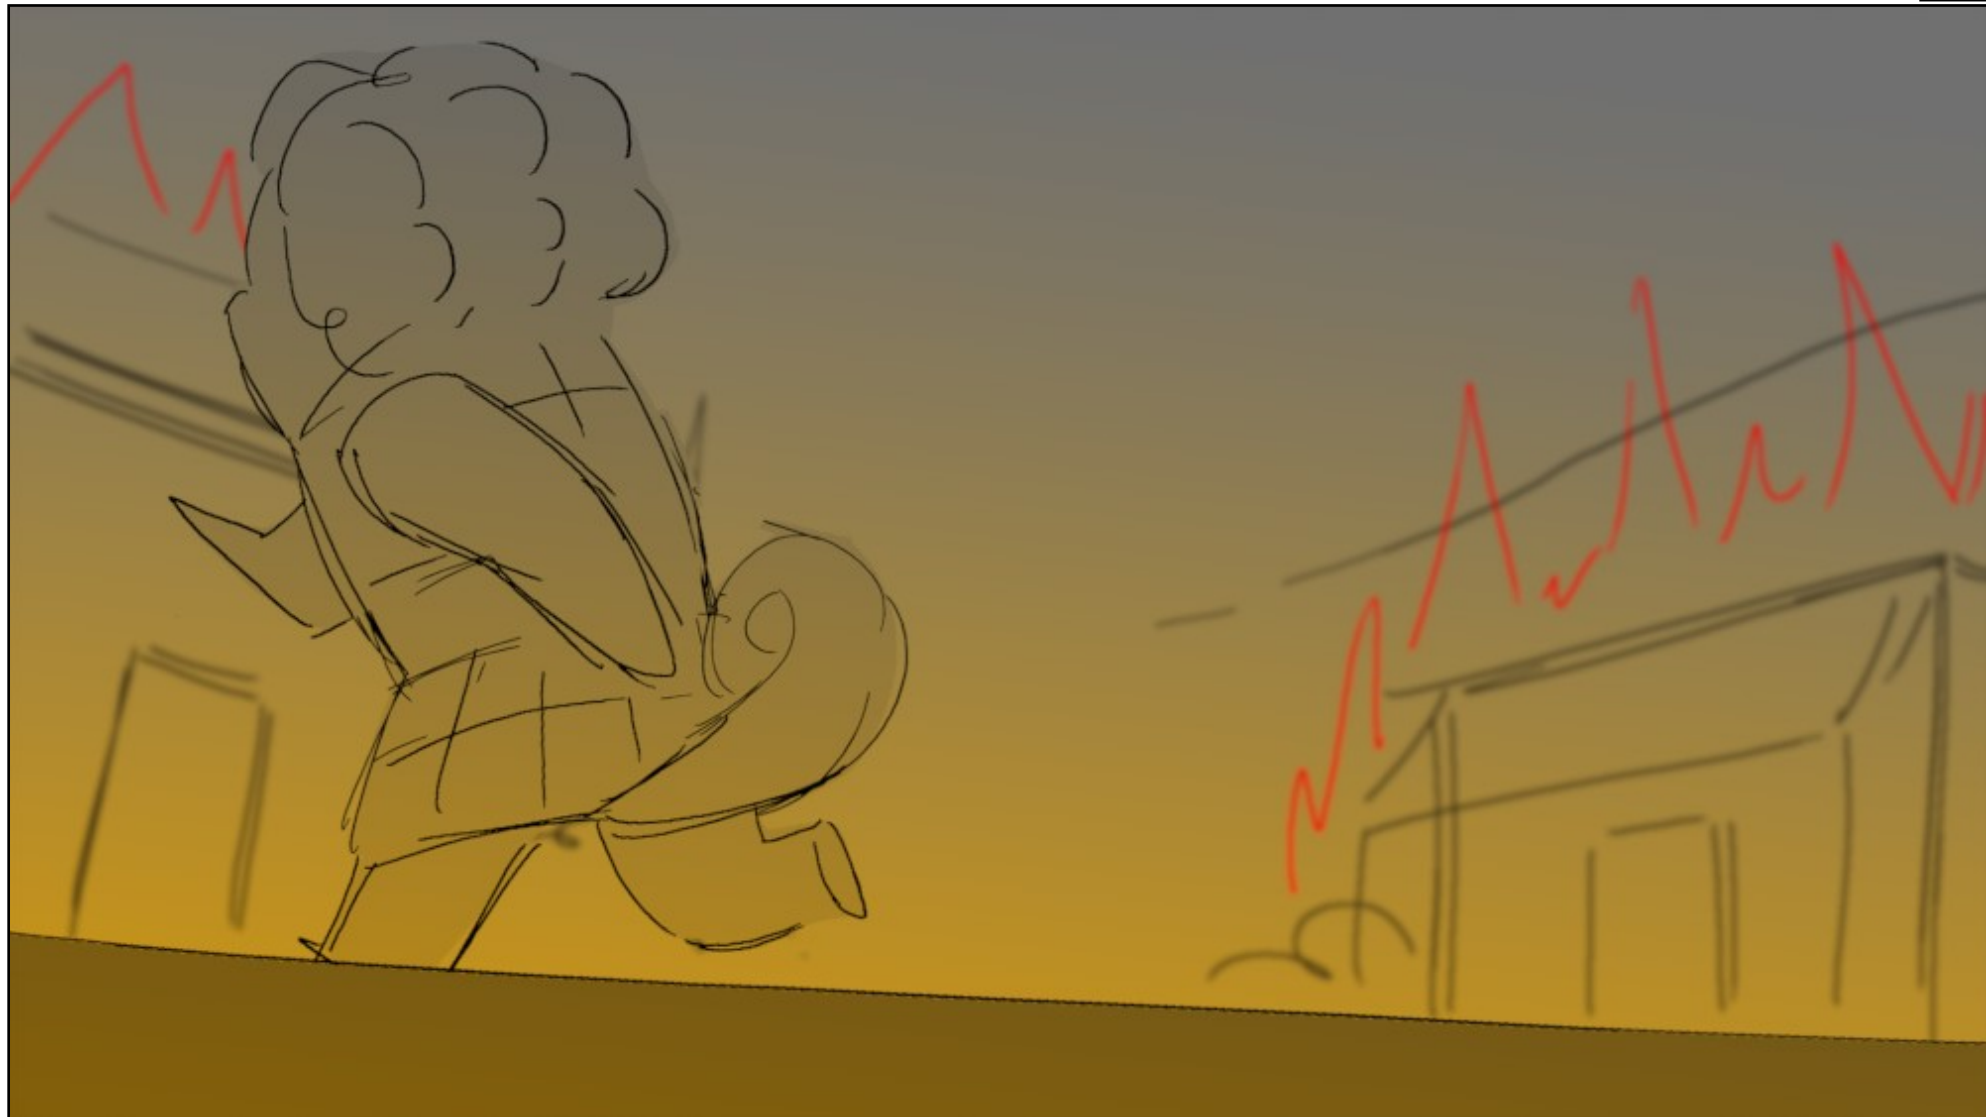

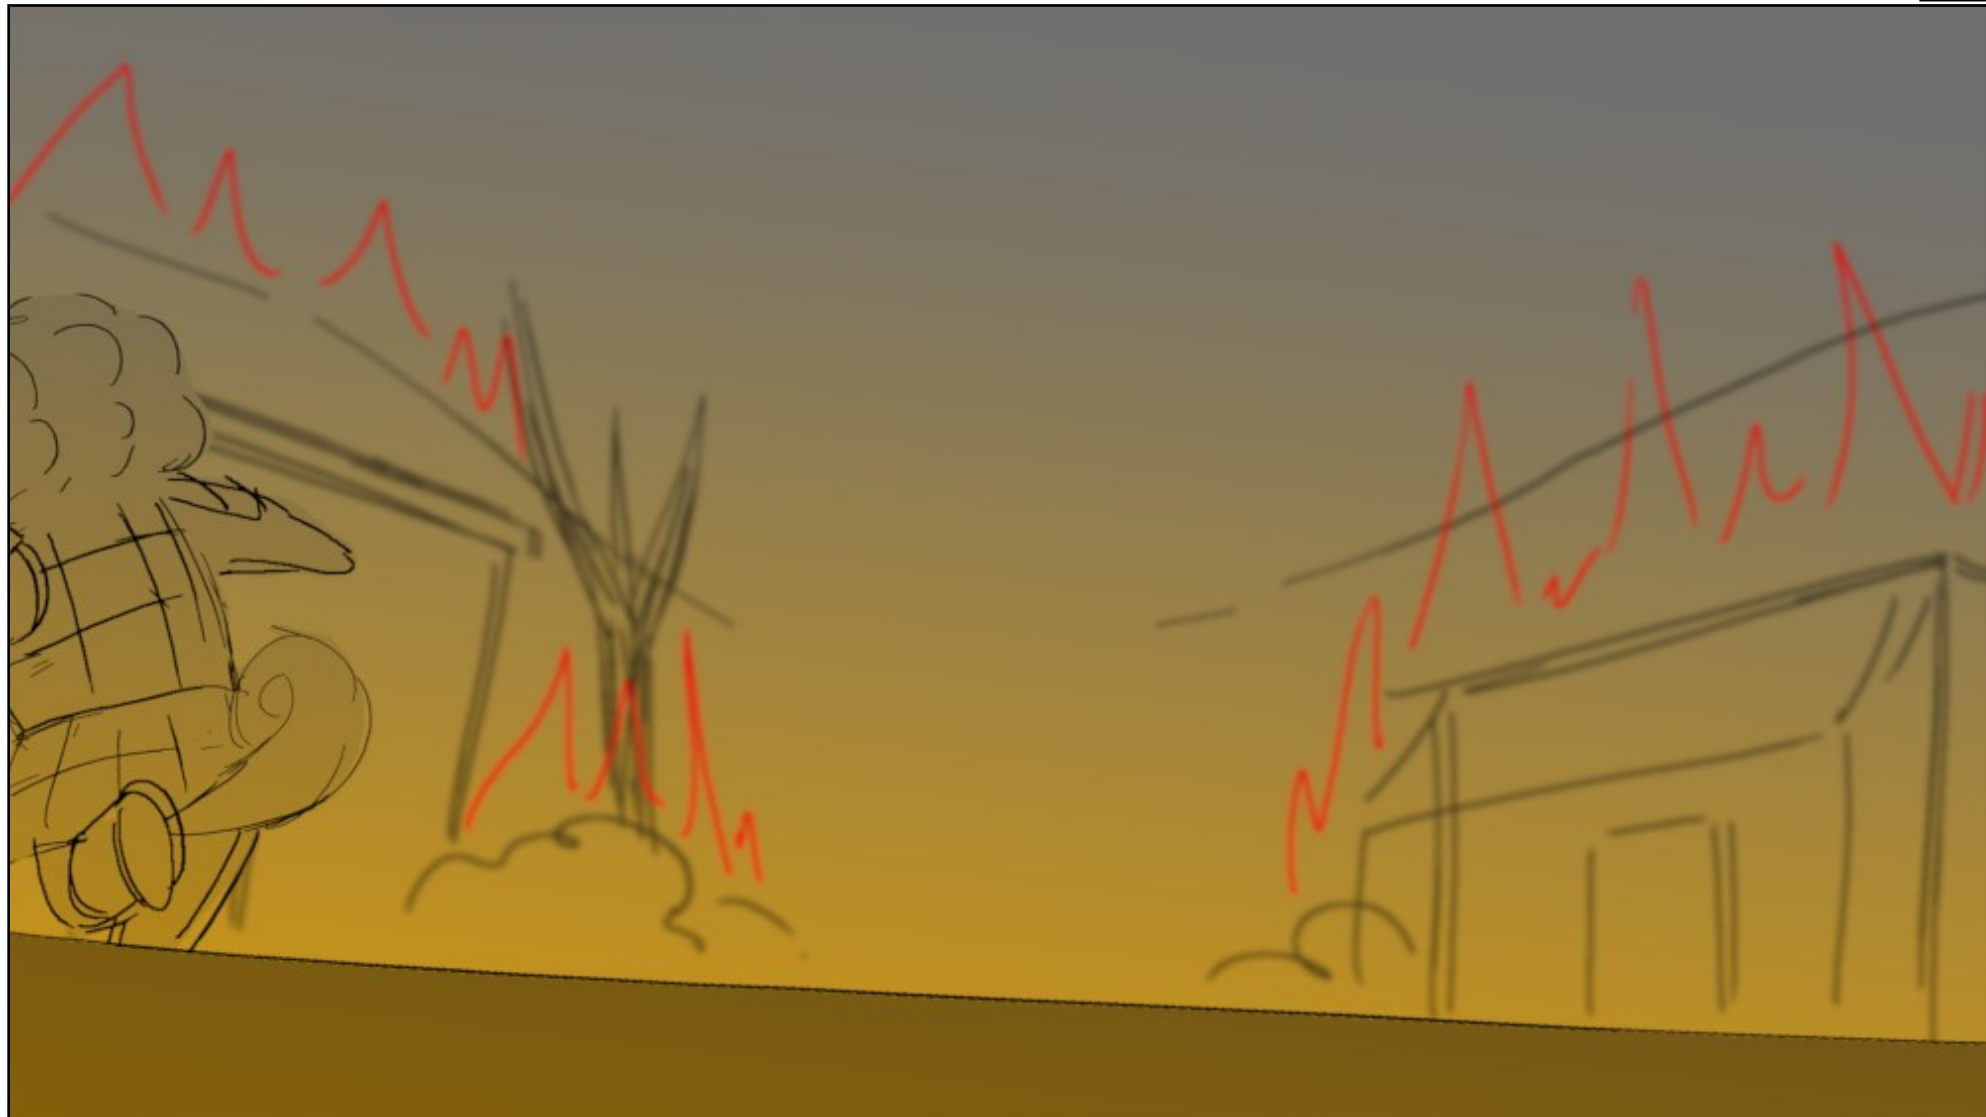

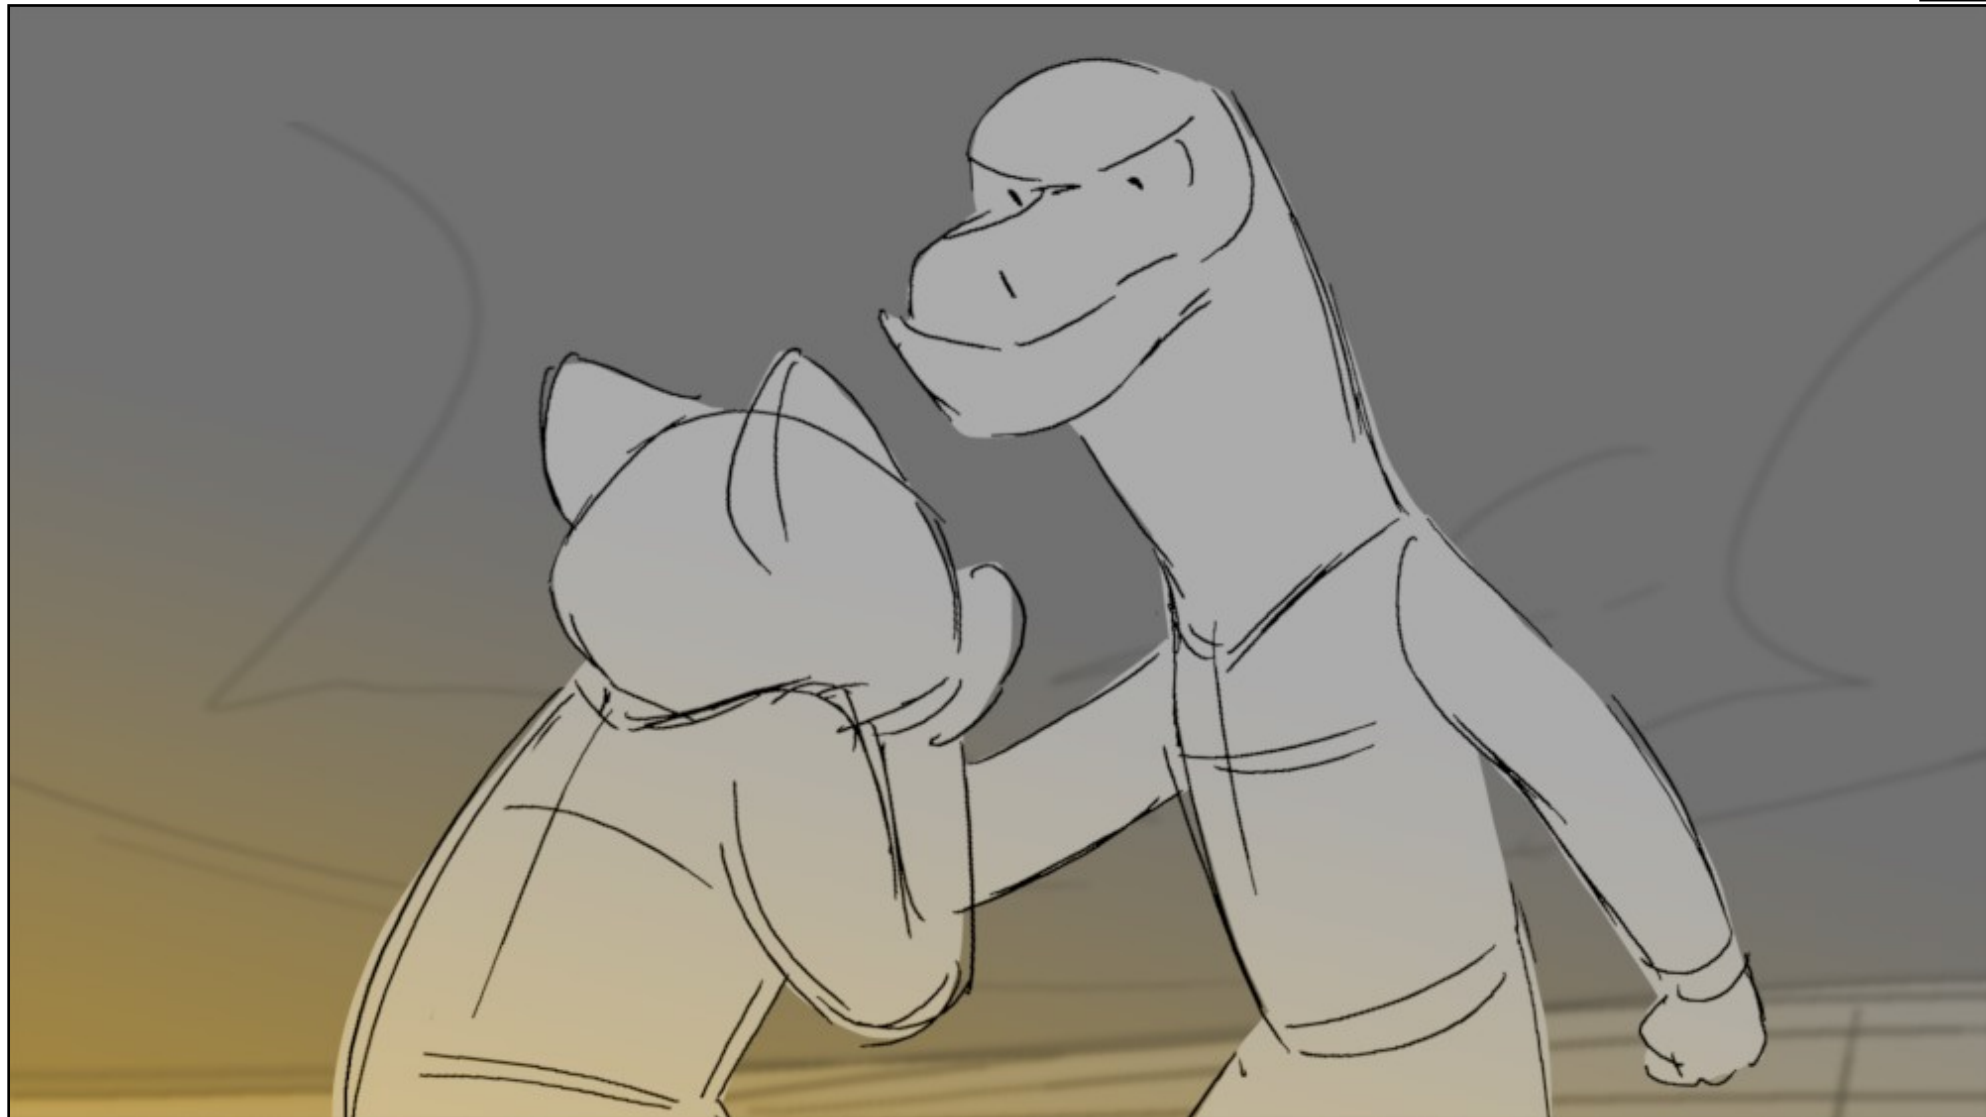

0155-3
INNOCENT VILLAGERS
148

0041-4
SHI LONG
149 Now see what you've done.

0158-5
SHI LONG
149 I'd hate

0159-4
SHI LONG
149 for you

0160-4
SHI LONG
149 to miss

0161-4
SHI LONG
149 this.
